The Borrower is a reporting issuer or equivalent under the securities laws of all applicable jurisdictions and is not on the list of defaulting reporting issuers or equivalent maintained by any Governmental Authority or Exchange and is not in default of any provision of the securities laws of any jurisdiction which would have a Material Adverse Effect on the Borrower where any Shares or any instruments relating to any Shares are issued or listed.

The Borrower represents and warrants as follows:
(a) **Corporate Power.** The Borrower has the corporate power to enter into, and perform its obligations under, the Financing Agreements and Project Agreements to which it is a party.

(b) **Due Authorisation; Enforceability; No Conflict.** The Financing Agreements and Project Agreements to which the Borrower is a party have been duly authorised by the Borrower. This Agreement has been duly executed by the Borrower and this Agreement constitutes, and the other Financing Agreements and Project Agreements to which the Borrower is a party, when executed and delivered, will constitute, valid and legally binding obligations of the Borrower, subject to the qualifications as to the matters of law provided in any legal opinions delivered under this Agreement, enforceable in accordance with their respective terms. The making of the Financing Agreements and Project Agreements and the compliance with the terms thereof:

1. will not result in violation of the Borrower’s Charter, the Concessions or any provision contained in any law applicable to the Borrower;
2. will not conflict with or result in the breach of any provision of, or require any consent under, or result in the imposition of any Lien under, any agreement or instrument to which any Project Company is a party or by which any Project Company or any of its assets is bound; and
3. will not constitute a default or an event which, with the giving of notice, the passage of time or the making of any determination (or any combination thereof), would constitute a default under any such agreement or instrument.

(c) **Governmental and Exchange Authorisations.** Except as disclosed in the letter from the Borrower to EBRD dated on or about the date of the Amendment and Restatement Agreement, no Authorisations from any Governmental Authority or Exchange are required (and which have not been obtained) for:

1. the due execution, delivery or performance by any Project Company of any Financing Agreement, or the validity or enforceability thereof, or for the carrying out of the Project or the carrying on of the business of any Project Company as it is carried on or is contemplated to be carried on; and
2. the due execution and delivery or performance by any Project Company of any Project Agreement, or the validity or enforceability thereof, except for those Authorisations (other than the Concessions) which are not necessary at the time this representation is made (or repeated) and which are of a routine or minor nature and are customarily granted in due course after timely application, or which need only be obtained as the Project progresses or after construction is completed and in respect of which the Borrower is not aware of any reason for it being unable to obtain in due course such Authorisations.

(d) **Exemption from Prospectus and Registration Requirements.** Provided EBRD’s representations in Section 3.24 are true and correct, the issuance of and subscription to Conversion Shares or (as the case may be) Repayment Shares (collectively referred to as the “Convertible Shares”) in accordance with this Agreement are exempt from the prospectus and registration requirements of the
securities laws of the jurisdictions in which any Shares are listed, and no prospectus or registration pursuant to the registration requirements of the applicable securities laws will be required and no other document will be required to be filed, no proceeding will be required to be taken and no Authorisation will be required to be obtained under such applicable securities laws to permit or in connection with the issuance and delivery of any Convertible Shares, upon the conversion of any part of the Loan in accordance with this Agreement other than filing the required trade report with the Alberta Securities Commission, and no commission or other remuneration will be required to be paid or given to others in respect of such issuance and delivery except for administrative or professional services or for services performed by a registrant properly registered under the applicable securities laws (provided that, to list the Convertible Shares on the Warsaw Stock Exchange and register them with the NDS, the Borrower will need to deliver documents to the NDS and the Warsaw Stock Exchange as referred to in Section 3.13(m)).

(e) **First Trade.** No prospectus will be required, no other document will be required to be filed, no proceeding will be required to be taken and no Authorisation will be required to be obtained under the securities laws of the jurisdictions in which any Shares are listed to permit or give effect to the first trade by EBRD of any Convertible Shares through a registrant properly registered under the applicable securities laws (provided that (i) at least four (4) months has elapsed from the date of the Disbursement associated with the Convertible Shares, the trade is not a control distribution as defined under applicable securities laws, no unusual effort is made to prepare the market or to create a demand for the Convertible Shares; no extraordinary commission or consideration is paid to a person or company in respect of the trade; and if EBRD is an insider of the Borrower, EBRD has no reasonable grounds to believe that the Borrower is in default of securities laws; and (ii) to list the Convertible Shares on the Warsaw Stock Exchange and register them with the NDS, the Borrower will need to deliver documents to the NDS and the Warsaw Stock Exchange as referred to in Section 3.13(m)).

(f) **No Cease Trade Order.** At the time of any distribution of or trade in the Convertible Shares, there is no outstanding cease trade order or other order by any Governmental Authority or Exchange in any jurisdiction or any Governmental Authority or Exchange, in effect, directing trading to cease with respect to such securities or affecting any person or company who engages in such a trade.

(g) **Pari Passu Ranking.** The Borrower’s payment obligations under the Financing Agreements rank at least pari passu with claims of all of its other unsecured creditors, except for claims mandatorily preferred by laws applicable to companies generally.

(h) **Security.** Subject to registration of (i) each Bank Account Pledge governed by Canadian law and the Assignment of Accounts Receivable with the PPR in each case for a ten years’ period; (ii) each Project Asset Pledge with the competent tax authority in Tunisia followed by its being recorded with the relevant judicial authorities in Tunisia within thirty (30) days of the execution of such Project Asset Pledge; (iii) the Pledge of Contractual Rights (subject to the Granting Authority’s approval of the execution of the Pledge of Contractual Rights), each Project Asset Assignment and the Insurance Assignment (unless waived by EBRD) with the competent tax authority in Tunisia; (iv) if required under Section 5.07(j), the Bank Accounts Pledge (Projco) with the competent
tax authority in Tunisia and notification of the creation of pledges under the Bank Accounts Pledge (Projco) by extra-judicial service of process upon the bank or banks (as the case may be) with which the bank accounts being pledged under such instrument are held; and (v) the Share Pledge (Romania), each Security Document will, when executed and delivered, constitute a valid and perfected security interest in the collateral covered by such Security Document, securing payment of all principal, interest and other amounts payable to EBRD under the Financing Agreements and ranking senior to all other Liens on such collateral (except for Liens created in favour of EBRD to secure obligations owing under the Senior Loan Agreement). The registration of each Project Asset Pledge will need to be renewed every ten years after its signing. No Project Company is a party to any other security agreement or instrument creating or purporting to create a Lien on such collateral. The Security is not subject to avoidance on liquidation of any Project Company or in bankruptcy, composition or other insolvency proceedings relating to any Project Company.

(i) **Project Agreements.** Each Project Agreement is in full force and effect without material modification from the form referred to in Section 1.01. There has occurred no material breach, and no event which with the giving of notice, the passage of time or the making of any determination, or any combination thereof, would constitute a material breach, of any Project Agreement.

(j) **Taxes.** There is no Tax of any Governmental Authority of any of Canada, Cyprus, Poland, The Netherlands, Romania and Tunisia (each a "Jurisdiction") to be imposed on or by virtue of the execution, delivery or performance of any Financing Agreement or necessary to ensure the legality, validity, enforceability or admissibility in evidence thereof in any Jurisdiction (other than (i) fees relating to the registration of each Bank Account Pledge governed by Canadian law with the PPR; (ii) any registration and/or stamp duty fees which may be payable in Romania in respect of the Share Pledge (Romania); and (iii) fees payable upon the registration of each Security Document governed by Tunisian law with the competent tax and/or judicial authorities).

**Section 2.04. Acknowledgement and Repetition**

(a) The Borrower acknowledges that it has made the representations and warranties contained in Sections 2.01, 2.02 and 2.03 with the intention of inducing EBRD to enter into this Agreement and that EBRD has entered into this Agreement on the basis of, and in full reliance on, each of such representations and warranties. The Borrower warrants that it has no knowledge of any additional facts or matters the omission of which makes any of such representations and warranties misleading or which would or might reasonably be expected to affect the judgement of a prospective lender regarding lending to the Borrower.

(b) Any representation or warranty given hereunder which specifies that such representation and warranty is provided hereunder “as of the date of this Agreement” or “as of the date of the Amendment and Restatement Agreement” shall only be given on the date of this Agreement or the Amendment and Restatement Agreement, as applicable, and shall not be deemed to be repeated hereafter in connection with any Disbursement made pursuant to this Agreement or any Conversion Request or Repayment in Shares Notice. In respect of all other representations and warranties
provided in this Article II, such representations and warranties shall be deemed to be repeated (i) on submission of each Disbursement request and on each Disbursement date, (ii) on submission of a Conversion Request and on each day thereafter until (and including) the relevant Conversion Date, and (iii) on submission of a Repayment in Shares Notice and on each day thereafter until (and including) the Repayment Date to which that Repayment in Shares Notice relates, in each case by reference to the facts and circumstances then existing.

ARTICLE III - LOAN

Section 3.01. Amount, Currency and Purpose

(a) On and subject to the terms and conditions of this Agreement, EBRD agrees to lend to the Borrower a convertible loan in an amount not to exceed USD 20,000,000 (twenty million Dollars) for the financing of the Project through the on-lending of the Loan to Projco.

(b) Notwithstanding anything to the contrary expressed or implied in this Agreement, the Loan is committed from the date of this Agreement.

(c) As of the date of the Amendment and Restatement Agreement, the full amount of the Loan has been disbursed or cancelled and EBRD is not obliged to make any further Disbursements hereunder.

Section 3.02. Disbursements

(a) Subject to Section 3.03 and Article IV, the Loan shall be disbursed by EBRD from time to time on any Business Day during the Commitment Period in one or more Disbursements upon request of the Borrower. The Borrower may request a Disbursement by submitting to EBRD an original application for such Disbursement, in the form of Exhibit A and in substance satisfactory to EBRD, at least ten (10) Business Days prior to the proposed date of such Disbursement. Such application shall, unless EBRD otherwise agrees, be irrevocable and binding on the Borrower.

(b) Disbursements (other than a Disbursement of the entire undisbursed amount of the Loan) shall be made in amounts of not less than USD 5,000,000 (five million Dollars).

Section 3.03. Suspension and Cancellation

(a) From time to time, EBRD may, by notice to the Borrower, suspend or cancel the right of the Borrower to further Disbursements:

(1) if the first Disbursement has not been made by the first anniversary of the date of this Agreement or such other date as may be agreed by the parties hereto;

(2) if an Event of Default has occurred and is continuing; or
(3) if the Board of Governors of EBRD has decided in accordance with Article 8, paragraph 3, of the Agreement Establishing the European Bank for Reconstruction and Development or otherwise that access by the Country of Operation to EBRD resources should be suspended or otherwise modified.

Upon the issuance of such notice by EBRD, the right of the Borrower to further Disbursements shall be suspended or cancelled as indicated in the notice. The exercise by EBRD of the right of suspension shall not preclude EBRD from exercising its right of cancellation as provided in this Section 3.03, either for the same or another reason, and shall not limit any other rights of EBRD under the Financing Agreements.

(b) On termination of the Commitment Period, the Borrower shall be deemed to have cancelled any then undisbursed portion of the Loan.

Section 3.04. Charges, Commissions and Fees

(a) The Borrower shall pay to EBRD during the Commitment Period a commitment charge at the rate of 1% (one per cent.) per annum on so much of the Loan as has not, from time to time, been disbursed to the Borrower or cancelled. The commitment charge shall accrue from day to day from the date which is thirty (30) days after the date of this Agreement. The commitment charge shall be calculated on the basis of the actual number of days elapsed in the relevant period and a 360-day year and shall be due and payable in arrears on each Interest Calculation Date during the Commitment Period and the last day of the Commitment Period (even though no interest may be payable on such date).

(b) The Borrower shall pay to EBRD a front-end commission of USD 250,000 (two hundred and fifty thousand Dollars). Such front-end commission shall be due and payable on the date of the first Disbursement (in which case the Borrower hereby irrevocably authorises EBRD to deduct such front-end commission from the proceeds of the first Disbursement) or ten (10) Business Days after the date of this Agreement, whichever is earlier.

(c) The charges, commissions and fees referred to in this Section 3.04 are non-refundable and are exclusive of any Tax which might be chargeable in connection with such charges, commissions or fees. If any such Tax becomes chargeable, the Borrower shall pay such Tax to EBRD at the same time that the relevant charge, commission or fee becomes due and payable.

Section 3.05. Interest

(a) Except as provided in Section 3.06, interest shall accrue on the principal amount of each Disbursement from time to time outstanding during each Interest Period for such Disbursement at a rate equal to the sum of the Margin and, subject to Section 3.07, the Interbank Rate for such Interest Period.

(b) Interest shall:
(1) accrue from and including the first day of an Interest Period to but excluding
the last day of such Interest Period;

(2) be added to the outstanding principal amount of the Loan on each Interest
Calculation Date which falls on or before the first Repayment Date;

(3) be calculated on the basis of the actual number of days elapsed and a 360-
day year;

(4) be due and payable:

   (i) in respect of the aggregate amount of interest accrued until (but
       excluding) the first Repayment Date, in 4 equal (or as nearly equal as
       possible) annual instalments on each Repayment Date as part of the
       principal; and

   (ii) in respect of interest accrued in any Interest Period commencing on or
       after the first Repayment Date, on the last day of that Interest Period; and

(5) for the avoidance of doubt, interest accruing in any Interest Period
commencing on or after the first Repayment Date shall accrue on (i) the principal
amount of each Disbursement from time to time outstanding during each Interest
Period increased by (ii) the aggregate amount of interest accrued until (but
excluding) the first Repayment Date.

(c) Except as otherwise provided in Section 3.07, on each Interest Determination
Date, EBRD shall determine the interest rate applicable during the relevant Interest
Period and promptly give notice thereof to the Borrower. Each determination by EBRD
of the interest rate applicable to any portion of the Loan shall be final, conclusive and
binding upon the Borrower unless shown by the Borrower to the satisfaction of EBRD
that any such determination has involved manifest error.

(d) If all or any part of the Loan is converted into Conversion Shares in accordance
with this Agreement, and the relevant Conversion Date is not an Interest Calculation
Date, interest shall be deemed to have accrued on the amount of the Loan which is so
converted for the Interest Period in which the relevant Conversion Date falls at a rate
equal to the sum of the Margin and the Interbank Rate (or such other rate pursuant to
Section 3.07) which in each case were applicable to the Loan on the last day of the
preceding Interest Period.

Section 3.06. Default Interest

(a) If the Borrower fails to pay when due any amount payable by it under this
Agreement, the overdue amount shall bear interest at a rate equal to the sum of:

   (1) 2.0% (two per cent.) per annum;

   (2) the applicable Margin; and

   (3) the interest rate per annum offered in the London interbank market on the
Default Interest Determination Date for a deposit in the Loan Currency of an amount comparable to the overdue amount for a period equal to the relevant Default Interest Period or, if a Market Disruption Event has occurred, the rate which expresses as a percentage rate per annum the cost to EBRD and each Participant of funding its respective portion of the Loan from whatever source EBRD or such Participant(s) may reasonably select (or at the option of EBRD and such Participant(s), the relevant Interbank Rate, if available), provided that if the rate pursuant to this sub-paragraph (3) would be below zero, the rate will be deemed to be zero.

(b) Default interest shall:

(1) accrue from day to day from the due date to the date of actual payment, after as well as before judgement, if any;

(2) be calculated on the basis of the actual number of days elapsed and a 360-day year;

(3) be compounded at the end of each Default Interest Period; and

(4) be due and payable forthwith upon demand.

(c) Each determination by EBRD of the interest rates applicable to overdue amounts and of Default Interest Periods shall be final, conclusive and binding upon the Borrower unless shown by the Borrower to the satisfaction of EBRD that any such determination has involved manifest error.

Section 3.07. Market Disruption

(a) If a Market Disruption Event occurs, EBRD shall promptly notify the Borrower. If EBRD notifies the Borrower of the occurrence of a Market Disruption Event,

(1) subject to sub-paragraph (2) below, interest shall accrue on the Loan at a rate equal to the sum of:

(A) the Margin; and

(B) the rate, as notified by EBRD to the Borrower as soon as practicable and in any event before interest is due to be paid in respect of the relevant Interest Period, which expresses as a percentage rate per annum the cost to EBRD and each Participant of funding its respective portion of the Loan from whatever source EBRD or such Participant may reasonably select (or, at the option of EBRD and such Participant, the relevant Interbank Rate, if available), provided that if the rate pursuant to this sub-paragraph (2) would be below zero, the rate will be deemed to be zero;

(2) interest shall accrue on such amount of the Loan that is then subject to a Participation at a rate equal to the sum of:

(A) the Margin; and
(B) an amount, in each case as notified by EBRD to the Borrower as soon as practicable and in any event before interest is due to be paid in respect of the relevant Interest Period, expressed as a rate per annum, equal to the excess, if any, of (x) the cost to each Participant of funding its respective portion of the Loan or Participation from whatever source such Participant(s) may reasonably select over (y) the Interbank Rate (or in the absence of such rate, a rate determined by EBRD), provided that if this rate would be below zero, the rate will be deemed to be zero;

in each case until EBRD has given notice to the Borrower that the Market Disruption Event has ceased to exist.

(b) If a Market Disruption Event has occurred, EBRD shall have the right, in its discretion, to change the duration of any relevant Interest Period by sending to the Borrower a written notice thereof. Any such change to an Interest Period shall take effect on the date specified by EBRD in such notice.

(c) Notwithstanding Section 3.07(a), if a Market Disruption Event occurs and EBRD or the Borrower so requires, within five (5) Business Days of the notification by EBRD pursuant to Section 3.07(a) above, EBRD and the Borrower shall enter into negotiations (for a period of not more than thirty (30) days) with a view to agreeing a substitute basis for determining the rate of interest applicable to the Loan. Any alternative basis so agreed shall take effect in accordance with its terms and replace the interest rate then in effect pursuant to Section 3.07(a) above. If agreement cannot be reached, the Borrower may prepay the Loan on the next Interest Payment Date in accordance with Section 3.09 but without any prepayment fee.

Section 3.08. Repayment

(a) The Borrower shall repay the Loan in 4 equal (or as nearly equal as possible) annual instalments on each Repayment Date by:

(1) payment in cash; or

(2) if the Borrower has delivered a Repayment in Shares Notice to EBRD not more than seventy (70) days and not less than sixty (60) days before a Repayment Date and at the same time issued a press release announcing the delivery of the Repayment in Shares Notice, and subject to the remainder of this Section 3.08, by issuing such number of new Shares to EBRD on that Repayment Date as is equal to the Repayment Number (a “Repayment in Shares”).

(b) The total number of issued Shares or voting rights attached to the issued Shares acquired by EBRD as a result of all Repayments in Shares must not exceed 5% (five per cent.) in aggregate of all issued Shares or voting rights attached to the issued Shares. If the Repayment Number would otherwise result in a breach of the condition set out in the preceding sentence, then:
(1) the Repayment in Shares Amount shall be reduced to the maximum amount that would not result in a breach of such condition (the “Reduced Repayment in Shares Amount” and such reduction, the “Reduction Amount”); and

(2) subject to Section 3.14(b), the Borrower shall pay to EBRD in cash on the Repayment Date the Reduction Amount.

(c) Should the applicable Current Market Price Calculation Period be less than thirty (30) Dealing Days as allowed by the rules of any relevant Exchange, at the same time as the delivery of the Repayment in Shares Notice, the Borrower shall contact the relevant Exchanges and use all reasonable efforts to obtain such Exchanges’ approval for increasing the applicable Current Market Price Calculation Period to thirty (30) consecutive Dealing Days or such shorter period exceeding five (5) Dealing Days as each relevant Exchange may agree to or allow.

(d) The Borrower shall promptly inform EBRD whether the applicable Current Market Price Calculation Period has been extended pursuant to Section 3.08(c) and shall, if applicable, provide evidence of each relevant Exchange’s approval in form and substance satisfactory to EBRD, in each case not less than thirty-five (35) days (or such shorter period of at least 30 days that EBRD may agree to) prior to the relevant Repayment Date.

(e) If the Borrower has delivered a Repayment in Shares Notice to EBRD in accordance with Section 3.08(a)(2) above, EBRD shall, on or before the day which is thirty (30) days before the relevant Repayment Date, deliver a notice to the Borrower confirming:

(1) whether or not the Countries of Operation Condition has been met;

(2) whether or not the conditions set out in Section 3.14(b)(1) and (2) have been met or waived by EBRD;

(3) the Current Market Price;

(4) the Repayment in Shares Amount;

(5) the Reduction Amount (if any); and

(6) the Repayment Number.

(f) If:

(1) the Borrower has delivered a Repayment in Shares Notice to EBRD in accordance with Section 3.08(a)(2) above; and

(2) EBRD has, by the day which is thirty (30) days before the relevant Repayment Date, delivered a notice to the Borrower confirming that the conditions set out in Section 3.14(b)(1) and (2) have not been met or waived,
the Borrower shall repay part of the Loan, in an amount equal to the annual instalment referred to in Section 3.08(a) and pay interest then due and payable, in cash on that Repayment Date.

(g) If:

(1) the Borrower has delivered a Repayment in Shares Notice to EBRD; and

(2) EBRD has delivered a notice to the Borrower on or before the day which is thirty (30) days before the relevant Repayment Date confirming that the conditions set out in Section 3.14(b)(1) and (2) have been met or waived by EBRD or EBRD has not delivered any notice pursuant to Section 3.08(e) by such date,

the Borrower shall promptly issue a press release confirming the Repayment in Shares and the Repayment Number and, on that Repayment Date, allot, issue and deliver the applicable Repayment Number of Repayment Shares to EBRD.

(h) If the currency of the relevant Current Market Price is the same as the Loan Currency, then the Borrower shall apply the Repayment in Shares Amount in EBRD’s subscription for the applicable number of Repayment Shares on the relevant Repayment Date.

(i) If the currency of the relevant Current Market Price is not the same as the Loan Currency, then for the purpose of a Repayment in Shares:

The Borrower may deliver a Conversion Request unless EBRD has confirmed to the Borrower in writing before the date of that Conversion Request that the Countries of Operation Condition is not met at that time. Any such confirmation given by EBRD shall be without prejudice to EBRD considering whether such condition is met for the purposes of the notice referred to in Section 3.12(g)(2) below.

consecutive Dealing Days or such shorter period exceeding five Dealing Days as each relevant Exchange may agree to or allow.

(f) Where applicable, the Borrower shall promptly inform EBRD whether the applicable Current Market Price Calculation Period has been extended pursuant to Section 3.12(e) and shall, if applicable, provide evidence of each relevant Exchange’s approval in form and substance satisfactory to EBRD, in each case not less than thirty-five (35) days (or such shorter period of at least thirty (30) days to which EBRD may agree to) prior to the Conversion Date.

(g) If:

(1) the Borrower has delivered a Conversion Request to EBRD; and

(1) the Conversion Amount shall be re-denominated at the official exchange rate for the relevant currency cross published by the central banking institution of the country of the currency of the relevant Current Market Price for the latest date for which such publication is available thirty-five (35) days prior to the relevant Conversion Date from the Loan Currency into the currency in which the Shares are quoted or listed on the Exchange used for determining the Current Market Price; and

(2) the Borrower shall apply such re-denominated amount in EBRD’s subscription for the applicable Conversion Number of Conversion Shares.
(e) The issue of the applicable Conversion Number of Conversion Shares to EBRD in accordance with this Agreement will fully pay and repay the relevant Conversion Amount on the date of such issue.

(h) A Reduced Repayment in Shares Amount shall be deemed to include principal and accrued interest on a pro rata basis (rounded at EBRD’s discretion).

(i) The Borrower shall, as soon as reasonably practicable following each Conversion Date and, in relation to a Repayment in Shares, the Repayment Date to which that Repayment in Shares relates, register EBRD as holder of the relevant Conversion Shares or (as the case may be) Repayment Shares in the Borrower’s share register or in the books of the relevant custodian or depository (as may be instructed by EBRD).

(j) If the Bank requires the Conversion Shares or as the case may be, the Repayment Shares to be registered in its name, the Borrower shall, within ten (10) Business Days of a Conversion Date or, in relation to a Repayment in Shares, the Repayment Date to which that Repayment in Shares relates, deliver to EBRD:

1. evidence from Computershare or other relevant electronic registry of the registration of EBRD as holder of the relevant Conversion Shares or (as the case may be) Repayment Shares; and
2. (unless the relevant new Shares are dematerialised) certificates for the relevant Conversion Shares or (as the case may be) Repayment Shares.

(k) If the Bank requires the Shares to be registered in the name of a custodian, the Borrower shall deliver evidence of such registration as soon as reasonably practicable.

(l) The Borrower shall ensure that all Conversion Shares and all Repayment Shares are duly authorised and fully paid and will have the same economic rights (including entitlement to dividends and other distributions) as, and in all respects rank pari passu with, the Shares in issue on the Conversion Date or, in relation to a Repayment in Shares, the Repayment Date to which that Repayment in Shares relates.

(m) The Borrower shall, in relation to each Conversion or Repayment in Shares, use all reasonable efforts to do all things as may be required to ensure that the relevant Conversion Shares or Repayment Shares (as the case may be) are duly listed on the Warsaw Stock Exchange (the “WSE”) and registered with the NDS as soon as reasonably practicable with the target date of such listing being within two (2) months of the relevant Conversion Date or Repayment Date, including, without limitation, providing such documents to the NDS and the WSE as may be required to achieve such listing:
(1) under or pursuant to the by-laws of the NDS (Regulamin Krajowego Depozytu Papierów Wartościowych) and the detailed rules for procedure of the NDS (Szczegółowe Zasady Działania Krajowego Depozytu Papierów Wartościowych) (in each case as may be amended or replaced from time to time); and

(2) under or pursuant to the by-laws of the WSE as adopted by the WSE Council in resolution no. 1/1110/2006, as amended (Regulamin Giełdy przyjęty Uchwałą Nr 1/1110/2006 Rady Giełdy z dnia 4 stycznia 2006 r., ze zmianami) and the detailed rules for procedure of the WSE as adopted by the WSE Management Board in resolution no. 1038/2012, as amended (Szczegółowe Zasady Obrotu Giełdowego w sescie UTP) (in each case as may be amended or replaced from time to time).

(n) The Borrower shall be responsible for all costs and expenses reasonably incurred by EBRD arising in relation to a Conversion or a Repayment in Shares, and shall promptly pay (if applicable) all stamp, capital, issue and registration duties payable in relation to the issue of Conversion Shares or Repayment Shares.

(o) Terms defined in Section 3.10 have the same meaning where used in this Section.

Section 3.14 Conversion / Repayment in Shares – Conditions precedent

(a) If the Borrower has delivered a Conversion Request, the relevant Conversion is only permitted and shall only occur if EBRD has confirmed to the Borrower in accordance with Section 3.12(g)(2) that the following conditions have been met or waived by EBRD:

(1) the Countries of Operation Condition;

(2) EBRD shall have received certified copies of all Authorisations and approvals of any Exchange necessary for (i) the subscription of and the issuance of the Conversion Shares or (as the case may be) the Repayment Shares; and (ii) the remittance to EBRD of all moneys payable in respect of such Shares, including without limitation, dividends, distributions in the event of liquidation and the proceeds from the sale of such Shares, including the amounts originally invested and any capital gains;

(3) The Conversion Shares or (as the case may be) the Repayment Shares, upon their issuance, shall be free of any liens and contingent liabilities;

(4) the period for which EBRD is required by applicable securities laws not to trade the Conversion Shares or (as the case may be) the Repayment Shares is not more than four (4) months and one day;

(5) no Default has occurred and is continuing;

(6) there has been no change in law and there is no EBRD policy which, in the opinion of EBRD, would mean that EBRD is unable to hold shares in the Borrower;
(7) Shares of the Borrower have not been de-listed or listed on an exchange which EBRD considers, acting reasonably, to be insufficiently liquid; and

(8) the New Operations Assessment Condition has been met.

(b) A Repayment in Shares is only permitted and shall only occur if EBRD has confirmed to the Borrower by notice in writing in accordance with Section 3.08(g)(2) that the following conditions have been met or waived by EBRD:

1. the conditions specified in Section 3.14(a)(2) to (9); and

2. if the Countries of Operation Condition is not met, EBRD considers that the applicable Exchange regulations allow for the Repayment in Shares applying the calculation set out in paragraph (a) of the definition of "Repayment in Shares Amount" in Section 3.08(k),

or EBRD has not delivered any notice pursuant to Section 3.08(e) by the date specified in Section 3.08(g)(2).

(c) Terms defined in Section 3.10 have the same meaning where used in this Section.

Section 3.15. Payments

(a) All payments of principal, interest, charges, commissions, fees, expenses and any other amounts due to EBRD under this Agreement shall be made, without set-off or counterclaim, in the Loan Currency (or, in the case of costs and expenses of EBRD, in the currency in which such costs and expenses were incurred), for value on the due date, to such account in New York or such other place as EBRD may from time to time designate by notice to the Borrower.

(b) The sums to be disbursed by EBRD to the Borrower hereunder shall be payable in the Loan Currency for value, unless otherwise agreed by the Borrower and EBRD, on the value date requested by the Borrower in its Disbursement application and to such correspondent account in New York as the Borrower may designate in its Disbursement application (with instructions to transfer such sums, at the Borrower’s risk and expense, to such account as the Borrower may designate in its Disbursement application).

(c) If the due date for any payment under this Agreement would otherwise fall on a day which is not a Business Day, then such payment shall instead be due on the next succeeding Business Day in the same calendar month or, if there is no succeeding Business Day in the same calendar month, the immediately preceding Business Day.

(d) EBRD shall have the right, to the fullest extent permitted by law, to set off any amount owed by EBRD to the Borrower, whether or not matured, against any amount then due and payable by the Borrower under any Financing Agreement, whether or not EBRD has demanded payment by the Borrower of such amount and regardless of the currency or place of payment of either such amount. EBRD shall have the right, to the fullest extent permitted by law, to deduct from the proceeds of any Disbursement any charges, commissions, fees, expenses and other amounts then due and payable by the Borrower to EBRD under any Financing Agreement.
Section 3.16. Insufficient Payments

(a) If EBRD at any time receives less than the full amount then due and payable to it under this Agreement, EBRD shall have the right to allocate and apply the amount received in any way or manner and for such purpose or purposes under this Agreement as EBRD in its sole discretion determines, notwithstanding any instruction that the Borrower may give to the contrary.

(b) The Borrower shall indemnify EBRD against any losses resulting from a payment being received, or a claim being filed or an order or judgement being given, hereunder in a currency or place other than the currency and place specified in Section 3.15(a). The Borrower shall pay such additional amount as is necessary to enable EBRD to receive, after conversion to such currency at a market rate and transfer to such place, the full amount due to EBRD hereunder in the currency and at the place specified in Section 3.15(a).

Section 3.17. Taxes

(a) The Borrower shall pay or cause to be paid, when due, or reimburse EBRD on demand for, all present and future Taxes, now or at any time hereafter levied or imposed by any Governmental Authority of any jurisdiction out of which or through which payments hereunder are made, or in connection with the payment of any amounts due to EBRD under this Agreement.

(b) All payments of principal, interest and other amounts due to EBRD under this Agreement shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; provided, however, that, in the event that the Borrower is prevented by operation of law or otherwise from making such payments free and clear of such deductions or withholdings, the principal, interest or other amount (as the case may be) due under this Agreement shall be increased to such amount as may be necessary to remit to EBRD the full amount it would have received had such payment been made without such deductions or withholdings.

(c) The provisions of Sections 3.17(a) and 3.17(b) shall not apply to Taxes, to the extent that such Taxes arise as a direct consequence of a Participation having been acquired by a Participant whose principal office is located in the Country of Operation or by the permanent office or establishment in the Country of Operation of a Participant.

Section 3.18. Unwinding Costs

(a) If, for any reason (including, without limitation, an acceleration pursuant to Section 7.02 or a Conversion), any amount of the Loan becomes due and payable on a date other than the last day of an Interest Period, the Borrower shall pay to EBRD on demand the amount, if any, by which:

(1) the interest which would have accrued on such amount of the Loan from the date on which such amount of the Loan has become due and payable to the last
day of the then current Interest Period at a rate equal to the Interbank Rate for such
Interest Period;

exceeds:

(2) the interest which EBRD would be able to obtain if it were to place an
amount equal to such amount of the Loan on deposit with a leading bank in the
London interbank market for the period commencing on the date on which such
amount of the Loan has become due and payable and ending on the last day of the
then current Interest Period.

(b) If any overdue amount is paid on a date other than the last day of a Default Interest
Period, the Borrower shall pay to EBRD on demand the amount, if any, by which:

(1) the interest which would have accrued on such overdue amount from the
date of receipt of such overdue amount to the last day of the then current Default
Interest Period at a rate equal to the rate specified in Section 3.06(a)(3) for such
Default Interest Period;

exceeds:

(2) the interest which EBRD would be able to obtain if it were to place an
amount equal to such overdue amount on deposit with a leading bank in the
London interbank market for the period commencing on the Business Day
immediately following the date of receipt of such overdue amount and ending on
the last day of the then current Default Interest Period.

e) The Borrower shall forthwith upon notice from EBRD reimburse EBRD for any
costs, expenses and losses incurred by EBRD or any Participant, and not otherwise
recovered by EBRD under Sections 3.18(a) or 3.18(b), as a result of the occurrence of
an Event of Default, a change in the duration of any relevant Interest Period pursuant to
Section 3.07(b), a change in the basis for determining the rate of interest pursuant to
Section 3.07(c), prepayment of any portion of the Loan on a date other than the last day
of an Interest Period, failure by the Borrower to pay any amount when due hereunder,
EBRD or any Participant funding, or making arrangements to fund, a Disbursement
requested in a Disbursement application submitted pursuant to Section 3.02 but not
made by reason of the operation of any one or more of the provisions of this Agreement
(other than by reason of default or negligence by EBRD or such Participant, as the case
may be) or failure by the Borrower to make any prepayment in accordance with a notice
of prepayment delivered pursuant to any provision of this Agreement.

(f) A certificate of EBRD as to any amount payable under this Section 3.18 shall be
final, conclusive and binding on the Borrower unless shown by the Borrower to the
satisfaction of EBRD to contain manifest error.

Section 3.19. Increased Costs

The Borrower shall, from time to time on demand of EBRD, reimburse EBRD for
any net incremental costs to EBRD of making or maintaining, or committing to make,
the Loan or to any Participant of acquiring or maintaining its Participation which result from the introduction of, or any change in, any applicable law or any applicable guideline or policy (whether or not having the force of law), or any change in the interpretation or application thereof by any Governmental Authority charged with the administration thereof, subsequent to the date of this Agreement. A certificate of EBRD or such Participant as to the amount of such net incremental costs shall be final, conclusive and binding on the Borrower unless shown by the Borrower to the satisfaction of EBRD to contain manifest error. Notwithstanding the foregoing, the Borrower shall not be obligated to reimburse EBRD for any such net incremental costs which are a direct consequence of a Participation having been acquired by a Participant whose principal office is located in the Country of Operation or by the permanent office or establishment of a Participant in the Country of Operation.

Section 3.20. Illegality

Notwithstanding anything in this Agreement, if it is or becomes unlawful in any jurisdiction for EBRD to make, maintain or fund the Loan or perform any of its obligations under this Agreement or for any Participant to maintain or fund its Participation, then:

(1) upon request by EBRD, the Borrower shall, on the next Interest Payment Date or such earlier date as EBRD may specify, prepay that portion of the principal amount of the Loan which EBRD notifies to the Borrower as being affected by such change, together with all accrued interest and other amounts payable thereon; and

(2) upon notice from EBRD, any portion of the Loan which EBRD notifies to the Borrower as being affected by such change and which has not theretofore been disbursed shall be cancelled immediately.

Section 3.21. Mitigation

(a) If, in respect of EBRD or a Participant, circumstances arise which would, or with the giving of notice would, result in:

(1) any Taxes, duties and fees or other charges becoming payable under Section 3.17, or

(2) any increased cost becoming payable under Section 3.19, or

(3) any prepayment or cancellation under Section 3.20,

then EBRD will take (and request a Participant to take) such reasonable steps as may be practicable to mitigate the effects of such circumstances provided always that EBRD will be under no obligation to take (or request that such Participant take) such reasonable steps if such action might be materially adverse to the interests of EBRD or that Participant.
(b) Section 3.21(a) above, does not in any way limit the obligations of the Borrower
or any other party to any Financing Agreement.

Section 3.22. Loan Account

EBRD shall open and maintain on its books an account in the Borrower’s name
showing the Disbursements and repayments thereof and the computation and payment
of interest, charges, commissions, fees and other amounts due and sums paid hereunder.
Such account shall be final, conclusive and binding on the Borrower as to the amount at
any time due from the Borrower hereunder, absent manifest error.

Section 3.23. Currency Equivalents

For purposes of this Agreement, the equivalent in the Loan Currency of any
amount denominated in a currency other that the Loan Currency on any day shall be
determined by using the exchange rate available to EBRD at or about 11:00 a.m. two (2)
Business Days prior to such day.

Section 3.24. EBRD's Representations and Covenants

(a) In exercising its rights and performing its obligations under clauses 3.08 to 3.14,
EBRD shall comply with all mandatory provisions of applicable securities laws in all
relevant jurisdictions.

(b) EBRD is as of the date of this Agreement and will be at the Repayment Date and
the Conversion Date an "Accredited Investor" as defined under Canadian securities laws
and will be acquiring the Shares upon Repayment in Shares and/or Conversion as
principal for its own account.

(c) EBRD agrees that it shall not trade in Shares during each period starting on the
date of the press release issued by the Borrower pursuant to:

(1) Section 3.08(a)(2) and ending on the date thirty-four (34) days prior to the
then next Repayment Date; or

(2) Section 3.12(a) and ending on the date thirty-four (34) days prior to the
Conversion Date relating to such announcement.

Section 3.25. Compliance with Securities Regulations

All provisions in this Article III relating to the repayment of the Loan in Shares and/or
Conversion are subject to the relevant securities laws and applicable rules and policies
of the Exchange. The parties acknowledge that Authorisation received from the Toronto
Stock Exchange is approval of the reservation of up to 6,500,000 Shares to be issued
under this Agreement in accordance with its terms. To the extent that any provision of
this Article III is inconsistent with the relevant securities laws or applicable rules or
Authorisations of the Exchange, the Parties shall seek to agree such modifications as are
required in order to facilitate performance as nearly as practicable in accordance with the intention of the relevant provision.

ARTICLE IV - CONDITIONS PRECEDENT

ARTICLE VIII - MISCELLANEOUS

to make Disbursements hereunder has terminated in accordance with the terms hereof
or, if later, until all moneys payable hereunder have been fully paid in accordance with
the provisions hereof; provided that the indemnities and warranties of the Borrower and
the provisions of Sections 3.11(a), 3.11(d), 8.04, 8.05, 8.07, 8.08, 8.09, 8.10 and 8.11
shall survive repayment of the Loan and termination of this Agreement.

Section 8.02. Entire Agreement; Amendment and Waiver

This Agreement and the documents referred to herein constitute the entire
obligation of the parties hereto with respect to the subject matter hereof and shall
supersede any prior expressions of intent or understandings with respect to this
transaction. Any amendment to, waiver by EBRD of any of the terms or conditions of,
or consent given by EBRD under, this Agreement (including, this Section 8.02) shall be
in writing, signed by EBRD and, in the case of an amendment, by the Borrower. The
parties to this Agreement may by agreement rescind or vary this Agreement without the
consent of any person that is not a party to this Agreement. In the event that EBRD
waives a condition to any Disbursement, the Borrower shall, by receiving the proceeds
of such Disbursement, be deemed to have agreed to all of the terms and conditions of
such waiver.

Agreement to EBRD or to the Borrower shall be in writing. Except as otherwise

designates by notice to the party giving or making such notice, application or other
communication.

Section 8.04. English Language

All documents to be furnished or communications to be given or made under this Agreement shall be in the English language or, if in another language, shall be accompanied by a translation into English certified by the Borrower, which translation shall be the governing version between the Borrower and EBRD.

Section 8.05. Financial Calculations

All financial calculations to be made under, or for the purposes of, this Agreement shall be made in accordance with IFRS and, except as otherwise required to conform to the definitions contained in Article I or any other provisions of this Agreement, shall be made using the then most recently issued quarterly Financial Statements which the Borrower is required to furnish to EBRD from time to time under Section 5.14(a); provided, however, that:

(1) if the relevant quarterly Financial Statements should be in respect of the last quarter of a Financial Year then, at EBRD’s option, such calculations may instead be made from the audited Financial Statements for the relevant Financial Year;

(2) if there should occur any material adverse change in the financial condition of the Borrower after the end of the period covered by the relevant Financial Statements, then such material adverse change shall also be taken into account in calculating the relevant figures; and

(3) if there should occur any material change to IFRS applicable on the date of this Agreement, then the Parties shall enter into discussions in good faith as to the effect of such changes on such financial calculations.
Section 8.06. Rights, Remedies and Waivers

(a) The rights and remedies of EBRD in relation to any misrepresentations or breach of warranty on the part of the Borrower shall not be prejudiced by any investigation by or on behalf of EBRD into the affairs of the Borrower, by the execution or the performance of this Agreement or by any other act or thing which may be done by or on behalf of EBRD in connection with this Agreement and which might, apart from this Section, prejudice such rights or remedies.

(b) No course of dealing or waiver by EBRD in connection with any condition of Disbursement under this Agreement shall impair any right, power or remedy of EBRD with respect to any other condition of Disbursement or be construed to be a waiver thereof.

(c) No action of EBRD in respect of any Disbursement shall affect or impair any right, power or remedy of EBRD in respect of any other Disbursement. Without limiting the foregoing, the right of EBRD to require compliance with any condition under this Agreement which may be waived by EBRD in respect of any Disbursement is, unless otherwise notified to the Borrower by EBRD, expressly preserved for the purposes of any subsequent Disbursement.

(d) No course of dealing and no delay in exercising, or omission to exercise, any right, power or remedy accruing to EBRD upon any default under this Agreement or any other agreement shall impair any such right, power or remedy or be construed to be a waiver thereof or an acquiescence therein. No single or partial exercise of any such right, power or remedy shall preclude any other or further exercise thereof or the exercise of any other right, power or remedy. No action of EBRD in respect of any such default, or acquiescence by it therein, shall affect or impair any right, power or remedy of EBRD in respect of any other default.

(e) The rights and remedies provided in this Agreement and the other Financing Agreements are cumulative and not exclusive of any other rights or remedies, whether provided by applicable law or otherwise.

Section 8.07. Indemnification

(a) The Borrower assumes full liability for, and agrees to and shall indemnify and hold harmless EBRD and its officers, directors, employees, agents and servants against and from, any and all liabilities, obligations, losses, damages (compensatory, punitive or otherwise), penalties, claims, actions, Taxes, suits, costs and expenses (including, reasonable legal counsel’s fees and expenses and costs of investigation) of whatsoever kind and nature, including, without prejudice to the generality of the foregoing, those arising in contract or tort (including, negligence) or by strict liability or otherwise, which are imposed on, incurred by or asserted against EBRD or any of its officers, directors, employees, agents or servants (whether or not also indemnified by any other person under any other document) and which in any way relate to or arise out of, whether directly or indirectly:
(1) any of the transactions contemplated by any Financing Agreement or Project Agreement or the execution, delivery or performance thereof;

(2) the operation or maintenance of any Project Company’s facilities or the ownership, control or possession thereof by any Project Company;

(3) the investigation by EBRD of any event which it reasonably believes is a Default;

(4) EBRD acting or relying on any notice, request or instruction which it reasonably believes to be genuine, correct and appropriately authorised; or

(5) the exercise by EBRD of any of its rights and remedies under any of the Financing Agreements;

provided that EBRD shall not have any right to be indemnified hereunder for its own gross negligence, wilful misconduct or fraud.

(b) Without limiting the generality of the foregoing, the Borrower agrees to and shall indemnify and hold harmless EBRD and its officers, directors, employees, agents and servants against and from any such liabilities, obligations, losses, damages, penalties, claims, actions, taxes, duties, suits, costs or expenses arising under any environmental law or other applicable law as a result of the past, present or future operations of each Project Company (or any predecessor or successor in interest to any Project Company), or the past, present or future condition of the Fields or any site or facility owned, operated or leased by any Project Company (or any such predecessor or successor in interest), or any release or use or threatened release of any pollutants or hazardous materials at any such site or facility, including any such release or use or threatened release which occurs during any period when EBRD is in possession of any such site or facility following the exercise by EBRD of any of its rights and remedies under any Financing Agreement.

(c) The Borrower acknowledges that EBRD is entering into this Agreement, and has acted, solely as a lender, and not as an advisor, to the Borrower. The Borrower represents and warrants that, in entering into the Financing Agreements, it has engaged, and relied upon advice given to it by, its own legal, financial and other professional advisors and it has not relied on and will not hereafter rely on any advice given to it by EBRD.

Section 8.08. Governing Law

This Agreement shall be governed by and construed in accordance with English law. Any non-contractual obligations arising out of or in connection with this Agreement shall be governed by and construed in accordance with English law.

Section 8.09. Arbitration and Jurisdiction

(a) Any dispute, controversy or claim arising out of or relating to (1) this Agreement, (2) the breach, termination or invalidity hereof or (3) any non-contractual obligations
arising out of or in connection with this Agreement shall be settled by arbitration in accordance with the UNCITRAL Arbitration Rules as at present in force. There shall be one arbitrator and the appointing authority shall be LCIA (London Court of International Arbitration). The seat and place of arbitration shall be London, England and the English language shall be used throughout the arbitral proceedings. The parties hereby waive any rights under the Arbitration Act 1996 or otherwise to appeal any arbitration award to, or to seek determination of a preliminary point of law by, the courts of England. The arbitral tribunal shall not be authorised to grant, and the Borrower agrees that it shall not seek from any judicial authority, any interim measures or pre-award relief against EBRD, any provisions of the UNCITRAL Arbitration Rules notwithstanding. The arbitral tribunal shall have authority to consider and include in any proceeding, decision or award any further dispute properly brought before it by EBRD (but no other party) insofar as such dispute arises out of any Financing Agreement, but, subject to the foregoing, no other parties or other disputes shall be included in, or consolidated with, the arbitral proceedings. In any arbitral proceeding, the certificate of EBRD as to any amount due to EBRD under any Financing Agreement shall be prima facie evidence of such amount.

(b) Notwithstanding Section 8.09(a), this Agreement and the other Financing Agreements, and any rights of EBRD arising out of or relating to this Agreement or any other Financing Agreement, may, at the option of EBRD, be enforced by EBRD in the courts of Canada or in any other courts having jurisdiction. For the benefit of EBRD, the Borrower hereby irrevocably submits to the non-exclusive jurisdiction of the courts of England with respect to any dispute, controversy or claim arising out of or relating to this Agreement or any other Financing Agreement, or the breach, termination or invalidity hereof or thereof. The Borrower hereby irrevocably designates, appoints and empowers Ashurst LLP at its registered office (being, on the date hereof, at Broadwalk House, 5 Appold Street, London, EC2A 2HA, England (FAO: Huw Thomas)) to act as its authorised agent to receive service of process and any other legal summons in England for purposes of any legal action or proceeding brought by EBRD in respect of any Financing Agreement. Failure by a process agent to notify the Borrower of the process will not invalidate the proceedings concerned. The Borrower hereby irrevocably consents to the service of process or any other legal summons out of such courts by mailing copies thereof by registered airmail postage prepaid to its address specified herein. The Borrower covenants and agrees that, so long as it has any obligations under this Agreement, it shall maintain a duly appointed agent to receive service of process and any other legal summons in England for purposes of any legal action or proceeding brought by EBRD in respect of any Financing Agreement and shall keep EBRD advised of the identity and location of such agent. Nothing herein shall affect the right of EBRD to commence legal actions or proceedings against the Borrower in any manner authorised by the laws of any relevant jurisdiction. The commencement by EBRD of legal actions or proceedings in one or more jurisdictions shall not preclude EBRD from commencing legal actions or proceedings in any other jurisdiction, whether concurrently or not. The Borrower irrevocably waives any objection it may now or hereafter have on any grounds whatsoever to the laying of venue of any legal action or proceeding and any claim it may now or hereafter have that any such legal action or proceeding has been brought in an inconvenient forum.
Section 8.10. Privileges and Immunities of EBRD

Nothing in this Agreement shall be construed as a waiver, renunciation or other modification of any immunities, privileges or exemptions of EBRD accorded under the Agreement Establishing the European Bank for Reconstruction and Development, international convention or any applicable law. Notwithstanding the foregoing, EBRD has made an express submission to arbitration under Section 8.09(a) and accordingly, and without prejudice to its other privileges and immunities (including, without limitation, the inviolability of its archives), it acknowledges that it does not have immunity from suit and legal process under Article 5(2) of Statutory Instrument 1991, No. 757 (The European Bank for Reconstruction and Development (Immunities and Privileges) Order 1991), or any similar provision under English law, in respect of the enforcement of an arbitration award duly made against it as a result of its express submission to arbitration pursuant to Section 8.09 (a).

Section 8.11. Waiver of Sovereign Immunity

The Borrower represents and warrants that this Agreement and the incurring by the Borrower of the Loan are commercial rather than public or governmental acts and that the Borrower is not entitled to claim immunity from legal proceedings with respect to itself or any of its assets on the grounds of sovereignty or otherwise under any law or in any jurisdiction where an action may be brought for the enforcement of any of the obligations arising under or relating to this Agreement. To the extent that the Borrower or any of its assets has or hereafter may acquire any right to immunity from set-off, legal proceedings, attachment prior to judgement, other attachment or execution of judgement on the grounds of sovereignty or otherwise, the Borrower hereby irrevocably waives such rights to immunity in respect of its obligations arising under or relating to this Agreement.

Section 8.12. Successors and Assigns; Third Party Rights

(a) This Agreement shall bind and inure to the benefit of the respective successors and assigns of the parties hereto, except that the Borrower may not assign or otherwise transfer all or any part of its rights or obligations under this Agreement without the prior written consent of EBRD.

(b) EBRD may sell, transfer, assign, novate or otherwise dispose of all or part of its rights or obligations under this Agreement and the other Financing Agreements (including, by granting of Participations or otherwise).

(c) Except as provided in Section 8.12(a) or 8.12(b), none of the terms of this Agreement are intended to be enforceable by any third party.
Section 8.13. Disclosure

EBRD may disclose such documents, information and records regarding the Borrower and this transaction (including, copies of any Financing Agreements and Project Agreements) as EBRD deems appropriate in connection with any dispute involving the Borrower or any other party to a Financing Agreement, for the purpose of preserving or enforcing any of EBRD’s rights under any Financing Agreement or collecting any amount owing to EBRD or in connection with any actual or proposed Participation or any other actual or proposed sale, transfer, assignment, novation or other disposal contemplated by Section 8.12.

Section 8.14. Counterparts

This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.
IN WITNESS WHEREOF, the parties hereto, acting through their duly authorised representatives, have caused this Agreement to be signed in their respective names as of the date first above written.
