

Current Report No. 35/2019

Date: 2019-10-21

Issuer's trading name: SERINUS ENERGY plc

Title: Moftinu Gas Production has Resumed

Legal basis: Other regulations

Content:

In view of the requirement of Article 62.8 of the Act of 29 July 2005 on Public Offering [...], considering that the shares of SERINUS ENERGY plc ("Company") are listed on AIM in the UK, and referring to current report No. 34/2019 of 10 October 2019, the Management of the Company informs that it has published information outside the Republic of Poland providing an update on the Company's operations in Romania.

The routine maintenance of the Moftinu Gas Plant has been completed ahead of schedule and under budget. Gas production and processing was restarted on 20 October 2019, one day earlier than originally estimated. The Company commends the Romanian team for the safe and efficient turnaround of the plant.

The attachment to this current report contains text of the original press release in English, which has been filed by the Company in the UK and will also be available on Company's website: www.serinusenergy.com

21 October 2019

Press Release

Forward-looking Statements This release may contain forward-looking statements made as of the date of this announcement with respect to future activities that either are not or may not be historical facts. Although the Company believes that its expectations reflected in the forward-looking statements are reasonable as of the date hereof, any potential results suggested by such statements involve risk and uncertainties and no assurance can be given that actual results will be consistent with these forward-looking statements. Various factors that could impair or prevent the Company from completing the expected activities on its projects include that the Company's projects experience technical and mechanical problems, there are changes in product prices, failure to obtain regulatory approvals, the state of

the national or international monetary, oil and gas, financial , political and economic markets in the jurisdictions where the Company operates and other risks not anticipated by the Company or disclosed in the Company's published material. Since forward-looking statements address future events and conditions, by their very nature, they involve inherent risks and uncertainties and actual results may vary materially from those expressed in the forward-looking statement. The Company undertakes no obligation to revise or update any forward-looking statements in this announcement to reflect events or circumstances after the date of this announcement, unless required by law.
