Press Release

Romania Safety Milestone Achieved

Jersey, Channel Islands, 19 January 2022 -- Serinus Energy plc (“**Serinus**” or the “**Company**”) (AIM:SENX, WSE:SEN) is proud to announce that the Moftinu Gas Project in Romania has achieved 1,000 accident-free days of continuous operation. The Board of Directors and Management of the Company offer their congratulations to the Romanian Team on reaching this milestone.

About Serinus

Serinus is an international upstream oil and gas exploration and production company that owns and operates projects in Tunisia and Romania.

About Reach announcements

This is a Reach announcement. Reach is an investor communication service aimed at assisting listed and unlisted (including AIM) companies to distribute non-regulatory news releases into the public domain. Information required to be notified under the AIM Rules for Companies, Market Abuse Regulation or other regulation would be disseminated as an RNS regulatory announcement and not on Reach.
