RECOMMENDED CASH ACQUISITION

of

Serinus Energy plc ("Serinus")

by

Xtellus Capital Partners, Inc. ("Xtellus")

to be effected by means of a Scheme of Arrangement
under Article 125 of the Companies (Jersey) Law 1991 (as amended)

Summary

- The boards of Xtellus and Serinus are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition of the entire issued and to be issued ordinary share capital of Serinus to be made by Xtellus (the "**Acquisition**"). It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Article 125 of the Companies (Jersey) Law 1991 (as amended) (the "**Scheme**" or "**Scheme of Arrangement**").
- Under the terms of the Acquisition, Serinus Shareholders shall be entitled to receive:
 - 3.40 pence in cash for each Serinus Share held (the "Acquisition Price")**
- The Acquisition values the entire issued and to be issued ordinary share capital of Serinus at approximately £5.1 million on a fully diluted basis.
- The Acquisition Price represents a premium of approximately:
 - 30.8% to the Closing Price per Serinus Share of 2.6 pence on 21 March 2025 (being the last Business Day prior to the publication of this Announcement);
 - 41.7% to the closing price per Swift Share of 2.4 pence on 7 February 2025 (being the last Business Day before the Acquisition proposal was made to Serinus);
 - 33.3% to the volume-weighted average price per Serinus Share of 2.5 pence for the 30-day period ended 21 March 2025 (being the last Business Day prior to the publication of this Announcement); and
- If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend, distribution, or other return of capital or value is declared, made, or paid or becomes payable in respect of the Serinus Shares, Xtellus reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend, distribution or other return of capital or value, in which case any references to the Acquisition Price will be deemed to be a reference to the Acquisition Price as so reduced. In such

circumstances, eligible Serinus Shareholders shall be entitled to retain any such dividend, distribution, or other return of capital or value declared, made, or paid.

Background to and reasons for the Acquisition

- Xtellus observes the withdrawal of capital from UK-listed small cap oil & gas stocks and the comparatively low sector valuation and views this as an opportune time to acquire oil & gas assets and provide them with the necessary private capital for growth.
- Serinus, whilst delivering well on its goals, has failed to gain reward or recognition of that from the market and continues to trade at a depressed share price. Meanwhile, maintaining Serinus' listing on AIM and the WSE imposes significant extra cost for a company of its size, having a market capitalisation of approximately £3.8 million as at the Latest Practicable Date, whilst providing little incremental benefit with regard to capital access. This has led Xtellus to believe that Serinus would be better placed as a private business with access to capital that will be provided through Xtellus to pursue opportunities beyond Serinus' current reach.
- The Acquisition, if it becomes Effective, would provide Serinus Shareholders with an immediate realisation of value in cash for their Serinus Shares at a premium to the Closing Price as at the Latest Practicable Date, and an opportunity to realise value despite the limited liquidity of Serinus Shares.
- The full cash consideration payable under the terms of the Acquisition, together with certain fees and expenses in connection with the Acquisition, will be funded through cash on Xtellus' balance sheet.

Irrevocable Undertakings

- Xtellus has received irrevocable undertakings from:
 - the Serinus Directors, holding in aggregate, 6,784,954 Serinus Shares representing approximately 4.59% of the existing issued ordinary share capital of Serinus as at 21 March 2025 (being the last Business Day prior to publication of this Announcement); and
 - certain other Serinus Shareholders holding, in aggregate, 14,493,642 Serinus Shares representing approximately 9.81% of the existing issued ordinary share capital of Serinus as at 21 March 2025 (being the last Business Day prior to publication of this Announcement),

to vote, or procure that their nominees vote, in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting.

- Therefore, Xtellus has received irrevocable undertakings in respect of, in aggregate, to 21,278,596 Serinus Shares representing approximately 14.4% of the existing issued ordinary share capital of Serinus as at 21 March 2025 (being the last Business Day prior to publication of this Announcement).
- Further details of these irrevocable undertakings and letters of intent are set out in Appendix 3 to this Announcement.

Unanimous Recommendation

- The Serinus Directors, who have been so advised by Shore Capital as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Serinus Directors, Shore Capital has taken into account the commercial assessments of the Serinus Directors.
- Accordingly, the Serinus Directors intend to recommend unanimously that Serinus Shareholders vote in favour of the Scheme at the Court Meeting and that the Serinus Shareholders vote in favour of the Resolutions to be proposed at the General Meeting, as the Serinus Directors have irrevocably undertaken to do in respect of their own beneficial holdings of 6,784,954 Serinus Shares representing, in aggregate, approximately 4.59% of the issued ordinary share capital of Serinus in issue on 21 March 2025 (being the last Business Day prior to this Announcement).

Timetable and Conditions

- It is intended that the Acquisition will be implemented by way of a Court-sanctioned Scheme of Arrangement under Article 125 of the Jersey Companies Law, and that the Scheme be put to Serinus Shareholders for approval at the Court Meeting and to the Serinus Shareholders at the General Meeting, although Xtellus reserves the right to elect (with the consent of the Panel, and subject to the terms of the Cooperation Agreement) to implement the Acquisition by way of a Takeover Offer. In order to become Effective, a resolution to approve the Scheme must be passed by a majority in number of the Serinus Shareholders (or relevant classes thereof, if applicable) present and voting at the Court Meeting, and any separate class meeting(s) which may be required by the Court (or any adjournment of such meetings) either in person or by proxy, representing not less than 3/4ths of the voting rights of the Serinus Shares held by such Serinus Shareholders (or relevant classes thereof). In addition, Resolutions to deal with certain ancillary matters in connection with the Scheme must be passed at the General Meeting to be held immediately after the Court Meeting. Excluded Shares (including any Serinus Shares registered in the name of, or beneficially owned by, Xtellus or any other member of the Wider Xtellus Group or their respective nominees) may not be voted at the Court Meeting.
- The Acquisition will be conditional on, amongst other things, the approval of Serinus Shareholders and the satisfaction or (where applicable) waiver of the Conditions and further terms set out in Appendix 1 to this Announcement (which shall be set out in the Scheme Document).
- In addition, the Acquisition is conditional upon:
 - the approval by the National Agency for Mineral Resources in Romania (or other applicable Romanian government entity) of the maintenance of the validity of Serinus' Petroleum Concession Agreement for the purposes of Article 34(5) of the Romanian Petroleum law no. 238/2004, or written confirmation from such body that the Acquisition should not be referred for review under such law; and
 - the authorisation by the Romanian Competition Council of the foreign direct investment in Romania entailed by the Acquisition (whether unconditionally or with such conditions as are acceptable to Xtellus and Serinus (acting reasonably and in good faith), thereby satisfying the requirements of the Romanian Governmental Emergency Ordinance no. 46/202, or confirmation by such body that the Acquisition should not be referred for review under such ordinance.
- It is expected that the Scheme Document, containing further information about the Acquisition (including an expected timetable of key events) and notices of the Court Meeting and the General Meeting, together with the Forms of Proxy, shall be published as soon as practicable and, in any event, within 28 days of this Announcement or such later date as Xtellus, Serinus and the Panel agree, and that the Court Meeting and the General Meeting will be held as soon as practicable thereafter. It is expected that the Scheme will become Effective in the second quarter of 2025. The Scheme Document and Forms of Proxy will be made available to Serinus Shareholders at no charge to them.

This summary should be read in conjunction with, and is subject to, the full text of this Announcement and the Appendices. The Acquisition will be subject to the Conditions and further terms set out in Appendix 1 and to the full terms and conditions which will be set out in the Scheme Document. The bases and sources for certain financial information contained in this Announcement are set out in Appendix 2. Details of the irrevocable undertakings received by Xtellus are set out in Appendix 3. Certain definitions and terms used in this Announcement are set out in Appendix 4.

Notice to US Serinus Shareholders

The Acquisition is being made to acquire the securities of a Jersey company by means of a members' scheme of arrangement provided for under Jersey Companies Law. Xtellus is a "foreign private issuer" as defined under Rule 3b-4 under the US Exchange Act. A transaction effected by a foreign private issuer by means of a members' scheme of arrangement is not subject to the shareholder vote, proxy solicitation or tender offer rules under the US Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements and practices applicable in Jersey to schemes of arrangement, which differ from the disclosure requirements of the US shareholder vote, proxy solicitation and tender offer rules and the US Securities Act. If, in the future, Xeno exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable laws and regulations of the United Kingdom, Jersey and the United States, including any applicable exemptions under the US Exchange Act.

Financial information included in this Announcement has been or will have been prepared in accordance with IFRS and may not therefore be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If Xeno were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with applicable US laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by Xtellus and no one else.

In the event that the Acquisition is implemented by way of Takeover Offer, in accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Xeno or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase Serinus Shares outside of the United States, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

Neither the SEC nor any state securities commission has reviewed, approved or disapproved this Announcement, the Scheme or any of the proposals described herein, or passed upon or determined the adequacy or accuracy of the information contained in this Announcement or disapproved or passed judgment upon the fairness or the merits of the Acquisition. Any representation to the contrary is a criminal offence in the United States.

The receipt of cash consideration by a US holder for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. In addition, Serinus Shareholders may be required to provide an applicable Internal Revenue Service form W-8 or W-9 in order to prevent any backup withholding tax on the cash consideration. Each Serinus Shareholder is urged to consult his, her or their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him, her or it, including under applicable United States state and local, as well as foreign and other, tax laws.

Serinus is formed under the laws of Jersey. In addition, some or all of its officers and directors reside outside the US, and some or all of its assets are or may be located in jurisdictions outside the US. Therefore, investors may have difficulty effecting service of process within the US upon those persons or recovering against Serinus or its officers or directors on judgments of US courts, including judgments based upon the civil liability provisions of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment. It may not be possible to sue Serinus or its officers or directors in a non-US court for violations of US securities laws.

Forward-looking Statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Xtellus and/or Serinus contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Xtellus and Serinus about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on Xtellus and Serinus (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "cost saving", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Xtellus' and Serinus', any member of the Xtellus Group or any member of the Serinus Group's, operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Xtellus' and Serinus', any member of the Xtellus Group or any member of the Serinus Group's, business.

Although Xtellus and Serinus believe that the expectations reflected in such forward-looking statements are reasonable, Xtellus and Serinus can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; changes in the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Xtellus and Serinus operate; weak, volatile or illiquid capital and/or credit markets; changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Xtellus and Serinus operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither Xtellus nor Serinus, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this Announcement. All subsequent oral or written forward-looking statements attributable to any member of the Xtellus Group or the Serinus Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Other than in accordance with their legal or regulatory obligations, neither Xtellus nor Serinus is under any obligation, and Xtellus and Serinus expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

In accordance with Rule 30.3 of the Takeover Code, such persons may also request that all future documents, announcements and information to be sent to them in relation to the Acquisition should be in hard copy form.

Electronic Communications

Please be aware that addresses, electronic addresses and certain other information provided by Serinus Shareholders, persons with information rights and other relevant persons for the receipt of communications from Serinus may be provided to Xtellus during the offer period as required under Section 4 of Appendix 4 of the Takeover Code to comply with Rule 2.11(c) of the Takeover Code.

Rounding

Certain figures included in this Announcement have been subjected to rounding adjustments. Accordingly, figures shown for the same category presented in different tables may vary slightly and figures shown as totals in certain tables may not be an arithmetic aggregation of figures that precede them.

General

Xtellus reserves the right to elect, with the consent of the Panel (where necessary) and subject to the terms of the Cooperation Agreement, to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments).

If the Acquisition is effected by way of a Takeover Offer, and the Takeover Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Xtellus intends to exercise its rights to apply the provisions of Part 18 of the Jersey Companies Law so as to acquire compulsorily the remaining Serinus Shares in respect of which the Takeover Offer has not been accepted.

Investors should be aware that Xtellus may purchase Serinus Shares otherwise than under any Takeover Offer or the Scheme, including pursuant to privately negotiated purchases.

The Acquisition will be subject to English law, the jurisdiction of the English courts, and the applicable requirements of the Jersey Companies Law, the Takeover Code, the Panel, the London Stock Exchange, the FCA and the AIM Rules. The Scheme will be governed by Jersey law and will be subject to the jurisdiction of the Court. The Scheme will also be subject to the applicable requirements of the Takeover Code and the Panel.

Rule 2.9 of the Takeover Code

For the purposes of Rule 2.9 of the Takeover Code, Serinus confirms that, as at 21 March 2025, it had in issue 147,794,571 ordinary shares of no par value admitted to trading on AIM. The ISIN for the ordinary shares is JE00BNNMKT29.

RECOMMENDED CASH ACQUISITION

of

Serinus Energy plc ("Serinus")

by

Xtellus Capital Partners, Inc. ("Xtellus")

**to be effected by means of a Scheme of Arrangement
under Article 126 of the Companies (Jersey) Law 1991 (as amended)**

1. Introduction

The boards of Xtellus and Serinus are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition of the entire issued and to be issued ordinary share capital of Serinus to be made by Xtellus (the "**Acquisition**"). It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Article 125 of the Companies (Jersey) Law 1991 (as amended) (the "**Scheme**" or "**Scheme of Arrangement**").

2. The Acquisition

Under the terms of the Acquisition, which shall be subject to the Conditions and further terms set out in Appendix 1 to this Announcement and to be set out in the Scheme Document, Serinus Shareholders shall be entitled to receive:

3.40 pence in cash for each Serinus Share held (the "Acquisition Price").

The Acquisition values the entire issued and to be issued ordinary share capital of Serinus at approximately GBP 5.1 million on a fully diluted basis.

The Acquisition Price represents a premium of approximately:

- 30.8% to the Closing Price per Serinus Share of 2.6 pence on 21 March 2025 (being the last Business Day prior to the publication of this Announcement);
- 41.7% to the closing price per Serinus Share of 2.4 pence on 7 February 2025 (being the last Business Day before the Acquisition proposal was made to Serinus); and
- 33.3% to the volume-weighted average price per Serinus Share of 2.5 pence for the 30-day period ended 21 March 2025 (being the last Business Day prior to the publication of this Announcement).

If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend, distribution, or other return of capital or value is declared, made, or paid or becomes payable in respect of the Serinus Shares, Xtellus reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend, distribution or other return of capital or value, in which case any references to the Acquisition Price will be deemed to be a reference to the Acquisition Price as so reduced. In such circumstances, eligible Serinus Shareholders shall be entitled to retain any such dividend, distribution, or other return of capital or value declared, made, or paid.

The Acquisition is conditional on the approval of Serinus Shareholders and the satisfaction or (where applicable) waiver of the Conditions and further terms set out in Appendix 1 to this Announcement (which shall be set out in the Scheme Document).

It is expected that the Scheme Document, containing further information about the Acquisition (including an expected timetable of key events) and notices of the Court Meeting and the General Meeting,

together with the Forms of Proxy, will be published as soon as reasonably practicable and in any event within 28 days of this Announcement or such later date as Xtellus, Serinus and the Panel agree, and that the Court Meeting and the General Meeting will be held as soon as practicable thereafter. It is expected that the Scheme will become Effective in the second quarter of 2025. The Scheme Document and Forms of Proxy will be made available to Serinus Shareholders at no charge to them.

In addition, the Acquisition is conditional upon:

- the approval by the National Agency for Mineral Resources in Romania (or other applicable Romanian government entity) of the maintenance of the validity of Serinus' Petroleum Concession Agreement for the purposes of Article 34(5) of the Romanian Petroleum law no. 238/2004, or written confirmation from such body that the Acquisition should not be referred for review under such law; and
- the authorisation by the Romanian Competition Council of the foreign direct investment in Romania entailed by the Acquisition (whether unconditionally or with such conditions as are acceptable to Xtellus and Serinus (acting reasonably and in good faith), thereby satisfying the requirements of the Romanian Governmental Emergency Ordinance no. 46/202, or confirmation by such body that the Acquisition should not be referred for review under such ordinance.

3. Background to and reasons for the Acquisition

Xtellus observes the withdrawal of capital from UK-listed small cap oil & gas stocks and the comparatively low sector valuation and views this as an opportune time to acquire oil & gas assets and provide them with the necessary private capital for growth.

Serinus, whilst delivering well on its goals, has failed to gain reward or recognition of that from the market and continues to trade at a depressed share price. Meanwhile, maintaining Serinus' listing on AIM and the WSE imposes significant extra cost for a company of its size, having a market capitalisation of approximately £3.8 million as at the Latest Practicable Date, whilst providing little incremental benefit with regard to capital access. This has led Xtellus to believe that Serinus would be better placed as a private business with access to capital that will be provided through Xtellus to pursue opportunities beyond Serinus' current reach.

The Acquisition, if it becomes Effective, would provide Serinus Shareholders with an immediate realisation of value in cash for their Serinus Shares at a premium to the Closing Price as at the Latest Practicable Date, and an opportunity to realise value despite the limited liquidity of Serinus Shares.

4. Recommendation

The Serinus Directors, who have been so advised by Shore Capital as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its financial advice, Shore Capital has taken into account the commercial assessments of the Serinus Directors.

Accordingly, the Serinus Directors intend unanimously to recommend that Serinus Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting which are to be convened to approve the Acquisition, as the Serinus Directors have irrevocably undertaken to do in respect of their own beneficial shareholdings in Serinus which amount in aggregate to 6,784,954 Serinus Shares, representing approximately 4.59 per cent. of the existing issued share capital of Serinus on 21 March 2025 (excluding Treasury Shares) (being the last Business Day prior to the date of this Announcement).

5. Background to and reasons for the recommendation

Serinus operates and produces within Romania and Tunisia and holds three concessions in total; one in Romania (Satu Mare) and two within Tunisia (Sabria and Chouech Es Saida). Each concession is producing and both jurisdictions hold multiple highly prospective exploration opportunities.

The Moftinu Gas Project, which has been in production since 2019 and is located in Satu Mare, has produced approximately 9.5 Bcf and \$94.5 million of revenue at the end of 2024. Additionally, the concession has been covered by legacy 2D seismic and augmented by Serinus' own 3D and 2D acquisition programmes which has further refined the prospect opportunities. In 2023, following a programme of reinterpretation of the 2D seismic, Serinus collated this analysis for a block-wide review and identified a clear pathway towards future exploration growth.

The Sabria field in Tunisia, and the largest asset in Serinus' Tunisian portfolio, with only 8 wells having been drilled on the concession area and less than 2% of the 445mmboe in place having been produced the field is considered to be underdeveloped. Serinus is currently implementing a workover programme to install pumps at its Sabria W-1 site. The Sabria field has produced since the mid-1980s under its natural reservoir pressures. No enhanced production techniques have been applied. Serinus has commissioned third-party independent experts to analyse a programme of artificial lift whereby pumps would be installed in existing wells to enhance the production. The plans are anticipated to significantly increase production in the near-term.

The Chouech Es Saida ("Chouech") concession, a mature oilfield located in southern Tunisia, holds four producing wells, three of which are produced using artificial lift. Chouech has gas exploration opportunities underlying the oilfield and upon successful exploration Serinus believes these can be developed in the medium term.

An ongoing dispute with the Romanian tax authorities relating to the refund of VAT of a defaulted joint venture party was resolved in February 2024. Payment is pending from the Romanian authorities. The funds from the outstanding VAT litigation as well as funds raised in late 2024 have strengthened Serinus' balance sheet. Serinus is ready to progress and accelerate its artificial lift programmes as well as further explore its prospect opportunities.

On 4 February 2025, Xtellus made a conditional non-binding offer to acquire the issued and to be issued share capital of Serinus. Discussions since that date have led to Xtellus and Serinus agreeing a price of 3.4 pence per share, an increase to the original offer value.

In considering the financial terms of the Acquisition and determining whether they reflect an appropriate valuation of Serinus and its future prospects, the Serinus Directors took into account a range of factors including that:

- the Acquisition provides an opportunity for Serinus Shareholders to crystallise, in cash, the value of their investment in Serinus at a significant premium to the undisturbed market valuation. The premium offered pays due regard to the strengths of Serinus and its prospects but also recognises significant future requirement for capital to realise those prospects;
- the terms of the Acquisition represent an attractive premium of approximately:
- 30.8 per cent. to the closing price on 21 March 2025 (being the latest practicable date prior to the date of this announcement);
- 41.7 per cent. to the closing price per Serinus Share of 2.4 pence on 7 February 2025 (being the last Business day before the Acquisition proposal was made to Serinus);
- 33.3 per cent. to the volume weighted average price for the 30-day period to 21 March 2025 (being the latest practicable date prior to the date of this announcement); and
- The Serinus Board recognises that the market for Serinus Shares is illiquid. This illiquidity has resulted in the failure of the share price to reflect news, good or bad, in the value of the business. This underperformance of the share price over the past few years combined with a lack of proper liquidity has made it challenging for Serinus Shareholders to monetise their holdings should they so wish. The Acquisition provides Serinus Shareholders the opportunity for an immediate, certain and attractive realisation of cash.

In considering the intention to recommend the Acquisition to Serinus Shareholders, the Serinus Directors have given due consideration to the intentions of Xtellus for the Swift's management and employees.

The Serinus Directors acknowledge that Xtellus is intending to formulate a more detailed long-term strategic and operational plan following the successful completion of the Acquisition and welcomes Xtellus' increased focus on inorganic growth opportunities.

The Serinus Directors note that Xtellus intends to seek operating cost benefits primarily derived to those relating to being a publicly quoted company, and that this may lead to headcount reductions. The Serinus Directors also note that the outcome of Xtellus' strategic review could result in the winding up of Serinus' Romanian operations, which could lead to the closure of Serinus' Romanian office, and other physical in country presence, and this may lead to headcount reductions. The Serinus Directors welcome Xtellus' intention to safeguard the existing statutory and contractual employments rights of Serinus employees and management following completion of the Acquisition, and the continuation of Serinus as an autonomous, standalone business.

Given that detailed integration and strategic plans will still need to be finalised following the successful completion of the Acquisition, the Serinus Directors are unable to express a more detailed opinion on the impact of the Acquisition on Serinus' management, employees and office locations.

The Serinus Directors further note Xtellus' confirmation that it does not intend to create any research and development functions and also notes that Xtellus has no firm plans to redeploy the fixed assets or move the headquarters of Serinus.

Overall, the board of directors of Serinus believes that the Acquisition represents an attractive premium and accelerates, without further capital investment, time or operational risk, the delivery to shareholders of Serinus' future value potential.

6. Irrevocable undertakings

Xtellus has received irrevocable undertakings from the Serinus Directors, holding in aggregate, 6,784,954 Serinus Shares representing approximately 4.59% of the existing issued ordinary share capital of Serinus as at 21 March 2025 (being the last Business Day prior to publication of this Announcement) to vote, or procure that their nominees vote, in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting.

Xtellus has also received irrevocable undertakings from certain other Serinus Shareholders holding, in aggregate, 14,493,642 Serinus Shares representing approximately 9.81% of the existing issued ordinary share capital of Serinus as at 21 March 2025 (being the last Business Day prior to publication of this Announcement) to vote, or procure that their nominees vote, in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting.

Therefore, Xtellus has received irrevocable undertakings in respect of, in aggregate, 21,278,596 Serinus Shares representing approximately 14.4% of the existing issued ordinary share capital of Serinus as at 21 March 2025 (being the last Business Day prior to publication of this Announcement).

Further details of these irrevocable undertakings and letters of intent are set out in Appendix 3 to this Announcement.

8. Information on Serinus

Serinus is an international oil company with operations in Romania and Tunisia. It holds three concessions in total; one in Romania (Satu Mare) and two within Tunisia (Sabria and Chouech Es Saida). Each concession is producing and both jurisdictions hold multiple highly prospective exploration opportunities.

The Satu Mare Concession area includes the Moftinu Gas Project which was brought on production in April 2019. In addition to the Moftinu Gas Development Project the Satu Mare Concession (the “Moftinu Gas Project”) holds several highly prospective exploration plays. The concession is extensively covered by legacy 2D seismic, augmented by the group’s own 3D and 2D acquisition programs that have further refined the identified prospects.

The largest asset in Serinus’ Tunisian portfolio is the Sabria field. Serinus considers this historically under-developed field to be an excellent asset for development work to significantly increase production in the near-term. Serinus has embarked on an artificial lift programme whereby the first pumps in the Sabria field will be installed. The Chouech concession in southern Tunisia holds a producing oilfield that produces from four wells, three of which are produced using artificial lift. Chouech is a mature oilfield that benefits from active production management. Underlying this oilfield are significant gas prospects. These prospects lie in a structure that currently produces gas in an adjacent block. Exploration of these lower gas zones became commercially possible with the recent construction of gas transportation infrastructure in the region. Upon exploration success these prospects can be developed in the medium term, with the ability to access the near-by under-utilised gas transmission capacity.

9. Xtellus' strategic plans and intentions for Serinus

Xtellus holds in very high regard the reputation of Serinus’ management and employees. Xtellus recognises the successful efforts of Serinus’ management and employees in stewarding the company’s key assets in Tunisia and Romania, but Xtellus believes that a company of Serinus’ size, with a market capitalisation of approximately £3.8 million (at the Latest Practicable Date) is better placed as a private company than listed on a stock exchange.

Upon completion of the Acquisition, Serinus will benefit from having greater capital support from Xtellus, and Xtellus intends to review Serinus’ current operations and formulate more detailed long-term strategic and operational plans for Serinus. The parameters have not yet been finalised, but Xtellus expects that there will be an increased focussed on high return inorganic growth opportunities and could include geographic expansion in the regions of North America, South America and North Africa.

Based on Xtellus’ current understanding of Serinus’ operations, Xtellus envisions the operations in Tunisia to remain in its current form. Serinus’ Romanian operations are understood to be close to the end of asset life and expected to be wound up in the near-term if there is no additional capital investment. Xtellus envisions to only to invest additional capital into Serinus’ Romanian operations if it meets its return requirements and if there are no competing higher return growth opportunities to pursue.

Directors, management and employees

Xtellus attaches great importance to the skills, knowledge, and expertise of Serinus’ management and employees and, subject as set out below, expects that the existing management and employees of Serinus will contribute and be key to its future long-term success.

Following completion of the Acquisition, certain functions related to Serinus’ status as a publicly quoted company listed on AIM and the WSE may no longer be required or will be reduced in size to reflect Serinus ceasing to be a publicly quoted company. Xtellus has not yet fully developed proposals as to

how such potential changes will be implemented but it intends, where possible, to reassign individuals who may be affected by those changes to other appropriate roles within Serinus following completion of the Acquisition and will work with Serinus' management to achieve this.

It is expected that the non-executive directors of Serinus will resign as directors of Serinus with effect from completion of the Acquisition.

As Serinus' operations expand under Xtellus' ownership, additional business support functions for Serinus may be required, but this is subject to the strategic review discussed above.

Other than the changes to the Serinus board and to the publicly quoted company related functions described above, and subject to the strategic review discussed above, Xtellus does not intend to make any material reduction to the headcount, or any material change to the conditions of employment or to the balance of skills or functions, of Serinus' employees or management. If the outcome of the strategic review results in winding up Serinus' Romanian operations, this could impact up to 15 employees of Serinus, which represents 16.25 per cent. of Serinus' total workforce.

Any headcount reductions would be carried out in accordance with applicable law (including, in jurisdictions where relevant, informing and consulting obligations).

Management incentivisation and retention arrangements

Following the Scheme becoming Effective, Xtellus intends to review Serinus' management and employee incentive structures. Xtellus has not entered into and has not had discussions on proposals to enter into any form of incentivisation arrangements with members of Serinus' management or employees but intends to have discussions with respect to such arrangements following the Effective Date.

Locations, headquarters, fixed assets and research and development

Following the Scheme becoming effective, Xtellus intends for Serinus to continue to operate as an autonomous, standalone business, led by its own management team. Xtellus intends to make changes to certain head office functions due to the reduction of publicly quoted company related functions.

Xtellus intends that Serinus will maintain its current headquarter offices in London, United Kingdom. Changes to the locations of Serinus' places of business and the redeployment of Serinus' fixed asset base are subject to the strategic review discussed above. If the outcome of the strategic review results in winding up Serinus' Romanian operations, this could lead to the retirement of Serinus' Romanian concession, Serinus' Romanian office, and other physical in country presence.

Serinus does not have a research and development function, and Xtellus has no plans in this regard.

Pension schemes

Xtellus confirms that, following the Scheme becoming Effective, the existing contractual and statutory rights of all Serinus management and employees will be honoured and will be fully safeguarded in accordance with applicable law.

Serinus and certain of its subsidiaries make contributions to defined contribution pension schemes on behalf of a number of qualifying employees and Xtellus intends that these arrangements would remain in place. Xtellus does not intend to make any material changes to the current employer pension contribution arrangements.

Trading Facilities

The Serinus Shares are currently admitted to trading on AIM and on the WSE and, as set out in paragraph 15 below, it is intended that an application will be made to the London Stock Exchange for the cancellation of admission to trading of the Serinus Shares on AIM, and to the PFSA for the

cancellation of admission to trading of the Serinus Shares on WSE, in each case to become effective as soon as practicable after the Effective Date.

It is intended for the last day of dealings in Serinus Shares on AIM and on the WSE to be the last Business Day prior to the Effective Date and no transfers will be registered after 6.00 p.m. (London time) on that date.

It is also intended that, following the Effective Date and cancellation, Serinus will be re-registered as a private company under the Jersey Companies Law.

On the Effective Date, all of the Serinus Shares will become owned by Xtellus and any share certificates in respect of those Serinus Shares will cease to be valid and of value and should be destroyed. In addition, entitlements to Serinus Shares held within the CREST system and the Polish National Deposit of Securities will be cancelled.

No statements in this paragraph 9 constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

10. Serinus Share Plans

Any participant in the Share Plans will be contacted regarding the effect of the Acquisition on their rights under the Share Plans and, where required, appropriate proposals shall be made to such participants pursuant to Rule 15 of the Takeover Code in due course.

Further details of the terms of such proposals shall be included in the Scheme Document (or, if Xtellus has elected (with the consent of the Panel and subject to the terms of the Cooperation Agreement) to exercise its right to implement the Acquisition by way of a Takeover Offer, the Offer Document) and in separate letters to be sent to participants in the Share Plans.

11. Arrangements between Xtellus and Serinus Management

Xtellus intends to retain Serinus' Chief Executive Officer, Jeffrey Auld, Chief Operating Officer, Stuart Morrison, Chief Financial Officer, Vladislav Ryabov, Vice President of External Relations & Strategy, Calvin Brackman, President of Serinus Energy Romania S.A, Alexandra Damascan, President of Serinus Energy Tunisia B.V., Haithem Ben Hassen and Head of Corporate Administration, Rhonda Yaniw.

12. Financing

The consideration necessary to satisfy the Acquisition in full will be funded from Xtellus' existing cash resources.

H&P Advisory Ltd, financial adviser to Xtellus, confirms that it is satisfied that sufficient resources are available to Xtellus to satisfy in full the cash consideration payable to Serinus Shareholders under the terms of the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

13. Offer-related Arrangements

Cooperation Agreement

Pursuant to the Cooperation Agreement dated on the date of this Announcement, Xtellus has agreed to provide Serinus with such information, assistance and access as may reasonably be required for the preparation of the Scheme Document and certain confirmations in relation to the Scheme. The Cooperation Agreement records Xtellus and Serinus' intention to implement the Acquisition by way of the Scheme, subject to the ability of Xtellus to implement the Acquisition by way of a Takeover Offer in the circumstances described in the Cooperation Agreement. Xtellus and Serinus have also agreed to

certain customary provisions if Xtellus elects to implement the Acquisition by means of a Takeover Offer and have agreed certain arrangements in respect of the Share Plans, as well as directors' and officers' insurance. In addition, Serinus has agreed to use reasonable efforts to satisfy, or procure the satisfaction of, the Conditions (including those relating to receipt of regulatory and foreign direct investment clearances in Romania) as soon as is reasonably practicable and in any event, so as to enable the Effective Date to occur by the Long Stop Date.

The Cooperation Agreement will terminate in certain circumstances, including (but not limited to) (i) upon written notice served by Xtellus where: (a) the Serinus Directors recommend a competing proposal or a competing proposal becomes effective or is declared unconditional; and/or (b) if the recommendation of the Acquisition by the Serinus Directors changes; (ii) upon written notice served by Xtellus to Serinus where, prior to the Long Stop Date, a Condition which is either not capable of being waived or, where capable of being waived Xtellus has confirmed that it will not waive said Condition, becomes incapable of satisfaction by the Long Stop Date in circumstances where invocation of the relevant Condition is permitted by the Panel; (iii) the Acquisition is withdrawn, terminates or lapses in accordance with its terms; (iv) upon written notice by either Xtellus or Serinus if the Scheme and/or Resolution(s) are not approved at the General Meeting; or (v) if the parties agree in writing.

14. Structure of the Acquisition

It is intended that the Acquisition will be implemented by means of a court-sanctioned scheme of arrangement between Serinus and the Scheme Shareholders under Article 125 of the Jersey Companies Law. The purpose of the Scheme is to provide for Xtellus to become the owner of the entire issued and to be issued share capital of Serinus. In order to achieve this, the Scheme Shares will be transferred to Xtellus under the Scheme. In consideration for this transfer, the Scheme Shareholders will receive cash on the basis set out in paragraph 2 of this Announcement. The transfer to Xtellus of the Scheme Shares will result in Serinus becoming a wholly owned subsidiary of Xtellus. The Acquisition is subject to the Conditions and further terms set out in Appendix 1 of this Announcement and to be set out in the Scheme Document.

In order for the Scheme to become Effective:

- the Scheme must be sanctioned by Serinus Shareholders by the passing of a resolution at the Court Meeting. This resolution must be approved by a majority in number of the Serinus Shareholders (or relevant classes thereof, if applicable) present and voting at the Court Meeting, and any separate class meeting(s) which may be required by the Court (or any adjournment of such meetings) either in person or by proxy, representing not less than 3/4ths of the voting rights of the Serinus Shares held by such Serinus Shareholders (or relevant classes thereof);
- Resolutions to deal with certain ancillary matters in connection with the Scheme must be passed at the General Meeting to be held immediately after the Court Meeting;
- following the Court Meeting, the Scheme must also be sanctioned by the Court (with or without modification, on terms reasonably acceptable to Serinus and Xtellus); and
- following the sanction by the Court, the Court Order must be delivered to the Registrar of Companies for registration.

The Scheme will only become Effective if, among other things, the events described in the paragraph immediately above occur no later than the Long Stop Date.

Additionally, the Scheme will lapse if, amongst other things:

- the Court Meeting and General Meeting are not held on or before the 22nd day after the expected date of such meetings, which will be set out in the Scheme Document in due course (or such later date as may be agreed by Xtellus and Serinus with the consent of the Panel and, if required, the Court);

- the Court Sanction Hearing is not held on or before the 22nd day after the expected date of such hearing, which will be set out in the Scheme Document in due course (or such later date as may be agreed by Xtellus and Serinus with the consent of the Panel and, if required, the Court); or
- the Scheme does not become Effective on or before the Long Stop Date.

Excluded Shares (including any Serinus Shares registered in the name of, or beneficially owned by, Xtellus or any other member of the Wider Xtellus Group or their respective nominees) may not be voted at the Court Meeting.

Serinus Shareholders are entitled to attend and be heard at the Court Sanction Hearing, either in person or through a Jersey advocate, to support or oppose the Scheme, and may also submit written statements regarding the Scheme for the Court's consideration in accordance with instructions to be provided in the Scheme Document.

Once the Scheme becomes Effective, it will be binding on all Scheme Shareholders, whether or not they voted at the Court Meeting and the General Meeting and, if they did vote, whether or not they voted in favour of or against the resolutions proposed at those meetings. The terms of the Scheme will provide that the Serinus Shares will be acquired under the Scheme fully paid and free from all liens, equitable interests, charges, encumbrances, options, rights of pre-emption and any other third party rights or interests of any nature whatsoever and together with all rights attaching thereto, including the right to receive and retain all dividends and other distributions and returns of value declared, paid or made after the Effective Date.

If any dividend or other distribution or return of value is proposed, declared, made, paid or becomes payable by Serinus in respect of a Serinus Share on or after the date of this Announcement and prior to the Scheme becoming Effective, Xtellus will have the right to reduce the value of the consideration payable for each Serinus Share by up to the amount per Serinus Share of such dividend, distribution or return of value except where the Serinus Share is or will be acquired pursuant to the Scheme on a basis which entitles Serinus to receive the dividend, distribution or return of value and to retain it.

If any such dividend, distribution or return of value is paid or made after the date of this Announcement and Xtellus exercises its rights described above, any reference in this Announcement to the consideration payable under the Scheme shall be deemed to be a reference to the consideration as so reduced. Any exercise by Xtellus of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.

Further details of the Scheme, including an indicative timetable for its implementation, will be set out in the Scheme Document. It is expected that the Scheme Document will be despatched to Serinus Shareholders by 21 April 2025.

Xtellus reserves the right, subject to the prior consent of the Panel, to elect to implement the acquisition of the Serinus Shares by way of a Takeover Offer. In such event, such Takeover Offer will be implemented on the same terms (subject to appropriate amendments as described in Part 2 of Appendix 1), so far as applicable, as those which would apply to the Scheme. Furthermore, if such offer is made and sufficient acceptances of such offer are received, when aggregated with Serinus Shares otherwise acquired by Xtellus, it is the intention of Xtellus to apply the provisions of Part 18 of the Jersey Companies Law to acquire compulsorily any outstanding Swift Shares to which such offer relates.

15. Cancellation of trading and re-registration

AIM

It is intended that the London Stock Exchange will be requested to cancel admission of the Serinus Shares to trading on AIM to become effective as soon as practicable after the Effective Date.

It is expected that the last day of dealings in Serinus Shares on AIM will be the last Business Day prior to the Effective Date and no transfers will be registered after 6.00 p.m. (London time) on that date.

WSE

It is intended that subject to PFSA permission for the Serinus delisting, the Warsaw Stock Exchange will be requested to cancel admission of the Serinus Shares to trading on WSE to become effective as soon as practicable after the Effective Date.

It is intended for the last day of dealings in Serinus Shares on AIM and on the WSE to be the last Business Day prior to the Effective Date and for no transfers to be registered after 6.00 p.m. (London time or Warsaw time, as the case may be) on that date

It is also intended that, following the Effective Date and cancellation, Serinus will be re-registered as a private company under the Jersey Companies Law.

On the Effective Date, all of the Serinus Shares will become owned by Xtellus and any share certificates in respect of those Serinus Shares will cease to be valid and of value and should be destroyed. In addition, entitlements to Serinus Shares held within the CREST and the *Polish National Deposit of Securities* systems will be cancelled.

16. Disclosure of interests in Serinus

As at the Latest Practicable Date, Xtellus had an interest in 44,308,324 Serinus Shares, representing 29.98% of the issued share capital of Serinus.

Save as set out above, as at the close of business on the Latest Practicable Date prior to the date of this Announcement, and so far as Xtellus is aware, neither Xtellus nor any of its directors or any person acting, or deemed to be acting, in concert (within the meaning of the Takeover Code) with Xtellus:

- had any interest in, or right to subscribe for, or had any arrangement in relation to, Serinus Shares or any relevant securities of Serinus;
- had any short position in relation to any Serinus Shares or any relevant securities of Serinus, whether conditional or absolute and whether in the money or otherwise, including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, any Serinus Shares or any relevant securities of Serinus;
- had any dealing arrangement of the kind referred to in Note 11 on the definition of "acting in concert" in the Takeover Code, in relation to Serinus Shares or in relation to any securities convertible or exchangeable into Serinus Shares;
- had procured an irrevocable commitment or letter of intent to accept the terms of the Acquisition in respect of Serinus Shares or any relevant securities of Serinus; or
- has borrowed or lent any Serinus Shares or relevant securities of Serinus (including, for these purposes, any financial or collateral arrangements of the kind referred to in Note 3 on Rule 4.6 of the Takeover Code).

"Interests in securities" for these purposes arise, in summary, where a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who has a short position in securities is not treated as interested in those securities). In particular, a person shall be treated as having an "interest" by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

17. Dividends

If, on or after the date of this Announcement, any dividend, distribution, or other return of capital or value is declared, made or paid, or becomes payable by Serinus, Xtellus reserves the right to reduce the Acquisition Price by the amount of any such dividend, distribution, or other return of capital or value. In such circumstances, Serinus Shareholders shall be entitled to retain any such dividend, distribution, or other return of capital or value declared, made, or paid.

18. General

Xtellus reserves the right to elect (with the consent of the Panel and subject to the terms of the Cooperation Agreement) to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of Serinus as an alternative to the Scheme.

In such event, the Takeover Offer shall be implemented on substantially the same terms, so far as applicable, and subject to the terms of the Cooperation Agreement, as those which would apply to the Scheme, subject to appropriate amendments, including, without limitation, the inclusion of an acceptance condition set (subject to the Cooperation Agreement) at a level permitted by the Panel. Further, if sufficient acceptances of the Takeover Offer are received and/or sufficient Serinus Shares are otherwise acquired to do so, it would be the intention of Xtellus to apply the provisions of Part 18 of the Jersey Companies Law to acquire compulsorily any outstanding Serinus Shares to which the Takeover Offer relates.

The Acquisition shall be made subject to the Conditions and further terms set out in Appendix 1 to this Announcement and to be set out in the Scheme Document. The bases and sources of certain financial information contained in this Announcement are set out in Appendix 2 to this Announcement. Certain terms used in this Announcement are defined in Appendix 4 to this Announcement.

It is expected that the Scheme Document will be published as soon as reasonably practicable and in any event within 28 days of this Announcement or such later date as Serinus, Xtellus and the Panel agree, and that the Court Meeting and the General Meeting will be held as soon as practicable thereafter. It is expected that the Scheme will become Effective in the second quarter of 2025. The Scheme Document and Forms of Proxy will be made available to Serinus Shareholders at no charge to them.

Each of H&P and Shore Capital have given and not withdrawn their respective consent to the publication of this Announcement with the inclusion herein of the references to their names in the form and context in which it appears.

Notice to US Serinus Shareholders

The Acquisition is being made to acquire the securities of a Jersey company by means of a members' scheme of arrangement provided for under Jersey Companies Law. Serinus is a "foreign private issuer" as defined under Rule 3b-4 under the US Exchange Act. A transaction effected by a foreign private issuer by means of a members' scheme of arrangement is not subject to the shareholder vote, proxy solicitation or tender offer rules under the US Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements and practices applicable in Jersey to schemes of arrangement, which differ from the disclosure requirements of the US shareholder vote, proxy solicitation and tender offer rules and the US Securities Act. If, in the future, Xeno exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable laws and regulations of the United Kingdom, Jersey and the United States, including any applicable exemptions under the US Exchange Act.

Financial information included in this Announcement has been or will have been prepared in accordance with IFRS and may not therefore be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If Xeno were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with applicable US laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by Bidco and no one else.

In the event that the Acquisition is implemented by way of Takeover Offer, in accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Xeno or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase Serinus Shares outside of the United States, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

Neither the SEC nor any state securities commission has reviewed, approved or disapproved this Announcement, the Scheme or any of the proposals described herein, or passed upon or determined the adequacy or accuracy of the information contained in this Announcement or disapproved or passed judgment upon the fairness or the merits of the Acquisition. Any representation to the contrary is a criminal offence in the United States.

The receipt of cash consideration by a US holder for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. In addition, Serinus Shareholders may be required to provide an applicable IRS Form W-8 or W-9 in order to prevent any backup withholding tax on the cash consideration. Each Serinus Shareholder is urged to consult his, her or their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him, her or it, including under applicable United States state and local, as well as foreign and other, tax laws.

Serinus is formed under the laws of Jersey. In addition, some or all of its officers and directors reside outside the US, and some or all of its assets are or may be located in jurisdictions outside the US. Therefore, investors may have difficulty effecting service of process within the US upon those persons or recovering against Serinus or its officers or directors on judgments of US courts, including judgments based upon the civil liability provisions of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment. It may not be possible to sue Serinus or its officers or directors in a non-US court for violations of US securities laws.

In addition, some or all of its officers and directors reside outside Poland, and some or all of its assets are or may be located in jurisdictions outside Poland. Therefore, investors may have difficulty effecting service of process within Poland upon those persons or recovering against Serinus or its officers or directors on judgments of Polish courts, including judgments based upon the civil liability provisions of Polish laws. Forward-looking Statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Xtellus and Serinus contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Xtellus and Serinus about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on Xtellus and Serinus (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "cost saving", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Xtellus' and Serinus', any member of the Xtellus Group or any member of the Serinus Group's, operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Xtellus' and Serinus', any member of the Xtellus Group or any member of the Serinus Group's, business.

Although Xtellus and Serinus believe that the expectations reflected in such forward-looking statements are reasonable, Xtellus and Serinus can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; changes in the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Xtellus and Serinus operate; weak, volatile or illiquid capital and/or credit markets; changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Xtellus and Serinus operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither Xtellus nor Serinus, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this Announcement. All subsequent oral or written forward-looking statements attributable to any member of the Xtellus Group or the Serinus Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Other than in accordance with their legal or regulatory obligations, neither Xtellus nor Serinus is under any obligation, and Xtellus and Serinus expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

General

Xtellus reserves the right to elect, with the consent of the Panel (where necessary) and subject to the terms of the Cooperation Agreement, to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments).

If the Acquisition is effected by way of a Takeover Offer, and the Takeover Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Xtellus intends to exercise its rights to apply the provisions of Part 18 of the Jersey Companies Law so as to acquire compulsorily the remaining Serinus Shares in respect of which the Takeover Offer has not been accepted.

Investors should be aware that Xtellus may purchase Serinus Shares otherwise than under any Takeover Offer or the Scheme, including pursuant to privately negotiated purchases.

The Acquisition will be subject to English law, the jurisdiction of the English courts, and the applicable requirements of the Jersey Companies Law, the Takeover Code, the Panel, the London Stock Exchange, the FCA and the AIM Rules. The Scheme will be governed by Jersey law and will be subject to the jurisdiction of the Court. The Scheme will also be subject to the applicable requirements of the Takeover Code and the Panel.

Part B

Further terms of the Acquisition

1. Subject to the requirements of the Panel and the Takeover Code, Xtellus reserves the right in its sole discretion to waive in whole or in part, all or any of the Conditions set out in Part A of this Appendix 1, except Conditions 1 and 2, which cannot be waived. The deadlines set out in Conditions 1 and 2 may be extended to such later date as may be agreed: (a) in writing by Xtellus and Serinus; or (b) (in a competitive situation) specified by Xtellus with the consent of the Panel, and in either case with the approval of the Court, if such approval is required. If any such deadline is not met, Xtellus shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked the relevant Condition, waived the relevant deadlines or agreed with Serinus (or, as the case may be, the Panel) to extend the relevant deadline in relation to the relevant Condition. Conditions 2.1, 2.2, 3 and 4 must be fulfilled, be determined by Xtellus to be or remain satisfied or (if capable of waiver) be waived by Xtellus by 11.59 p.m. on the date immediately preceding the Court Sanction Hearing.
2. Xtellus shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions in Part A of Appendix 1 above that are capable of waiver by a date earlier than the latest date for the fulfilment of that Condition notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
3. Under Rule 13.5(a) of the Takeover Code and subject to paragraph 4 below, Xtellus may not invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Xtellus in the context of the Acquisition with the consent of the Panel. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.
4. Conditions **Error! Reference source not found.** and 2 in Part A of Appendix 1 above, and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Takeover Code. Xtellus may only invoke a Condition that is subject to Rule 13.5(a) with the consent of the Panel and any Condition that is subject to Rule 13.5(a) may be waived by Xtellus.
5. If the Panel requires Xtellus to make an offer or offers for Serinus Shares under the provisions of Rule 9 of the Takeover Code, Xtellus may make such alterations to the Conditions as are necessary to comply with the provisions of that Rule.
6. Xtellus reserves the right to elect to implement the Acquisition by way of a Takeover Offer (as defined in Article 116 of the Jersey Companies Law) as an alternative to the Scheme, subject to the Panel's consent (where necessary) and the terms of the Cooperation Agreement. In such event, the Takeover Offer will be implemented on the same terms and conditions so far as is applicable (and subject to the terms of the Cooperation Agreement), as those which would apply to the Scheme (subject to appropriate amendments), including (without limitation) an acceptance condition set at 75% of the Serinus Shares on a fully diluted basis (or such other percentage as Xtellus and Serinus may agree in accordance with the terms of the Cooperation Agreement) and, to the extent necessary with the consent of the Panel, being in any case more than 50% of the voting rights attaching to the Serinus Shares (or any amendments required by, or deemed appropriate by, Xtellus under applicable law or any amendments necessary to reflect the Takeover Offer) as those that would apply to the Scheme. If the Acquisition is effected by way of a Takeover Offer, and such Takeover Offer becomes or is declared unconditional and sufficient acceptances are received in respect of the Takeover Offer, Xtellus intends to exercise its

rights to apply the provisions of Part 18 of the Jersey Companies Law so as to acquire compulsorily the remaining Serinus Shares in respect of which the Takeover Offer has not been accepted.

7.
