

Current Report No. 36/2021

Date: 2021-10-07

Issuer's trading name: SERINUS ENERGY plc

Title: Incorporation of New Gas Trading Subsidiary

Legal basis: Other regulations

Content:

In view of the requirement of Article 62.8 of the Act of 29 July 2005 on Public Offering [...], considering that the shares of SERINUS ENERGY plc ("Serinus" or the "Company") are listed on AIM in the UK, the Management of the Company announces that the Company has incorporated a new gas trading subsidiary, Serinus Energy Romania Trading S.r.l. The subsidiary will initially trade the Company's Romanian gas production not committed under its marketing agreement with Vitol into the Romanian market. Serinus Energy Romania Trading S.r.l. has been created to allow our licenced gas traders to directly access the Romanian gas market and to capture the full value of gas prices in Romania. Serinus Energy Romania Trading S.r.l. will be fully licenced by the Autoritatea Nationala de Regemenatre in domeniul Energiei ("ANRE"), the Romanian energy regulator, and is able to trade Serinus' gas production as well as third-party gas.

The attachment to this current report contains text of the original press release in English, which has been filed by the Company in the UK and will also be available on Company's website: www.serinusenergy.com

Forward Looking Statement Disclaimer

This release may contain forward-looking statements made as of the date of this announcement with respect to future activities that either are not or may not be historical facts. Although the Company believes that its expectations reflected in the forward-looking statements are reasonable as of the date hereof, any potential results suggested by such statements involve risk and uncertainties and no assurance can be given that actual results will be consistent with these forward-looking statements. Various factors that could impair or prevent the Company from completing the expected activities on its projects include that the Company's

projects experience technical and mechanical problems, there are changes in product prices, failure to obtain regulatory approvals, the state of the national or international monetary, oil and gas, financial, political and economic markets in the jurisdictions where the Company operates and other risks not anticipated by the Company or disclosed in the Company's published material. Since forward-looking statements address future events and conditions, by their very nature, they involve inherent risks and uncertainties, and actual results may vary materially from those expressed in the forward-looking statement. The Company undertakes no obligation to revise or update any forward-looking statements in this announcement to reflect events or circumstances after the date of this announcement, unless required by law.
