**Title: Serinus Energy has signed EPCC Contract for the Moftinu Gas Development Project**

**Legal basis: other regulations**

**Content:**

Pursuant to Article 62.8 of the Act of 29 July 2005 on Public Offering [...] the Management of SERINUS ENERGY INC. („Serinus” or the „Company”) informs that in Canada via the SEDAR system it has published information that it has signed an Engineering, Procurement, Construction and Commissioning Contract (“EPCC”) with Confind S.R.L. (“Confind”), a Romanian company, for the construction of a gas processing facility and associated flowlines and pipelines for the Moftinu Gas Development Project in Romania. Confind has significant experience as an EPCC contractor for gas facilities and pipeline projects in Romania. The signing of this contract is an important milestone for the Company as it progresses the Moftinu project to first gas production. Construction will commence imminently with expected first gas production in the first quarter of 2018.

Additionally the full wording of the EPCC (in English, subject to the redaction of commercially sensitive information contained therein ) will be filed on SEDAR system and will be available on [www.sedar.com](http://www.sedar.com) after typing the name of the Company and at Company’s website, section Investor Centre - Press releases/SEDAR filings.
