If you are in any doubt about the Acquisition, as to the contents of this Document or what action you should take, you are recommended to seek your own financial advice immediately from your stockbroker, bank manager, accountant or other independent financial adviser authorised under the Financial Services and Markets Act 2000, if you are in the United Kingdom, or from another appropriately authorised independent financial adviser if you are taking advice in a territory outside the United Kingdom. However, such documents should not be forwarded, distributed or otherwise transmitted in, into or from any jurisdiction in which such act would constitute a violation of the relevant laws of such jurisdiction. The release, publication or distribution of this Document and any accompanying documents (in whole or in part) in, into or from jurisdictions other than Jersey, the United Kingdom, Canada and the United States may be restricted by the laws of those jurisdictions and therefore persons into whose possession this Document comes should inform themselves about, and observe, any such restrictions. XTELLUS CAPITAL PARTNERS, INC.

to be effected by means of a scheme of arrangement under Article 125 of the Companies (Jersey) Law 1991 (as amended)

This Document (including all information incorporated into this Document by reference to another source) should be read as a whole and in conjunction with the Forms of Proxy.

Your attention is drawn to Part I (*Letter From the Chairman of Serinus*) of this Document, which contains the recommendation of the Serinus Directors that you vote in favour of the Scheme Resolution at the Court Meeting and the Resolution to be proposed at the General Meeting of Serinus. A letter from Shore Capital explaining the Scheme appears in Part II (*Explanatory Statement*) of this Document. This comprises an explanatory statement in compliance with Article 126 of the Jersey Companies Law.

Notices of the Court Meeting and General Meeting, which will be held at Serinus' registered office, 2nd Floor, The Le Gallais Building, 54 Bath Street, St Helier, Jersey, JE1 1FW on 1 May 2025, are set out in Part VIII (*Notice of Court Meeting*) and Part IX (*Notice of General Meeting*) of this Document respectively. The Court Meeting will start at 12:30 p.m. (BST) on that date, and the General Meeting at 12:45 p.m. (BST) on that date or as soon thereafter as the Court Meeting is concluded or adjourned.

If you hold your Serinus Shares in uncertificated form (i.e. in CREST), you may vote using the CREST proxy voting service in accordance with the procedures set out in the CREST Manual (please also refer to the accompanying notes to the Notice of the General Meeting set out in Part VIII (*Notice of Court Meeting*) and Part IX (*Notice of General Meeting*) of this document). Proxies submitted via CREST (under CREST participant ID 3RA50) must be received by Serinus' registrar, Computershare, not later than 6:30 p.m. (BST) on 29 April 2025, or, in the case of any adjournment, not later than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the holding of the adjourned Meeting.

Action to be taken by Serinus Shareholders is set out on pages 10 to 12 and at paragraph 18 of Part II (*Explanatory Statement*) of this Document. Whether or not they intend to attend the Court Meeting and/or the General Meeting, Serinus Shareholders are asked to complete and return the enclosed BLUE and WHITE Forms of Proxy in accordance with the instructions printed thereon (or appoint a proxy electronically, as referred to in this Document) as soon as possible, but in any event so as to be received by Computershare Investor Services (Jersey) Limited, not later than 6:30 p.m. (BST) on 29 April 2025, or in the case of any adjournment, not later than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the holding of the adjourned Meeting.

If a Form of Proxy is not returned by Serinus Shareholders so as to be received by the time mentioned above, it may be handed to the Chair of the Meeting before the start of that Meeting and will still be valid.

The entire cost of the solicitation of proxies to be used at the Court Meeting and the General Meeting will be borne by Serinus. Serinus has designated the Chair as the person whom Serinus Shareholders may appoint as their proxy. Serinus Shareholders are strongly encouraged to appoint the Chair of each of the Court Meeting and the General Meeting as their proxy. If a Serinus Shareholder wishes to appoint an individual other than the Chair to represent such Serinus Shareholder at the Court Meeting and/or General Meeting, such Serinus Shareholder may do so by crossing out the Chair on the Form of Proxy and inserting the name of that other individual in the blank space provided on the Form of Proxy. A proxyholder need not be a shareholder of Serinus. If a Serinus Shareholder is a corporation, its proxy must be executed by a duly authorized officer or properly appointed attorney.

It is important that, for the Court Meeting in particular, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of opinion of Serinus Shareholders. Whether or not you intend to attend and/or vote at the Court Meeting, Serinus Shareholders are strongly advised to sign and return your BLUE Form of Proxy or transmit a proxy appointment for the Court Meeting electronically.

If you receive more than one Form of Proxy because you own Scheme Shares or Serinus Shares registered in different names or addresses, the relevant Form of Proxy should be completed and returned in respect of each name and address.

How to Change Your Vote

Serinus Shareholders can also change their vote by sending in another properly completed and signed Form of Proxy with a later date, as long as it is received by 6:30 p.m. (BST) on 29 April 2025, or if a Meeting is adjourned, not later than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the adjourned Meeting.

The securities represented by the accompanying Forms of Proxy will be voted at the Meetings, and where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for. In the absence of such specification, proxies in favour of the Chair of each of the Court Meeting and the General Meeting will be voted in favour of the Scheme Resolution at the Court Meeting and in favour of the Resolution to be proposed at the General Meeting.

Record Date

The Serinus Board has approved 6 p.m. (BST) on 3 April 2025 as the record date (the “**Record Date**”) for the determination of Serinus Shareholders entitled to notice of the Court Meeting and Serinus Shareholders entitled to notice of the General Meeting and at any adjournment or postponement thereof. Serinus Shareholders of record at 6 p.m. (BST) on the Record Date are entitled to receive notice of the Court Meeting and the General Meeting. This Document (which includes the notices of the Court Meeting and General Meeting) and the Forms of Proxy are being mailed to Serinus Shareholders of record as at the Record Date and will be made available online under Serinus’ profile on SEDAR+ at www.sedarplus.ca. If you have sold or otherwise transferred part of your holding of or interest in Serinus Shares, please retain the Meeting Materials and consult the stockbroker, bank or other agent (if any) through which the sale was effected.

Shareholder Helpline

If Serinus Shareholders have any questions about the Meetings or the completion and return of the Forms of Proxy, please contact Computershare (in Jersey) between 8.30 a.m. and 5.30 p.m. (BST) on Monday to Friday (except public holidays in Jersey) on 0370 707 4040 (from within the UK) or +44 370 707 4040 (from outside the UK). Please note that Computershare cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes. If requested, copies of the Forms of Proxy will be provided free of charge.

No person has been authorised to give any information or make any representations other than those contained in this Document and, if given or made, such information or representations must not be relied upon as having been authorised by Serinus, the Serinus Directors, Xtellus, the Xtellus Directors or by Shore Capital or H&P or any other person involved in the Acquisition. Neither the delivery of this Document nor holding the Meetings, the Court Sanction Hearing, or filing the Court Order shall, under any circumstances, create any implication that the information in, or incorporated into, this Document is correct as at any time subsequent to its date.

Overseas Jurisdictions

The release, publication or distribution of this Document in, into or from jurisdictions other than Jersey, the United Kingdom, Canada or the United States may be restricted by law. Persons who are not resident in Jersey, the United Kingdom or Canada or who are subject to the laws of other jurisdictions should inform themselves of, and observe, any applicable requirements. In particular, the ability of persons who are not resident in Jersey, the United Kingdom or Canada to vote their Scheme Shares with respect to the Scheme Resolution at the Court Meeting, or to appoint another person as proxy to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. This Document has been prepared for the purposes of complying with Jersey law, Canadian securities laws and the Takeover Code and the information disclosed may not be the same as that which would have been disclosed if this Document had been prepared in accordance with the laws of jurisdictions outside Jersey, the United Kingdom or Canada. This Document is not a prospectus, or a prospectus exempted document.

Unless otherwise determined by Xtellus or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction or any other jurisdiction where to do so would violate the laws of that jurisdiction and no person may vote in favour of the Scheme Resolution at the Court Meeting or the Resolution at the General Meeting by any use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Document will not be and must not be, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction or any jurisdiction where to do so would violate the laws of that jurisdiction, and persons receiving all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or into or from any Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction.

The Acquisition shall be subject to the applicable requirements of the Takeover Code and the Panel and applicable Canadian securities laws that apply to Serinus due to its status as a “reporting issuer” in the provinces of Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island and Saskatchewan.

Further details in relation to overseas shareholders are contained in paragraph 16 of Part II (*Explanatory Statement*) of this Document.

Additional Information for US Investors

The Acquisition is being made to acquire the securities of a Jersey company by means of a members’ scheme of arrangement provided for under Jersey Companies Law. Serinus is a “foreign private issuer” as defined under Rule 3b-4 under the US Exchange Act. A transaction effected by a foreign private issuer by means of a members’ scheme of arrangement is not subject to the shareholder vote, proxy solicitation or tender offer rules under the US Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements and practices applicable in Jersey to schemes of arrangement, which differ from the disclosure requirements of the US shareholder vote, proxy solicitation and tender offer rules and the US Securities Act. If, in the future, Xtellus exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable laws and regulations of the United Kingdom, Jersey and the United States, including any applicable exemptions under the US Exchange Act.

Financial information included in this Document has been or will have been prepared in accordance with IFRS and may not therefore be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If Xtellus were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with applicable US laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by Xtellus and no one else.

In the event that the Acquisition is implemented by way of Takeover Offer, in accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Xtellus or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase Serinus Shares outside of the United States, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

Neither the SEC nor any state securities commission has reviewed, approved or disapproved this Document, the Scheme or any of the proposals described herein, or passed upon or determined the adequacy or accuracy of the information contained in this Document or disapproved or passed judgment upon the fairness or the merits of the Acquisition. Any representation to the contrary is a criminal offence in the United States.

The receipt of cash consideration by a US holder for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. In addition, Serinus Shareholders may be required to provide an applicable IRS Form W-8 or W-9 in order to prevent any backup withholding tax on the cash consideration. Each Serinus Shareholder is urged to consult his, her or their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him, her or it, including under applicable United States state and local, as well as foreign and other, tax laws.

Serinus is formed under the laws of Jersey. In addition, some or all of its officers and directors reside outside the US, and some or all of its assets are or may be located in jurisdictions outside the US. Therefore, investors may have difficulty effecting service of process within the US upon those persons or recovering against Serinus or its officers or directors on judgments of US courts, including judgments based upon the civil liability provisions of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment. It may not be possible to sue Serinus or its officers or directors in a non-US court for violations of US securities laws.

Additional Information for Canadian Investors

No securities commission or similar authority of Canada, or any other jurisdiction has reviewed or in any way passed upon this Document or the merits of the securities described herein, and any representation to the contrary is an offence under Canadian securities law.

The Acquisition relates to the shares of a Jersey company and is being made by means of a members' scheme of arrangement provided for under the Jersey Companies Law. If Xtellus were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with applicable Canadian securities laws or pursuant to an exemption therefrom.

The receipt of cash consideration by a Canadian Holder for the transfer of its Serinus Shares pursuant to the Scheme will generally be a taxable transaction for Canadian federal income tax purposes and under applicable Canadian, as well as applicable foreign and other, tax laws. Each Serinus Shareholder is urged to consult his, her or their independent professional adviser immediately regarding the tax, and other, consequences of the Acquisition applicable to him, her or it, including under applicable Canadian local, as well as foreign and other, tax laws. Please see paragraph 16.2 of Part II (*Explanatory Statement*) this Document. Canadian Holders should review paragraph 15 of Part II (*Explanatory Statement*) entitled "Taxation" and paragraph 15.2 entitled "Canadian Federal Income Taxation".

Serinus is formed under the laws of Jersey. In addition, some or all of its officers and directors reside outside Canada, and some or all of its assets are or may be located in jurisdictions outside Canada. Therefore, investors may have difficulty effecting service of process within Canada upon those persons or recovering

against Serinus or its officers or directors on judgments of Canadian courts, including judgments based upon the civil liability provisions of applicable Canadian securities laws. Further, it may be difficult to compel a non-Canadian company and its affiliates to subject themselves to a Canadian court's judgment. It may not be possible to sue Serinus or its officers or directors in a non-Canadian court for violations of applicable Canadian securities laws.

It is expected that Serinus (which is currently a "reporting issuer" in the provinces of Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island and Saskatchewan) will cease to be a reporting issuer under Canadian securities laws shortly after completion of the Acquisition, subject to fulfilling the applicable conditions under such laws.

Additional Information for Polish Investors

The Acquisition is being made to acquire the securities of a Jersey company by means of a members' scheme of arrangement provided for under Jersey Companies Law. A transaction effected by means of a members' scheme of arrangement differs from the tender offer rules (including the minimum price calculation) under the Polish Act on Public Offering, the Scheme is subject to the disclosure requirements and practices applicable in Jersey to schemes of arrangement, which differ from the disclosure requirements of the relevant Polish tender offer rules. If, in the future, Xtellus exercises the right to implement the Acquisition by way of a Takeover Offer the Acquisition will be made in compliance with applicable Polish laws and regulations to the extent they are applicable.

None of the securities referred to in this Document have been approved or disapproved by the PFSC or any other Polish regulatory authority. The PFSC has not reviewed, approved or disapproved this Document, the Scheme or any of the proposals described herein, or passed upon or determined the adequacy or accuracy of the information contained in this Document or disapproved or passed judgment upon the fairness or the merits of the Acquisition.

The receipt of cash consideration by a Polish holder for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for Polish income or capital gains tax purposes. Each Serinus Shareholder is urged to consult his, her or their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him, her or it, including under applicable Polish as well as foreign and other, tax laws.

Serinus is formed under the laws of Jersey. In addition, some or all of its officers and directors reside outside Poland, and some or all of its assets are or may be located in jurisdictions outside Poland. Therefore, investors may have difficulty effecting service of process within Poland upon those persons or recovering against Serinus or its officers or directors on judgments of Polish courts, including judgments based upon the civil liability provisions of Polish laws. Further, it may be difficult to compel a non Polish company and its affiliates to subject themselves to a Polish court's judgment. It may not be possible to sue Serinus or its officers or directors in a non Polish court for violations of Polish securities laws.

Forward-looking Statements

This Document contains certain "forward-looking statements" with respect to the financial condition, results of operations and business of Serinus and certain plans and objectives of Xtellus with respect thereto. These statements are based on the current expectations of the management of Xtellus (or where expressly stated, the Serinus Board) and are naturally subject to uncertainty and changes in circumstances. The forward-looking statements contained in this Document include statements relating to the expected effects of the Scheme on Xtellus and Serinus, the expected timing and scope of the Scheme, and other statements other than historical facts.

Forward-looking statements include statements typically containing words such as "will", "may", "should", "believe", "intends", "expects", "anticipates", "targets", "estimates" and words of similar import. Although Xtellus or Serinus (as applicable) believe that the expectations reflected in such forward-looking statements are reasonable, Xtellus or Serinus (as applicable) can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward looking statements. These factors include: local and global political and economic conditions; changes in consumer habits and preferences; legal or regulatory developments and changes; the outcome of any litigation; the

impact of any acquisitions or similar transactions; competitive product and pricing pressures; success of business and operating initiatives; and changes in the level of capital investment. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements.

Given these risks and uncertainties, investors should not place undue reliance on forward-looking statements as a prediction of actual results. Xtellus and Serinus do not undertake any obligation to update or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required.

No Profit Forecasts or Estimates

No statement in this Document, or incorporated by reference into this Document, is intended to be or is to be construed as a profit forecast or estimate for any period and no statement in this Document should be interpreted to mean that earnings or earnings per share for Xtellus or Serinus, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Xtellus or Serinus, as appropriate.

Rounding

Certain figures included in this Document have been subjected to rounding adjustments. Accordingly, figures shown for the same category presented in different tables may vary slightly and figures shown as totals in certain tables may not be an arithmetic aggregation of the figures that precede them.

Electronic Communications

Please be aware that addresses, electronic addresses and certain other information provided by Serinus Shareholders, persons with information rights and other relevant persons for the receipt of communications from Serinus may be provided to Xtellus during the Offer Period as required under Section 4 of Appendix 4 of the Takeover Code to comply with Rule 2.11(c) of the Takeover Code.

General

Xtellus reserves the right, in accordance with the Cooperation Agreement and subject to the prior consent of the Panel, and in compliance with applicable Polish and Canadian securities laws or an exemption therefrom, to elect to implement the Acquisition by way of a Takeover Offer for Serinus Shares as an alternative to the Scheme. If the Acquisition is effected by way of a Takeover Offer, and such offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Xtellus intends to exercise its rights to apply the provisions of Part 18 of the Jersey Companies Law so as to acquire compulsorily the remaining Serinus Shares in respect of which the Takeover Offer has not been accepted.

In the event that the Acquisition is implemented by way of Takeover Offer, in accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Xtellus or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase Serinus Shares outside of the United States, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The statements in this Document are not to be construed as legal, business, financial or tax advice. If you are in any doubt about the contents of this Document or the action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, lawyer or independent financial adviser duly authorised under FSMA if you are resident in the United Kingdom or, if not, from another appropriate authorised independent financial adviser.

This Document is furnished in connection with the solicitation of proxies by management of Serinus for use at the Meetings. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone or e-mail by the directors and employees of Serinus at nominal cost. No proxy solicitation agent has been retained in connection with the Meetings. All costs of solicitation by management will be borne by Serinus.

Dealing Disclosure Requirements

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (BST) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (BST) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (BST) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

ACTION TO BE TAKEN

For the reasons set out in this Document, the Serinus Directors unanimously recommend that Serinus Shareholders vote in favour of the Scheme Resolution at the Court Meeting and Serinus Shareholders vote in favour of the Resolution to be proposed at the General Meeting and that they take the actions described below. Each of the Serinus Directors who hold Serinus Shares have irrevocably undertaken to vote in favour of the Scheme Resolution proposed at the Court Meeting and the Resolution proposed at the General Meeting.

1. Documents

Please check that you have received the following:

- a BLUE Form of Proxy in respect of the Court Meeting on 1 May 2025 (if you are a Serinus Shareholder);
- a WHITE Form of Proxy in respect of the General Meeting on 1 May 2025 (if you are a Serinus Shareholder); and
- a reply-paid envelope for use in the United Kingdom only for the return of the Forms of Proxy.

If Serinus Shareholders have not received any of these documents, please contact the shareholder helpline on the number indicated below.

The Record Date has been set as 6 p.m. (BST) on 3 April 2025. Serinus prepared a list of Serinus Shareholders of record at such time. Serinus Shareholders named on that list are entitled to receive notice of the Court Meeting and the General Meeting or any adjournment(s) or postponement(s) thereof.

2. Voting at the Court Meeting and the General Meeting

It is important that, for the Court Meeting in particular, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of the opinion of Serinus Shareholders. Whether or not Serinus Shareholders intend to attend and/or vote at the Court Meeting, they are strongly advised to sign and return their BLUE Form of Proxy or transmit a proxy appointment for the Court Meeting electronically.

The Scheme will require approval at a meeting of Serinus Shareholders convened with the permission of the Court to be held at Serinus' registered office, 2nd Floor, The Le Gallais Building, 54 Bath Street, St Helier, Jersey, JE1 1FW at 12:30 p.m. (BST) on 1 May 2025. Implementation of the Scheme will also require approval of the Resolution to be proposed at the General Meeting. The General Meeting will also be held at Serinus' registered office, 2nd Floor, The Le Gallais Building, 54 Bath Street, St Helier, Jersey, JE1 1FW at 12:45 p.m. on 1 May 2025 (or as soon thereafter as the Court Meeting concludes or is adjourned).

Serinus has designated the Chair as the person whom Serinus Shareholders may appoint as their proxy. Serinus Shareholders are strongly encouraged to appoint the Chair of each of the Court Meeting and the General Meeting as their proxy. If a Serinus Shareholder wishes to appoint an individual other than the Chair to represent such Serinus Shareholder at the Court Meeting and/or General Meeting, such Serinus Shareholder may do so by crossing out the Chair on the Form of Proxy and inserting the name of that other individual in the blank space provided on the Form of Proxy. A proxyholder need not be a shareholder of Serinus. If either a Serinus Shareholder is a corporation, its proxy must be executed by a duly authorized officer or properly appointed attorney.

Serinus Shareholders are strongly encouraged to submit proxy appointments and instructions for the Court Meeting and the General Meeting as soon as possible, using any of the methods set out below.

Serinus Shareholders are required to submit proxy voting instructions in respect of the relevant Meeting not later than 6:30 p.m. (BST) on 29 April 2025 (or in the case of any adjournment, not later than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the adjourned Meeting).

Serinus Shareholders are entitled to appoint a proxy in respect of some or all of their Serinus Shares and may also appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by such holder. Serinus Shareholders who wish to appoint more than one proxy in respect of their holding of Serinus Shares should contact Computershare for further Forms of Proxy.

If you receive more than one Form of Proxy because you own Scheme Shares or Serinus Shares registered in different names or addresses, the relevant Form of Proxy should be completed and returned in respect of each name and address.

The Serinus Shares represented by any valid Form of Proxy will be voted for or against, as the case may be, the Scheme Resolution at the Court Meeting and the Resolution at the General Meeting, in accordance with the specific instructions made by the Serinus Shareholder on any ballot that may be called for with respect to the Scheme and the Resolution. **In the absence of any such specific instructions, such Serinus Shares will be voted by the Chair of either the Court Meeting or the General Meeting named in the Form of Proxy FOR the Scheme Resolution at the Court Meeting and the Resolution at the General Meeting.**

The completion and return of the Forms of Proxy by post (or appointment of a proxy online or transmitting a CREST Proxy Instruction or by any other procedure described in this Document) will not prevent you from attending, speaking and voting at the Court Meeting or the General Meeting, if you are entitled to and wish to do so.

Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders holding Scheme Shares at the Scheme Record Time, irrespective of whether or not they attended or voted in favour of, or against, the Scheme Resolution at the Court Meeting or in favour of, or against, or abstained from voting on the Resolution at the General Meeting.

Sending Forms of Proxy by Post

Serinus Shareholders are requested to complete and sign the Forms of Proxy in accordance with the instructions printed thereon and return them by post, in the pre-paid envelope provided, to Computershare at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, so as to be received as soon as possible and in any event not later than 6:30 p.m. (BST) on 29 April 2025 or, if a Meeting is adjourned, not later than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the adjourned Meeting.

If a Form of Proxy relating to a Meeting is not returned by Serinus Shareholders so as to be received by the time mentioned above, it may be handed to the Chair of the Meeting before the start of that Meeting and will still be valid.

Online Appointment of Proxies

As an alternative to completing and returning the printed Forms of Proxy, you may register the appointment of your proxy or proxies or voting directions electronically via the Investor Centre service at www.investorcentre.co.uk/eproxy, where full details of the procedure are given. Members are advised to read the terms and conditions of use carefully and will need their Shareholder Reference Number (SRN), Control Number and Personal Identification Number (PIN) set out on the Forms of Proxy. Electronic communication facilities are available to all members and those who use them will not be disadvantaged. The Company will not accept any communication that is found to contain a computer virus. For an electronic proxy appointment to be valid, the appointment must be received by Computershare no later than 6:30 p.m. (BST) on 29 April 2025 (or, if the Meeting is adjourned, no later than 48 hours (excluding any day which is not a working day) before the time fixed for the adjourned Meeting). Full details of the procedure to be followed to appoint a proxy electronically are given on the website.

If either Form of Proxy is not returned by Serinus Shareholders so as to be received by the time mentioned above, it may be handed to the Chair of the Meeting before the start of that Meeting and will still be valid.

Electronic Appointment of Proxies through CREST

If you hold Serinus Shares in uncertificated form through CREST and wish to appoint a proxy or proxies for the Court Meeting or the General Meeting by using the CREST electronic proxy appointment service, you may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed any voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with the specifications of Euroclear and must contain the information required for such instructions as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an

amendment to the instructions given to a previously appointed proxy), must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) no later than 6:30 p.m. (BST) on 29 April 2025 (or, if a Meeting is adjourned, no later than 48 hours (excluding any day which is not a working day) before the time fixed for the adjourned Meeting).

For the purpose of the above, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which Computershare is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers, should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed any voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Serinus may treat as invalid a CREST Proxy Instruction in the circumstances set out in the CREST Regulations.

How to Change Your Vote

Serinus Shareholders can also change their vote by sending in another properly completed and signed Form of Proxy with a later date, as long as it is received by 6:30 p.m. (BST) on 29 April 2025, or if a Meeting is adjourned, not later than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the adjourned Meeting.

3. Shareholder Helpline

If Serinus Shareholders have any questions about the Meetings or the completion and return of the Forms of Proxy, please contact Computershare (in Jersey) between 8.30 a.m. and 5.30 p.m. (BST) on Monday to Friday (except public holidays in Jersey) on 0370 707 4040 (from within the UK) or +44 370 707 4040 (from outside the UK). Please note that Computershare cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes. Further information about the Acquisition is provided in Part II (*Explanatory Statement*) of this Document.

3. **Background to and Reasons for the Acquisition**

Xtellus observes the withdrawal of capital from UK-listed small cap oil & gas stocks and the comparatively low sector valuation and views this as an opportune time to acquire oil & gas assets and provide them with the necessary private capital for growth.

Serinus, whilst delivering well on its goals, has failed to gain reward or recognition of that from the market and continues to trade at a depressed share price. Meanwhile, maintaining Serinus' listing on AIM and the WSE imposes significant extra cost for a company of its size, having a market capitalisation of approximately £3.8 million as at the latest practicable date before publication of the Announcement, whilst providing little incremental benefit with regard to capital access. This has led Xtellus to believe that Serinus would be better placed as a private business with access to capital that will be provided through Xtellus to pursue opportunities beyond Serinus' current reach.

The Acquisition, if it becomes Effective, would provide Serinus Shareholders with an immediate realisation of value in cash for their Serinus Shares at a premium to the Closing Price as at the latest practicable date prior to publication of the Announcement, and an opportunity to realise value despite the limited liquidity of Serinus Shares.

4. **Background to and Reasons for the Recommendation of the Serinus Directors**

In considering the financial terms of the Acquisition and determining whether they reflect an appropriate valuation of Serinus and its future prospects, the Serinus Directors took into account a range of factors including that:

- the Acquisition provides an opportunity for Serinus Shareholders to crystallise, in cash, the value of their investment in Serinus at a premium to the undisturbed market valuation. The premium offered pays due regard to the strengths of Serinus and its prospects but also recognises significant future requirement for capital to realise those prospects;
- the terms of the Acquisition represent an attractive premium of approximately:
 - 30.8 per cent. to the Closing Price on 21 March 2025 (being the last practicable date prior to the Announcement);
 - 41.7 per cent. to the Closing Price per Serinus Share of 2.4 pence on 7 February 2025 (being the last Business Day before the Acquisition proposal was made to Serinus);
 - 33.3 per cent. to the volume weighted average price for the 30-day period to 21 March 2025 (being the latest practicable date prior to the date of the Announcement); and
- The Serinus Board recognises that the market for Serinus Shares is illiquid. This illiquidity has resulted in the failure of the share price to reflect news, good or bad, in the value of the business. This underperformance of the share price over the past few years combined with a lack of proper liquidity has made it challenging for Serinus Shareholders to monetise their holdings should they so wish. The Acquisition provides Serinus Shareholders with the opportunity for an immediate, certain and attractive realisation of cash.

In considering the intention to recommend the Acquisition to Serinus Shareholders, the Serinus Directors have given due consideration to the intentions of Xtellus for Serinus' management and employees.

The Serinus Directors acknowledge that Xtellus is intending to formulate a more detailed long-term strategic and operational plan following the successful completion of the Acquisition and welcomes Xtellus' increased focus on inorganic growth opportunities.

The Serinus Directors note that Xtellus intends to seek operating cost benefits primarily derived to those relating to being a publicly quoted company, and that this may lead to headcount reductions. The Serinus Directors also note that the outcome of Xtellus' strategic review could result in the winding up of Serinus' Romanian operations, which could lead to the closure of Serinus' Romanian office, and other physical in

country presence, and this may lead to headcount reductions. The Serinus Directors welcome Xtellus' intention to safeguard the existing statutory and contractual employment rights of Serinus employees and management following completion of the Acquisition, and the continuation of Serinus as an autonomous, standalone business.

Given that detailed integration and strategic plans will still need to be finalised following the successful completion of the Acquisition, the Serinus Directors are unable to express a more detailed opinion on the impact of the Acquisition on Serinus' management, employees and office locations.

The Serinus Directors further note Xtellus' confirmation that it does not intend to create any research and development functions and also notes that Xtellus has no firm plans to redeploy the fixed assets or move the headquarters of Serinus.

Overall, the board of directors of Serinus believes that the Acquisition represents an attractive premium and accelerates, without further capital investment, time or operational risk, the delivery to shareholders of Serinus' future value potential.

5. Irrevocable Undertakings

Xtellus has received irrevocable undertakings from the Serinus Directors, holding in aggregate, 7,985,480 Serinus Shares representing approximately 5.285% of the existing issued ordinary share capital of Serinus as at 3 April 2025 (being the Latest Practicable Date) to vote, or procure that their nominees vote, in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting.

Xtellus has also received irrevocable undertakings from certain other Serinus Shareholders holding, in aggregate, 14,493,642 Serinus Shares representing approximately 9.59% of the existing issued ordinary share capital of Serinus as at 3 April 2025 (being the Latest Practicable Date) to vote, or procure that their nominees vote, in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting.

Therefore, Xtellus has received irrevocable undertakings in respect of, in aggregate, 22,479,122 Serinus Shares representing approximately 14.88% of the existing issued ordinary share capital of Serinus as at 3 April 2025 (being the Latest Practicable Date).

The irrevocable undertakings given by the Serinus Directors also extend to any Serinus Shares acquired by the Serinus Directors as a result of the vesting of LTIP Awards or the exercise of Options under the Share Plans (or any previous Serinus share plans).

Further details of these irrevocable undertakings are set out in Part VI (*Additional Information*) of this Document.

6. Strategic plans and intentions with regard to management, employees and pieces of business

Xtellus holds in very high regard the reputation of Serinus' management and employees. Xtellus recognises the successful efforts of Serinus' management and employees in stewarding the company's key assets in Tunisia and Romania, but Xtellus believes that a company of Serinus' size, with a market capitalisation of approximately £3.8 million (at the Latest Practicable Date) is better placed as a private company than listed on a stock exchange.

Upon completion of the Acquisition, Serinus will benefit from having greater capital support from Xtellus, and Xtellus intends to review Serinus' current operations and formulate more detailed long-term strategic and operational plans for Serinus. The parameters have not yet been finalised, but Xtellus expects that there will be an increased focus on high return inorganic growth opportunities and could include geographic expansion in the regions of North America, South America and North Africa.

Based on Xtellus' current understanding of Serinus' operations, Xtellus envisions the operations in Tunisia to remain in its current form. Serinus' Romanian operations are understood to be close to the end of asset life and expected to be wound up in the near-term if there is no additional capital investment. Xtellus expects to only invest additional capital into Serinus' Romanian operations if it meets its return requirements and if there are no competing higher return growth opportunities to pursue.

Directors, management and employees

Xtellus attaches great importance to the skills, knowledge, and expertise of Serinus' management and employees and, subject as set out below, expects that the existing management and employees of Serinus will contribute and be key to its future long-term success.

Following completion of the Acquisition, certain functions related to Serinus' status as a publicly quoted company listed on AIM and the WSE may no longer be required or will be reduced in size to reflect Serinus ceasing to be a publicly quoted company. Xtellus has not yet fully developed proposals as to how such potential changes will be implemented but it intends, where possible, to reassign individuals who may be affected by those changes to other appropriate roles within Serinus following completion of the Acquisition and will work with Serinus' management to achieve this.

It is expected that the non-executive directors of Serinus will resign as directors of Serinus with effect from completion of the Acquisition.

As Serinus' operations expand under Xtellus' ownership, additional business support functions for Serinus may be required, but this is subject to the strategic review discussed above.

Other than the changes to the Serinus board and to the publicly quoted company related functions described above, and subject to the strategic review discussed above, Xtellus does not intend to make any material reduction to the headcount, or any material change to the conditions of employment or to the balance of skills or functions, of Serinus' employees or management. If the outcome of the strategic review results in winding up Serinus' Romanian operations, this could impact up to 15 employees of Serinus, which represents 16.25 per cent. of Serinus' total workforce.

Any headcount reductions would be carried out in accordance with applicable law (including, in jurisdictions where relevant, informing and consulting obligations).

Management incentivisation and retention arrangements

Following the Scheme becoming Effective, Xtellus intends to review Serinus' management and employee incentive structures. Xtellus has not entered into and has not had discussions on proposals to enter into any form of incentivisation arrangements with members of Serinus' management or employees but intends to have discussions with respect to such arrangements following the Effective Date.

Locations, headquarters, fixed assets and research and development

Following the Scheme becoming effective, Xtellus intends for Serinus to continue to operate as an autonomous, standalone business, led by its own management team. Xtellus intends to make changes to certain head office functions due to the reduction of publicly quoted company related functions.

Xtellus intends that Serinus will maintain its current headquarter offices in London, United Kingdom. Changes to the locations of Serinus' places of business and the redeployment of Serinus' fixed asset base are subject to the strategic review discussed above. If the outcome of the strategic review results in winding up Serinus' Romanian operations, this could lead to the retirement of Serinus' Romanian concession, Serinus' Romanian office, and other physical in country presence.

Serinus does not have a research and development function, and Xtellus has no plans in this regard.

Pension schemes

Xtellus confirms that, following the Scheme becoming Effective, the existing contractual and statutory rights of all Serinus management and employees will be honoured and will be fully safeguarded in accordance with applicable law.

Serinus and certain of its subsidiaries make contributions to defined contribution pension schemes on behalf of a number of qualifying employees and Xtellus intends that these arrangements would remain in place. Xtellus does not intend to make any material changes to the current employer pension contribution arrangements.

Trading Facilities

The Serinus Shares are currently admitted to trading on AIM and on the WSE and, as set out in paragraph 15 below, it is intended that an application will be made to the London Stock Exchange for the cancellation of admission to trading of the Serinus Shares on AIM, and to the PFSA for the cancellation of admission to trading of the Serinus Shares on WSE, in each case to become Effective as soon as practicable after the Effective Date.

It is intended for the last day of dealings in Serinus Shares on AIM and on the WSE to be the last Business Day prior to the Effective Date and no transfers will be registered after 6.00 p.m. (London time) on that date.

It is also intended that, following the Effective Date and cancellation, Serinus will be re-registered as a private company under the Jersey Companies Law.

On the Effective Date, all of the Serinus Shares will become owned by Xtellus and any share certificates in respect of those Serinus Shares will cease to be valid and of value and should be destroyed. In addition, entitlements to Serinus Shares held within the CREST system and the Polish National Deposit of Securities will be cancelled.

No statements in this paragraph 6 constitute “post-offer undertakings” for the purposes of Rule 19.5 of the Takeover Code.

7. Dividends

Serinus does not intend to pay a dividend or make any other distribution or return of capital or value between the Announcement and the Acquisition becoming Effective. If prior to the Effective Date, any dividend, distribution or other return of value is announced, declared, made, or paid or becomes payable in respect of Serinus, Xtellus reserves the right (without prejudice to any right Xtellus may have, with the consent of the Panel, to invoke the Condition set out in paragraph 8 of Part B of Part III (*Conditions to the Implementation of the Scheme and to the Acquisition*) of this Document) to reduce the Acquisition Price by the value implied under the terms of the Acquisition for the Serinus Shares by an amount up to the amount of any such dividend, other distribution or return of value, in which case any reference in this Document to the Acquisition Price will be deemed to be a reference to the Acquisition Price so reduced.

For the avoidance of doubt, any exercise by Xtellus of its rights referred to in this section, or in 8 of Part B of Part III (*Conditions to the Implementation of the Scheme and to the Acquisition*) of this Document shall not be regarded as constituting any revision or variation of this Acquisition.

8. Serinus Share Plans

The Acquisition will affect participants in the Share Plans.

Details of the arrangements proposed to be implemented in relation to the Share Plans are set out at paragraph 8 of Part II (*Explanatory Statement*) of this Document. Participants in the Share Plans will be contacted separately regarding the effect of the Acquisition on their rights under the Share Plans and, where required, appropriate proposals will be made to such participants in accordance with Rule 15 of the Code.

9. Current Trading and Prospects

Current trading for Serinus continues in line with the audited financial results of Serinus in respect of the year ended 31 December 2024 which was announced by Serinus on 17 March 2025.

10. Taxation

PART II EXPLANATORY STATEMENT

(In compliance with Article 126 of the Jersey Companies Law)

Shore Capital and Corporate Limited
Cassini House
57 St James' Street
London
SW1A 1LD

7 April 2025

To the holders of Serinus Shares and, for information only, to participants in the Share Plans and persons with information rights

Dear Shareholder

RECOMMENDED CASH ACQUISITION BY XTELLUS CAPITAL PARTNERS, INC.

1. Introduction

On 24 March 2025, the Serinus Directors and the board of directors of Xtellus announced that they had reached agreement on the terms of a recommended cash acquisition by Xtellus of the entire issued and to be issued share capital of Serinus at the Acquisition Price, to be effected by means of a members' scheme of arrangement under Article 125 of the Jersey Companies Law.

Your attention is drawn to the letter from the Chairman of Serinus set out in Part I (*Letter From the Chairman of Serinus*) of this Document, which forms part of this Explanatory Statement. The letter contains, among other things, the unanimous recommendation by the Serinus Directors to Serinus Shareholders to vote in favour of the resolutions to approve and implement the Scheme, and an explanation of the background to and reasons for recommending the Scheme.

The Serinus Directors have been advised by Shore Capital in connection with the Acquisition. Shore Capital has been authorised by the Serinus Directors to write to you to explain the terms of the Acquisition and to provide you with other relevant information. In giving their advice, Shore Capital are advising the Serinus Directors in relation to the Acquisition and are not acting for any Serinus Directors in their personal capacity nor for any Serinus Shareholder in relation to the Acquisition. Shore Capital will not be responsible to any such person for providing the protections afforded to its clients or for advising any such person in relation to the Acquisition. In particular, Shore Capital will not owe any duties or responsibilities to any particular Serinus Shareholder concerning the Acquisition.

The terms of the Scheme are set out in full in Part IV (*The Scheme of Arrangement*) of this Document.

2. Summary of the Terms of the Acquisition

Under the terms of the Acquisition, which is subject to the satisfaction (or, where applicable, waiver) of the Conditions and to the further terms set out in Part III (*Conditions to the Implementation of the Scheme and to the Acquisition*) of this Document, Scheme Shareholders at the Scheme Record Time will receive:

in respect of each Scheme Share:	3.40 pence in cash (the "Acquisition Price")
-----------------------------------------	-----------------------------------------------------

The Acquisition values the entire issued and to be issued ordinary share capital of Serinus at approximately £5.1 million on a fully diluted basis.

If any dividend, distribution or other return of capital or value is declared, made or paid by Serinus in respect of Serinus Shares on or after the date of this Document and prior to the Effective Date, Xtellus reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend, distribution or other return of capital or value. In such circumstances, Serinus Shareholders would be entitled to retain any such dividend, distribution or other return of capital or value declared, made or paid.

3. **Information on Serinus**

Serinus is a public limited company registered in Jersey, Channel Islands with company number 126344. Serinus' ordinary shares are listed on the AIM (SENX.LN) and the WSE (SEN).

Serinus is an oil and gas exploration, appraisal and development company with a focus on enhancing shareholder value by growing oil and gas production through the efficient allocation of capital. The Serinus Group is the operator of all of its assets and has operations in two business units: Romania and Tunisia.

In Romania, the Serinus Group currently holds the 2,950 km² Satu Mare Concession. The Satu Mare Concession area includes the Moftinu Gas Project. In addition to the Moftinu Gas Project, the Satu Mare Concession holds several highly prospective exploration plays. Serinus' recently completed block wide geological review has highlighted the potential of multiple plays that have encountered oil and gas on the block. Focus is on proven hydrocarbon systems, known productive trends that need further data, and studies of over 40 legacy wells on the concession area that have encountered oil and gas.

The Serinus Group's Tunisian operations are comprised of two concession areas. The largest asset in the Tunisian portfolio is the Sabria field, which is a large oilfield with an independently estimated original in-place volume of 445 million barrels-of-oil-equivalent. The Serinus Group has embarked on an artificial lift programme whereby the first pumps in the Sabria field will be installed. The Chouech Es Saida concession in southern Tunisia holds a producing oilfield that produces from four wells, three of which are produced using artificial lift. Chouech Es Saida is a mature oilfield that benefits from active production management. Underlying this oilfield are significant gas prospects. These prospects lie in a structure that currently produces gas in an adjacent block. Exploration of these lower gas zones became commercially possible with the recent construction of gas transportation infrastructure in the region.

For its financial year ended 31 December 2024, Serinus reported revenue of \$15.4 million (FY23: \$17.9 million), funds from operations of \$1.4 million (FY23: \$1.9 million) and average daily production for FY2024 of 555 boe/d.

Trading for the current financial year remains in line with Serinus management's expectations.

5. Financing of the Acquisition and Refinancing

The consideration necessary to satisfy the Acquisition in full will be funded from Xtellus' existing cash resources.

H&P Advisory Ltd, financial adviser to Xtellus, confirms that it is satisfied that sufficient resources are available to Xtellus to satisfy in full the cash consideration payable to Serinus Shareholders under the terms of the Acquisition.

6. Intentions of Xtellus

Xtellus holds in very high regard the reputation of Serinus' management and employees. Xtellus recognises the successful efforts of Serinus' management and employees in stewarding the company's key assets in Tunisia and Romania, but Xtellus believes that a company of Serinus' size, with a market capitalisation of approximately £3.8 million (at the Latest Practicable Date) is better placed as a private company than listed on a stock exchange.

Upon completion of the Acquisition, Serinus will benefit from having greater capital support from Xtellus, and Xtellus intends to review Serinus' current operations and formulate more detailed long-term strategic and operational plans for Serinus. The parameters have not yet been finalised, but Xtellus expects that there will be an increased focussed on high return inorganic growth opportunities and could include geographic expansion in the regions of North America, South America and North Africa.

Based on Xtellus' current understanding of Serinus' operations, Xtellus envisions the operations in Tunisia to remain in its current form. Serinus' Romanian operations are understood to be close to the end of asset life and expected to be wound up in the near-term if there is no additional capital investment. Xtellus envisions to only to invest additional capital into Serinus' Romanian operations if it meets its return requirements and if there are no competing higher return growth opportunities to pursue.

Directors, management and employees

Xtellus attaches great importance to the skills, knowledge, and expertise of Serinus' management and employees and, subject as set out below, expects that the existing management and employees of Serinus will contribute and be key to its future long-term success.

Following completion of the Acquisition, certain functions related to Serinus' status as a publicly quoted company listed on AIM and the WSE may no longer be required or will be reduced in size to reflect Serinus ceasing to be a publicly quoted company. Xtellus has not yet fully developed proposals as to how such potential changes will be implemented but it intends, where possible, to reassign individuals who may be affected by those changes to other appropriate roles within Serinus following completion of the Acquisition and will work with Serinus' management to achieve this.

It is expected that the non-executive directors of Serinus will resign as directors of Serinus with effect from completion of the Acquisition.

As Serinus' operations expand under Xtellus' ownership, additional business support functions for Serinus may be required, but this is subject to the strategic review discussed above.

Other than the changes to the Serinus board and to the publicly quoted company related functions described above, and subject to the strategic review discussed above, Xtellus does not intend to make any material reduction to the headcount, or any material change to the conditions of employment or to the balance of skills or functions, of Serinus' employees or management. If the outcome of the strategic review results in winding up Serinus' Romanian operations, this could impact up to 15 employees of Serinus, which represents 16.25 per cent. of Serinus' total workforce.

Any headcount reductions would be carried out in accordance with applicable law (including, in jurisdictions where relevant, informing and consulting obligations).

Management incentivisation and retention arrangements

Following the Scheme becoming Effective, Xtellus intends to review Serinus' management and employee incentive structures. Xtellus has not entered into and has not had discussions on proposals to enter into any form of incentivisation arrangements with members of Serinus' management or employees but intends to have discussions with respect to such arrangements following the Effective Date.

Locations, headquarters, fixed assets and research and development

Following the Scheme becoming effective, Xtellus intends for Serinus to continue to operate as an autonomous, standalone business, led by its own management team. Xtellus intends to make changes to certain head office functions due to the reduction of publicly quoted company related functions.

Xtellus intends that Serinus will maintain its current headquarter offices in London, United Kingdom. Changes to the locations of Serinus' places of business and the redeployment of Serinus' fixed asset base are subject to the strategic review discussed above. If the outcome of the strategic review results in winding up Serinus' Romanian operations, this could lead to the retirement of Serinus' Romanian concession, Serinus' Romanian office, and other physical in country presence.

Serinus does not have a research and development function, and Xtellus has no plans in this regard.

Pension schemes

Xtellus confirms that, following the Scheme becoming Effective, the existing contractual and statutory rights of all Serinus management and employees will be honoured and will be fully safeguarded in accordance with applicable law.

Serinus and certain of its subsidiaries make contributions to defined contribution pension schemes on behalf of a number of qualifying employees and Xtellus intends that these arrangements would remain in place. Xtellus does not intend to make any material changes to the current employer pension contribution arrangements.

Trading Facilities

The Serinus Shares are currently admitted to trading on AIM and on the WSE and, as set out in paragraph 15 below, it is intended that an application will be made to the London Stock Exchange for the cancellation of admission to trading of the Serinus Shares on AIM, and to the PFSA for the cancellation of admission to trading of the Serinus Shares on WSE, in each case to become Effective as soon as practicable after the Effective Date.

It is intended for the last day of dealings in Serinus Shares on AIM and on the WSE to be the last Business Day prior to the Effective Date and no transfers will be registered after 6.00 p.m. (London time) on that date.

It is also intended that, following the Effective Date and cancellation, Serinus will be re-registered as a private company under the Jersey Companies Law.

On the Effective Date, all of the Serinus Shares will become owned by Xtellus and any share certificates in respect of those Serinus Shares will cease to be valid and of value and should be destroyed. In addition, entitlements to Serinus Shares held within the CREST system and the Polish National Deposit of Securities will be cancelled.

No statements in this paragraph 6 constitute “post-offer undertakings” for the purposes of Rule 19.5 of the Takeover Code.

7. Views of the Serinus Directors

In considering the recommendation of the Acquisition Price to Serinus Shareholders, the Serinus Directors have given due consideration to the confirmations that Xtellus has given in relation to its employees. The Serinus Directors welcome Xtellus’ intention with respect to its employees, in particular, Xtellus’ confirmation of its intention to safeguard the existing contractual and statutory employment rights, including pension rights, of all management and employees and not to make any material changes to the terms and conditions of employment or in the balance of skills and functions of employees of the Serinus Group or any changes to the location of Serinus’ places of business in the UK within the period of 12 months following closing of the Acquisition. The Serinus Directors also understand that Xtellus has no intention to redeploy the fixed assets of Serinus.

The Serinus Directors further welcome the confirmation that, beyond the limited number of public-company related functions outlined above, Xtellus does not expect any material change in the number of, and balance of skills and functions of, the employees and management of the Serinus Group.

8. Share Plans

Share Plan participants will be contacted separately regarding the effect of the Scheme and Acquisition on their rights under the Share Plans and with details of the arrangements applicable to them.

A summary of the effect of the Scheme on outstanding awards under the Share Plans is set out below. In the event of any conflict between the summary set out below and the rules of the Share Plans, the Serinus Directors’ remuneration policy (where applicable) and/or the communications to participants in the Share Plans, the rules of the Share Plans, the Serinus Directors’ remuneration policy (where applicable) or the terms of the participant communications (as the case may be) will prevail over this summary.

Under the Share Plans:

- (1) any subsisting Option and LTIP Awards vest in full immediately upon the date of the Court Sanction Hearing;
- (2) a holder of Options or LTIP Awards may exercise any Option or LTIP Award then held by them during the period commencing on the date of the Court Sanction Hearing and expiring six calendar months from the date of such Court Sanction Hearing (and any such Option or LTIP Award not exercised at the end of such period will lapse immediately);
- (3) upon the offer by Xtellus to acquire the Serinus Shares being posted by Xtellus to the shareholders (i.e. the posting of this Document), the Remuneration Committee will notify holders of the Options and/or LTIP Awards of such offer;

- (4) in the case of an LTIP Award, the exercise of such LTIP Award shall be subject to the prior satisfaction of any condition imposed upon the grant of that LTIP Award under the Share Plans (such conditions to be assessed by the Remuneration Committee on, or shortly prior to, the date of the Court Sanction Hearing) and time pro-rating, unless the Remuneration Committee determines otherwise in its absolute discretion; and
- (5) if the Court sanctions the Scheme, a holder of Options and/or LTIP Awards may, subject to other restrictions upon the exercise of awards and lapse of awards as set out in the Share Plans, exercise any Option and/or LTIP Award then held by them during the period commencing on the date of the Court Sanction Hearing and expiring six calendar months from the date of such sanctioning and provided that any Option and/or LTIP Award not exercised at the end of such period will lapse immediately.

Summary of the Effect of the Scheme

It will be proposed to each holder of Options and/or LTIP Awards that, provided the Court sanctions the Scheme at the Court Sanction Hearing, either:

- (i) such awards be exercised on the date of the Court Sanction Hearing and prior to the Scheme Record Time and that any Serinus Shares issued or transferred to satisfy the exercise of awards under the Share Plans be subject to the Scheme and be transferred to Xtellus in exchange for the same consideration as Scheme Shareholders will be entitled to receive under the Scheme; or
- (ii) if determined by the Remuneration Committee, it will be proposed that the Options and/or LTIP Awards will be satisfied by a cash payment equal in value to the Acquisition Price of the Serinus Shares less if relevant the exercise price and tax relevant deductions for the purposes of income tax and employee national insurance contributions.

9. Disclosure of Interests in Serinus

Save in respect of the irrevocable undertakings referred to in paragraph 5 of Part I (*Letter From the Chairman of Serinus*) above, as at the close of business on the Latest Practicable Date, neither Xtellus, nor any of the Xtellus Directors, nor, so far as Xtellus is aware, any person acting in concert (within the meaning of the Takeover Code) with it has: (i) any interest in or right to subscribe for any relevant securities (within the meaning of the Takeover Code) of Serinus; nor (ii) any short positions in respect of any relevant securities of Serinus (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; nor (iii) borrowed or lent any relevant securities of Serinus (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code), nor is any such person party to any dealing arrangement of the kind referred to in Note 11 of the definition of “acting in concert” in the Takeover Code in relation to relevant securities of Serinus.

‘**Interests in securities**’ for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an ‘interest’ by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

As of the Latest Practicable Date, the directors and officers of Serinus, and their associates or affiliates, as a group, beneficially owned, directly or indirectly, an aggregate of 7,985,480 Serinus Shares representing approximately 5.285 per cent. of the issued and outstanding Serinus Shares on a non-diluted basis.

As of the Latest Practicable Date, Xtellus own or control approximately 29.32 per cent., respectively, of the issued capital of Serinus Shares.

To the knowledge of Serinus, no informed person of Serinus, none of the persons who have been directors or executive officers of Serinus since the commencement of Serinus' last financial year, and no associate or affiliate of any of them has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any transaction since the commencement of Serinus' most recently completed financial year or in a proposed transaction that has materially affected or would materially affect Serinus or any of its affiliates.

“**Informed person**” means, for the purposes of this paragraph 0, a director or executive officer of Serinus, any person or company who beneficially owns or controls (directly or indirectly) voting securities of Serinus carrying more than 10 per cent. of the voting rights attached to all outstanding voting securities of Serinus, or a director or executive officer of a person or company that is itself an informed person or subsidiary of Serinus.

10. **Effect of the Scheme on the interests of Serinus Directors**

As of the Latest Practicable Date, the Serinus Directors, and their associates or affiliates, as a group, beneficially owned, directly or indirectly, an aggregate of 7,985,480 Serinus Shares representing approximately 5.285 per cent. of the issued and outstanding Serinus Shares on a non diluted basis.

Further information of the Serinus Directors and their interest may be found in Sections 5 (Interests and dealings in relevant securities), Section 6, and 7 (Directors' service contracts and letters of appointment of Serinus Directors) of Part VI (*Additional Information*) of this Document.

Further information on the irrevocable undertakings given by the Serinus Directors may be found in Section 6 of Part VI (*Additional Information*) of this Document.

Save as set out in this Document, the effect of the Scheme on the interests of Serinus Directors does not differ from its effect on the like interests of any other Scheme Shareholder.

11. **Description of the Scheme and the Meetings**

11.1 **The Scheme**

The Acquisition is to be implemented by means of a members' scheme of arrangement between Serinus and the Scheme Shareholders who are on the register of members at the Scheme Record Time, under Article 125 of the Jersey Companies Law. The procedure requires approval by Serinus Shareholders at the Court Meeting and at the General Meeting and sanction of the Scheme by the Court. The Scheme is set out in full in Part IV (*The Scheme of Arrangement*) of this Document.

The purpose of the Scheme is to provide for Xtellus to become the holder of the entire issued and to be issued share capital of Serinus. This is to be achieved by transferring the Scheme Shares held by Scheme Shareholders to Xtellus, in consideration for which Xtellus will pay cash on the basis set out in this Part II (*Explanatory Statement*).

11.2 **Serinus Meetings and the Court Sanction Hearing**

References in this paragraph 11.2 to a Serinus Shareholder attending and voting at the Court Meeting 'in person' refer to a Serinus Shareholder that is attending the Court Meeting in his, her or its own right and who is not represented at the Court Meeting by a proxy.

Before the Court's sanction can be sought for the Scheme, the Scheme requires approval by the passing of a resolution at the Court Meeting. The resolution must be approved by a majority in number of the Serinus Shareholders (or the relevant class or classes thereof, if applicable) who are on the register of members of Serinus at the Scheme Voting Record Time present and voting, whether in person or by proxy, representing not less than three-quarters of the voting rights of the Serinus Shares voted by those Serinus Shareholders (or the relevant class or classes thereof, if applicable). In addition, the Resolution must be passed at the General Meeting to authorise the Serinus Directors to implement the Scheme and to deal with certain ancillary matters which require the approval of Serinus Shareholders present and voting representing at least three-quarters of the votes cast at the General Meeting (either in person or by proxy). The General Meeting will be held immediately after the Court Meeting. Notices of the Court Meeting and the General Meeting are set out in Part VIII (*Notice of Court Meeting*) and Part IX (*Notice of General Meeting*) of this Document, respectively.

Save as set out below, all holders of Scheme Shares (in the case of the Court Meeting) and Serinus Shares (in the case of the General Meeting) whose names appear on the register of members of Serinus at the Scheme Voting Record Time, or, if any such Meeting is adjourned, on the register of members at 6:30 p.m. (BST) on the date which is 48 hours (excluding any part of a day that is not a working day) before the date set for such adjourned meeting, will be entitled to attend and vote at the Court Meeting and the General Meeting, in respect of the Serinus Shares registered in their name at the relevant time.

(a) Court Meeting

The Court Meeting has been convened at the direction of the Court for 12:30 p.m. (BST) on 1 May 2025 for Serinus Shareholders to consider and, if thought fit, approve the Scheme.

At the Court Meeting, voting will be by poll and each Serinus Shareholder present in person or by proxy will be entitled to one vote for each Scheme Share held as at the Scheme Voting Record Time. The approval required at the Court Meeting is a majority in number of the Serinus Shareholders (or the relevant class or classes thereof, if applicable) who are on the register of members of Serinus at the Scheme Voting Record Time present and voting, whether in person or by proxy, representing not less than three-quarters of the voting rights of the Serinus Shares voted by those Serinus Shareholders (or the relevant class or classes thereof, if applicable).

It is important that, for the Court Meeting in particular, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of opinion of Serinus Shareholders. Whether or not you intend to attend and/or vote at the Court Meeting, Serinus Shareholders are strongly advised to sign and return your BLUE Form of Proxy or transmit a proxy appointment and voting instruction (online) for the Court Meeting as soon as possible.

The completion and return of the BLUE Form of Proxy (or appointment of a proxy online or by any other procedure described in this Document) will not prevent you from attending, voting and speaking at the Court Meeting as described above, if you are entitled to and wish to do so.

The securities represented by the accompanying BLUE Form of Proxy will be voted at the Court Meeting, and where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for. In the absence of such specification, proxies in favour of the Chair of the Court Meeting will be voted in favour of the Scheme Resolution at the Court Meeting.

(b) General Meeting

The General Meeting has been convened for 12:45 p.m. (BST) on 1 May 2025, or as soon after that time as the Court Meeting has been concluded or adjourned, for Serinus Shareholders to consider and, if thought fit, pass the Resolution necessary to implement the Scheme and certain related matters.

The Resolution is proposed to approve:

- giving the Serinus Board the authority to take all necessary action to carry the Scheme into effect; and
- amending the Articles as described in paragraph 11.3 below.

At the General Meeting, voting on the Resolution will be by poll and each Serinus Shareholder present or by proxy will be entitled to one vote for each Serinus Share held as at the Scheme Voting Record Time. The approval required for the Resolution to be passed is at least three-quarters of the votes cast on the Resolution (either by Serinus Shareholder attending the General Meeting in his, her or its own right and who is as represented by a proxy).

The completion and return of the WHITE Form of Proxy (or appointment of a proxy online or by any other procedure described in this Document) will not prevent you from attending and voting at the General Meeting as described above, if you are entitled to and wish to do so.

The securities represented by the accompanying WHITE Form of Proxy will be voted at the General Meeting, and where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for. In the absence of such specification, proxies in favour of the Chair of the General Meeting will be voted in favour of the Resolution to be proposed at the General Meeting.

(c) *Court Sanction Hearing*

Under the Jersey Companies Law, the Scheme requires the sanction of the Court. The hearing by the Court to sanction the Scheme is scheduled to be held at the Royal Court of Jersey, Royal Court House, Royal Square, St. Helier, Jersey JE1 1JG at 2:30 p.m. (BST) on 15 May 2025 subject to the prior satisfaction or waiver of the other Conditions set out in Part III (*Conditions to the Implementation of the Scheme and to the Acquisition*) of this Document. If this date changes, Serinus will give at least 14 days' notice of the revised time and date for the Court Sanction Hearing through Serinus' website <https://serinusenergy.com/xtellus-rule-2-7-offer/> and by announcement through a Regulatory Information Service, with such announcement being made available on Serinus' website at <https://serinusenergy.com/xtellus-rule-2-7-offer/>. Any further updates or changes to the date of the Court Sanction Hearing will be notified in the same way.

Serinus Shareholders are entitled to attend and be heard at the Court Sanction Hearing, either in person or through a Jersey advocate, to support or oppose the Scheme, and may also submit written statements regarding the Scheme for the Court's consideration. Such statements can be made in writing, addressed to Mourant Ozannes (Jersey) LLP, 22 Grenville Street, St Helier, Jersey JE4 8PX, Channel Islands marked "FAO Jon Woolrich / Serinus Scheme".

Following sanction of the Scheme by the Court, the Scheme will become Effective in accordance with its terms upon a copy of the Court Order being delivered to the Registrar of Companies.

Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended the Meetings using the electronic platform or voted in favour of, or against, the Scheme Resolution at the Court Meeting or in favour of, or against, or abstained from voting on the Resolution at the General Meeting.

If the Scheme does not become Effective by the Long Stop Date (or such later date as may be agreed in writing by Serinus and Xtellus with the Panel's consent and as the Court may approve (if such approval is required)), the Scheme will not become Effective and the Acquisition will not proceed.

11.3 **Amendments to the Articles**

It is proposed, in the Resolution, to amend Serinus' Articles to ensure that any Serinus Shares issued under the Share Plans or otherwise between the Scheme Voting Record Time and the Scheme Record Time will be subject to the Scheme. It is also proposed to amend Serinus' Articles so that any Serinus Shares issued to any person other than Xtellus or its nominee(s) at or after the Scheme Record Time will be automatically acquired by Xtellus on the same terms as under the Scheme (other than terms as to timing and formalities).

The Resolution set out in the notice of the General Meeting in Part IX (*Notice of General Meeting*) of this Document seeks the approval of Serinus Shareholders for such amendments.

11.4 **Entitlement to vote at the Meetings**

All holders of Serinus Shares whose names appear on the register of members of Serinus at the Scheme Voting Record Time (expected to be 6:30 p.m. (BST) on 29 April 2025) will be entitled to attend and vote on all resolutions to be put to the Court Meeting and the General Meeting (as applicable). If either Meeting is adjourned, only those Serinus Shareholders on the register of members at 6:30 p.m. (BST) on the day which is 48 hours (excluding any part of a day that is not a working day) before the adjourned meeting will be entitled to attend and vote. Each eligible Serinus Shareholder is entitled to appoint a proxy or proxies to attend and, on a poll, to vote, instead of him or her. A proxy need not be an Serinus Shareholder.

The completion and return of the Forms of Proxy by post (or appointment of a proxy online or by any other procedure described in this Document) will not prevent you from remotely attending and voting at the Court Meeting or the General Meeting, if you are entitled to and wish to do so.

The securities represented by the accompanying Forms of Proxy will be voted at the Meetings, and where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for. In the absence of such specification, proxies in favour of the Chair of each of the Court Meeting and the General Meeting will be voted in favour of the Scheme Resolution at the Court Meeting and in favour of the Resolution to be proposed at the General Meeting.

If you are in any doubt as to whether or not you are permitted to vote at the Meetings, please call Computershare (in Jersey) between 8.30 a.m. and 5.30 p.m. (London time) Monday to Friday (except public holidays in Jersey) on 0370 707 4040 (from within the UK) or +44 370 707 4040 (from outside the UK). Computershare cannot provide any financial, legal or tax advice and cannot advise on the merits of the Scheme or the Acquisition and calls may be recorded and monitored for security and training purposes.

Further information on the actions to be taken is set out on pages 10 to 12 (*Action to be taken*) of this Document.

11.5 Modifications to the Scheme

The Scheme contains a provision for Serinus and Xtellus jointly to consent (on behalf of all persons concerned) to any modification of, or addition to, the Scheme or to any condition which the Court may approve or impose. The Court would be unlikely to approve or impose any modification of, or addition or condition to, the Scheme which might be material to the interests of Scheme Shareholders unless Scheme Shareholders were informed of any such modification, addition or condition. It would be for the Court to decide, in its discretion, whether or not a further meeting of Scheme Shareholders should be held in those circumstances.

11.6 Conditions to the Acquisition

The Conditions to the Acquisition are set out in full in Part III (*Conditions to the Implementation of the Scheme and to the Acquisition*) of this Document, and the Scheme shall only become Effective, if, among other things, the following events occur on or before the Long Stop Date or such later date as may be agreed by Xtellus and Serinus (with the Panel's consent and as the Court may approve (if such approval(s) are required)). In summary, the Acquisition is conditional upon, among other things:

- (a) the Court Meeting and the General Meeting being held no later than the 22nd day after the expected date of the relevant Meeting set out in this Document (or such later date as may be agreed by Xtellus and Serinus and the Court may allow);
- (b) the approval of the Scheme by the requisite majorities of Serinus Shareholders, as relevant, at the Court Meeting and the General Meeting;
- (c) the Romanian regulatory condition described in paragraph 3 of Part A of Part III (*Conditions to the Implementation of the Scheme and to the Acquisition*) of this Document;
- (d) the Scheme being sanctioned by the Court on or before the 22nd day after the expected date of the Court Sanction Hearing (or such later date as may be agreed by Xtellus and Serinus and the Court may allow); and
- (e) the Scheme becoming Effective by the Long Stop Date.

Provided, however, that the deadlines for the timing of the Court Meeting, the General Meeting and the Court Sanction Hearing as set out above may be waived by Xtellus, and the deadline for the Scheme to become Effective may be extended by agreement between Serinus and Xtellus (with the Panel's consent and as the Court may approve (if such approval(s) are required)).

Upon the Scheme becoming Effective: (i) it shall be binding on all Serinus Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting and, if they attended and voted, whether or not they voted in favour of or against the resolutions proposed at those meetings; and (ii) share certificates in respect of Serinus Shares will cease to be valid and should be destroyed and entitlements to Serinus Shares held through CREST will be cancelled.

Right to Switch to a Takeover Offer

Xtellus reserves the right, in accordance with the Cooperation Agreement and subject to the prior consent of the Panel, and in compliance with applicable Polish and Canadian securities laws or an exemption therefrom, to elect to implement the Acquisition by way of a Takeover Offer for Serinus Shares as an alternative to the Scheme. In such event, such Takeover Offer will (subject to mandatory provisions of any applicable law and unless otherwise consented to by Serinus or required by the Panel) be implemented on the same terms and conditions (subject to appropriate amendments, including an acceptance condition set at 75 per cent. of Serinus Shares to which the Takeover Offer relates (or such lesser percentage, being more than 50 per cent., as Xtellus may decide, of the voting rights then exercisable at a General Meeting of Serinus)) as those which would apply to the Scheme.

12. Acquisition-Related Arrangements

12.1 Cooperation Agreement

Each of Xtellus and Serinus entered into a cooperation agreement on 24 March 2025 (the “**Cooperation Agreement**”) in connection with the Acquisition.

Pursuant to the Cooperation Agreement, each of Xtellus and Serinus have agreed to co operate with each other, the parties have agreed to use all reasonable efforts to procure that all regulatory approvals required in connection with the satisfaction of the Conditions are obtained.

Xtellus has also agreed to certain provisions if the Scheme should switch to a Takeover Offer. The Cooperation Agreement will terminate, *inter alia*, if agreed in writing between Serinus and Xtellus or upon service of written notice by Xtellus to Serinus if the Serinus Directors withdraw, adversely qualify or adversely modify their unanimous recommendation of the Acquisition prior to the General Meeting.

13. Re-Registration and cancellation of admission of Serinus to trading on AIM and WSE

Cancellation of admission to trading on AIM and WSE

It is intended that Serinus will make an application to the London Stock Exchange to cancel the trading of the Serinus Shares on AIM, to take effect from a date shortly after the Effective Date once the Scheme Shares have been transferred to Xtellus. The last day of dealings in Serinus Shares on AIM is expected to be the Business Day immediately after the Sanction Hearing and no transfers will be registered after 6:00 p.m. on that date other than to Xtellus (or as Xtellus may direct) pursuant to the Articles, as proposed to be amended by the Resolution at the General Meeting. It is intended that subject to PFSA permission for the Serinus delisting, the WSE will be requested to cancel admission of the Serinus Shares to trading on WSE to become effective as soon as practicable after the Effective Date. It is intended for the last day of dealings in Serinus Shares on the WSE to be the last Business Day prior to the Effective Date and for no transfers to be registered after 6.00 p.m. (Warsaw time) on that date.

Re-registration

Xtellus also proposes that Serinus, currently organised as a public company limited by shares, will be re-registered as a private company limited by shares following completion of the Acquisition.

14. Settlement

Subject to the Scheme becoming Effective, settlement of the consideration to which any Scheme Shareholder is entitled will be effected not later than 14 days after the Effective Date in the manner set out below.

14.1 Settlement of Cash Consideration for Serinus Shareholders

Settlement in respect of Scheme Shares held in certificated or registered form on the Jersey register

Where, at the Scheme Record Time, a Scheme Shareholder holds such shares in certificated form, settlement of the cash consideration due pursuant to the Scheme will be effected by the relevant Scheme Shareholder’s current mandate for dividend payments. In the absence of a valid standing instruction for payment by electronic means, the relevant Scheme Shareholder will receive a payment by cheque (drawn on a branch of a clearing bank in the United Kingdom). Cheques in respect of cash consideration will be despatched by post (or by such other method as may be approved by the Panel), at the risk of the

person entitled, to Scheme Shareholders at the address appearing in Serinus' register of members at the Scheme Record Time or, in the case of the joint holders, to the address of the holder whose name appears first in such register in respect of the joint holding concerned.

Settlement in respect of Scheme Shares held in uncertificated form on the Jersey register in CREST

Scheme Shareholders who hold their Scheme Shares in uncertificated form on the Jersey register (that is, in CREST) at the Scheme Record Time will be paid the cash consideration due pursuant to the Scheme in accordance with their standing currency elections for payments by Serinus, by Xtellus procuring that Euroclear is instructed to create an assured payment obligation in favour of the relevant Scheme Shareholder's payment bank in accordance with the CREST assured payment arrangements, as soon as practicable and, in any event, no later than 14 days after the Effective Date.

Notwithstanding the above, Xtellus reserves the right, at its sole discretion, to make such payment by cheque following the procedure set out above if, for reasons outside its control, it is not able to effect settlement of the cash consideration through CREST.

14.2 **General**

All documents and remittances sent through the post will be sent at the risk of the person(s) entitled thereto.

Save with the consent of the Panel, settlement of the consideration to which any Serinus Shareholder is entitled under the Scheme will be implemented in full in accordance with the terms set out in this Part II (*Explanatory Statement*) without regard to any lien, right of set off, counterclaim or analogous right to which Xtellus may otherwise be, or claim to be, entitled against any Serinus Shareholder.

15. **Taxation**

15.1 **Jersey Taxation**

The following summary of the anticipated tax treatment in Jersey of the holders of Scheme Shares is based on Jersey taxation law as it is understood to apply at the date of this Document. It does not constitute legal or tax advice. Holders of Scheme Shares should consult their professional advisers on the implications of the Scheme under the laws of the jurisdictions(s) in which they may be liable to taxation. Holders of Scheme Shares should also be aware that tax laws, rules and practice and their interpretation may change.

No taxation or stamp duty will be payable in Jersey by holders of Scheme Shares (other than holders of Scheme Shares resident in Jersey who may be subject to tax depending on their circumstances) as a result of the transfer of Scheme Shares to Xtellus or the implementation of the Scheme and no withholding is required under current law.

15.2 **Canadian Federal Income Taxation**

The following is, as of the date of this Document, a summary of the principal Canadian federal income tax considerations under the Income Tax Act (Canada) (the "**Tax Act**") in respect of the Scheme that are generally applicable to a beneficial owner of Serinus Shares who at all relevant times and for purposes of the Tax Act: (a) deals at arm's length with and Xtellus; (b) is not and will not be affiliated with Serinus or Xtellus; (c) holds Serinus Shares as capital property; (d) is an individual who, or is deemed to be, resident in Canada; and (e) is not exempt from tax under Part I of the Tax Act (each such person a "**Canadian Holder**").

Serinus Shares generally will be considered capital property to a Canadian Holder for purposes of the Tax Act unless the Canadian Holder holds such shares in the course of carrying on a business of buying and selling securities or the Canadian Holder has acquired or holds such shares in a transaction or transactions considered to be an adventure or concern in the nature of trade.

This summary is not applicable to a Canadian Holder: (a) that is a "financial institution" (as defined in the Tax Act for the purposes of the "mark-to-market rules"); (b) that is a "specified financial institution" (as defined in the Tax Act); (c) an interest in which is a "tax shelter investment" (as defined in the Tax Act); (d) that reports its "Canadian tax results" (as defined in the Tax Act) in a currency other than Canadian currency; (e) with respect to whom Serinus or Xtellus is or will be a "foreign affiliate" within

the meaning of the Tax Act; (f) that has entered into or will enter into a “synthetic disposition agreement”, or a “derivative forward agreement”, as defined in the Tax Act with respect to Serinus Shares; or (g) who acquired Serinus Shares under the Share Plans. Such Canadian Holders should consult their own tax advisors.

This summary is based on the current provisions of the Tax Act in force as of the date hereof, the regulations thereunder, and an understanding of the administrative policies and assessing practices of the Canada Revenue Agency (“CRA”) published in writing by it and publicly available prior to the date hereof. This summary also takes into account all specific proposals to amend the Tax Act that have been publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof (the “Proposed Amendments”) and assumes that the Proposed Amendments will be enacted in the form proposed. No assurance can be given that the Proposed Amendments will be enacted in the form proposed, or at all. Except for the Proposed Amendments, this summary does not otherwise take into account or anticipate any other changes in law, whether by judicial, governmental or legislative decision or action or changes in the administrative policies or assessing practices of the CRA, nor does it take into account provincial, territorial or foreign tax legislation or considerations, which may differ from the Canadian federal income tax considerations discussed below.

Currency Conversion

For the purposes of the Tax Act, all amounts expressed in a currency other than Canadian dollars relating to the acquisition, holding or disposition of a Serinus Share, including dividends, adjusted cost base and proceeds of disposition, must be determined in Canadian dollars using the relevant rate of exchange required under the Tax Act. Disposition of Serinus Shares Pursuant to the Scheme

A Canadian Holder who disposes of Serinus Shares to Xtellus under the Scheme will be considered to have disposed of each Serinus Share for proceeds of disposition equal to the amount of cash received by the Canadian Holder, for such shares under the Scheme. As a result, the Canadian Holder will generally realize a capital gain (or a capital loss) to the extent that such proceeds of disposition exceed (or are less than) the aggregate of the Canadian Holder’s adjusted cost base of the Serinus Share immediately before the time of disposition and any reasonable costs of disposition. For a description of the tax treatment of capital gains and capital losses, please see “*Taxation of Capital Gains and Capital Losses*” below.

Taxation of Capital Gains and Capital Losses

Generally, a Canadian Holder will be required to include in computing income for a taxation year one-half of the amount of any capital gain (a “**taxable capital gain**”) realized in that year. A Canadian Holder will generally be required to deduct one half of the amount of any capital loss (an “**allowable capital loss**”) realized in a taxation year from taxable capital gains realized by the Canadian Holder in that taxation year (subject to and in accordance with rules contained in the Tax Act). Allowable capital losses in excess of taxable capital gains for a taxation year may be carried back to any of the three preceding taxation years or carried forward to any subsequent taxation year and deducted against net taxable capital gains realized in such years to the extent and under the circumstances specified by the Tax Act.

A capital gain realized by a Canadian Holder who is an individual (including certain trusts) may give rise to liability for alternative minimum tax under the Tax Act.

This summary is of a general nature only and is not exhaustive of all possible Canadian federal income tax considerations. This summary is not, and should not be construed as, legal, business or tax advice to any particular Serinus Shareholder and no representation with respect to the tax consequences to any particular Serinus Shareholder is made. Accordingly, all such shareholders should consult their own tax advisors regarding the Canadian federal income tax consequences of the Scheme applicable to their particular circumstances, and any other consequences to them of such transactions under Canadian federal, provincial, local and foreign tax laws.

15.3 United Kingdom Taxation

The following statements are intended only as a general guide to certain limited aspects of the UK tax treatment of Serinus Shareholders in connection with the Scheme and do not purport to be a complete analysis of all potential UK tax consequences relating to the Scheme. They are based on current UK tax law and what is understood to be the current practice of HMRC (which may not be binding on HMRC) as at the date of this Document, both of which may change, possibly with retroactive effect.

The following statements apply only to Serinus Shareholders who are resident and, in the case of individuals domiciled for tax purposes in (and only in) the UK and to whom “split year” treatment does not apply, who hold their Serinus Shares as an investment (other than where a tax exemption applies, for example in an individual savings account or pension arrangement) and who are the absolute beneficial owner of the relevant Serinus Shares. The tax position of certain categories of Serinus Shareholders who are subject to special rules is not considered and it should be noted that they may incur liabilities to UK tax on a different basis to that described below. This includes persons who have acquired (or could be treated for tax purposes as having acquired) their Serinus Shares in connection with employment, dealers in securities, insurance companies, collective investment schemes, charities, exempt pension funds and temporary non-residents and non-residents carrying on a trade, profession or vocation in the UK.

The statements summarise the current position and are intended as a general guide only and does not constitute tax or legal advice. Prospective investors who are in any doubt as to their tax position or who may be subject to tax in a jurisdiction other than the United Kingdom are strongly recommended to consult their own professional advisers.

UK Taxation of Chargeable Gains (“CGT”)—Acquisition Price

The transfer of Serinus Shares under the Scheme in return for cash should be treated as a disposal of the Serinus Shareholder’s Serinus Shares for the purposes of UK capital gains tax or corporation tax on chargeable gains (as applicable). This disposal may, depending upon the Serinus Shareholder’s circumstances and subject to any available exemption or relief (such as the annual exempt amount for individuals), give rise to a chargeable gain or an allowable loss for the purposes of UK taxation of chargeable gains.

Stamp Duty and Stamp Duty Reserve Tax (“SDRT”)

No UK stamp duty or SDRT should be payable by Serinus Shareholders on the transfer of their Serinus Shares under the Scheme.

16. Overseas Shareholders

16.1 General

The release, publication or distribution of this Document in or into or from jurisdictions other than Jersey, the United Kingdom, Canada or the United States may be restricted by law. Persons who are not resident in Jersey, the United Kingdom or Canada or who are subject to the laws of other jurisdictions should inform themselves of, and observe, any applicable requirements. In particular, the ability of persons who are not resident in Jersey, the United Kingdom or Canada to vote their Scheme Shares with respect to the Scheme Resolution at the Court Meeting, or to appoint another person as proxy to vote at the Court Meeting on their behalf may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. This Document has been prepared for the purposes of complying with Jersey law, Canadian securities laws and the Takeover Code and the information disclosed may not be the same as that which would have been disclosed if this Document had been prepared in accordance with the laws of jurisdictions outside of Jersey, the United Kingdom and Canada.

Unless otherwise determined by Xtellus or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction or any other jurisdiction where to do so would violate the laws of that jurisdiction and no person may vote in favour of the Scheme Resolution at the Court Meeting or the Resolution at the General Meeting by any use, means, instrumentality or form within a Restricted Jurisdiction or any

other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Document will not be and must not be, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction or any jurisdiction where to do so would violate the laws of that jurisdiction, and persons receiving all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or into or from any Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction.

Persons who are not resident in Jersey, the United Kingdom or Canada should inform themselves of, and observe, any applicable legal or regulatory requirements.

The Acquisition shall be subject to the applicable requirements of the Takeover Code, the Panel and applicable Canadian securities laws that apply to Serinus due to its status as a “reporting issuer” in the provinces of Canada.

16.2 Additional Information for Canadian Investors

No securities commission or similar authority of Canada, or any other jurisdiction has reviewed or in any way passed upon this Document or the merits of the securities described herein, and any representation to the contrary is an offence.

The Acquisition relates to the shares of a Jersey company and is being made by means of a members’ scheme of arrangement provided for under the Jersey Companies Law. If Xtellus were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with applicable Canadian securities laws or pursuant to an exemption therefrom.

The receipt of cash consideration by a Canadian Holder for the transfer of its Serinus Shares pursuant to the Scheme will generally be a taxable transaction for Canadian federal income tax purposes and under applicable Canadian, as well as applicable foreign and other, tax laws. Each Serinus Shareholder is urged to consult his, her or their independent professional adviser immediately regarding the tax, and other, consequences of the Acquisition applicable to him, her or it, including under applicable Canadian local, as well as foreign and other, tax laws. Canadian Holders should review paragraph 15 of Part II (*Explanatory Statement*) entitled “Taxation” and paragraph 15.2 entitled “Canadian Federal Income Taxation”.

Serinus is formed under the laws of Jersey. In addition, some or all of its officers and directors reside outside Canada, and some or all of its assets are or may be located in jurisdictions outside Canada. Therefore, investors may have difficulty effecting service of process within Canada upon those persons or recovering against Serinus or its officers or directors on judgments of Canadian courts, including judgments based upon the civil liability provisions of applicable Canadian securities laws. Further, it may be difficult to compel a non-Canadian company and its affiliates to subject themselves to a Canadian court’s judgment. It may not be possible to sue Serinus or its officers or directors in a non-Canadian court for violations of applicable Canadian securities laws.

16.3 Additional Information for US Investors

The Acquisition is being made to acquire the securities of a Jersey company by means of a members’ scheme of arrangement provided for under Jersey Companies Law. Serinus is a “foreign private issuer” as defined under Rule 3b-4 under the US Exchange Act. A transaction effected by a foreign private issuer by means of a members’ scheme of arrangement is not subject to the shareholder vote, proxy solicitation or tender offer rules under the US Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements and practices applicable in Jersey to schemes of arrangement, which differ from the disclosure requirements of the US shareholder vote, proxy solicitation and tender offer rules and the US Securities Act. If, in the future, Xtellus exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable laws and regulations of the United Kingdom, Jersey and the United States, including any applicable exemptions under the US Exchange Act.

Financial information included in this Document has been or will have been prepared in accordance with IFRS and may not therefore be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If Xtellus were to elect to implement the Acquisition by means of a Takeover Offer,

such Takeover Offer would be made in compliance with applicable US laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by Xtellus and no one else.

In the event that the Acquisition is implemented by way of Takeover Offer, in accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Xtellus or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase Serinus Shares outside of the United States, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

Neither the SEC nor any state securities commission has reviewed, approved or disapproved this Document, the Scheme or any of the proposals described herein, or passed upon or determined the adequacy or accuracy of the information contained in this Document or disapproved or passed judgment upon the fairness or the merits of the Acquisition. Any representation to the contrary is a criminal offence in the United States.

The receipt of cash consideration by a US holder for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each Serinus Shareholder is urged to consult his, her or their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him, her or it, including under applicable United States state and local, as well as foreign and other, tax laws.

Serinus is formed under the laws of Jersey. In addition, some or all of its officers and directors reside outside the US, and some or all of its assets are or may be located in jurisdictions outside the US. Therefore, investors may have difficulty effecting service of process within the US upon those persons or recovering against Serinus or its officers or directors on judgments of US courts, including judgments based upon the civil liability provisions of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment. It may not be possible to sue Serinus or its officers or directors in a non-US court for violations of US securities laws.

16.4 Additional Information for Polish Investors

The Acquisition is being made to acquire the securities of a Jersey company by means of a members' scheme of arrangement provided for under Jersey Companies Law. A transaction effected by means of a members' scheme of arrangement differs from the tender offer rules (including the minimum price calculation) under the Polish Act on Public Offering, the Scheme is subject to the disclosure requirements and practices applicable in Jersey to schemes of arrangement, which differ from the disclosure requirements of the Polish tender offer rules. If, in the future, Xtellus exercises the right to implement the Acquisition by way of a Takeover Offer the Acquisition will be made in compliance with relevant Polish laws and regulations, to the extent they are applicable.

None of the securities referred to in this Document have been approved or disapproved by the PFSC or any other Polish regulatory authority. The PFSC has not reviewed, approved or disapproved this Document, the Scheme or any of the proposals described herein, or passed upon or determined the adequacy or accuracy of the information contained in this Document or disapproved or passed judgment upon the fairness or the merits of the Acquisition.

The receipt of cash consideration by a Polish holder for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for Polish income or capital gains tax purposes. Each Serinus Shareholder is urged to consult his, her or their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him, her or it, including under applicable Polish as well as foreign and other, tax laws.

Serinus is formed under the laws of Jersey. In addition, some or all of its officers and directors reside outside Poland, and some or all of its assets are or may be located in jurisdictions outside Poland. Therefore, investors may have difficulty effecting service of process within Poland upon those persons or recovering against Serinus or its officers or directors on judgments of Polish courts, including judgments based upon the civil liability provisions of Polish laws. Further, it may be difficult to compel a non Polish company and its affiliates to subject themselves to a Polish court's judgment. It may not be possible to sue Serinus or its officers or directors in a non Polish court for violations of Polish securities laws.

17. Further Information

The terms of the Scheme are set out in full in Part IV (*The Scheme of Arrangement*) of this Document. Your attention is also drawn to the further information contained in this Document, all of which forms part of this Explanatory Statement, and, in particular, to the Conditions set out in Part A of Part III (*Conditions to the Implementation of the Scheme and to the Acquisition*), and the additional information set out in Part IV (*The Scheme of Arrangement*) of this Document.

18. Actions to be Taken

18.1 Whether or not you intend to attend the Court Meeting and/or the General Meeting, please either submit your proxies electronically using one of the methods set out below or complete and sign both Forms of Proxy and return them so as to reach Computershare by the relevant proxy deadline.

(a) *Sending Forms of Proxy by Post*

Serinus Shareholders are requested to complete and sign the BLUE Form of Proxy in accordance with the instructions printed thereon and return them by post, in the pre-paid envelope provided, to Computershare at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, so as to be received as soon as possible and in any event not later than 6:30 p.m. (BST) on 29 April 2025, or, if adjourned, not later than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the adjourned Court Meeting.

If the BLUE Form of Proxy relating to the Court Meeting is not returned by Serinus Shareholders so as to be received by the time mentioned above for return of the BLUE Form of Proxy, it may be handed to the Chair of the Court Meeting before the start of the Court Meeting and will still be valid.

(b) *Online Appointment of Proxies*

As an alternative to completing and returning the printed BLUE Form of Proxy, you may register the appointment of your proxy or proxies or voting directions electronically via the Investor Centre service at www.investorcentre.co.uk/eproxy, where full details of the procedure are given. Members are advised to read the terms and conditions of use carefully and will need their Shareholder Reference Number (SRN), Control Number and Personal Identification Number (PIN) set out on the Forms of Proxy. Electronic communication facilities are available to all members and those who use them will not be disadvantaged. The Company will not accept any communication that is found to contain a computer virus. For an electronic proxy appointment to be valid, the appointment must be received by Computershare no later than 6:30 p.m. (BST) on 29 April 2025 (or, if in case a Meeting is adjourned, no later than 48 hours (excluding any day which is not a working day) before the time fixed for the adjourned Meeting). Full details of the procedure to be followed to appoint a proxy electronically are given on the website.

(c) *Electronic Appointment of Proxies through CREST*

If you hold Serinus Shares in uncertificated form through CREST and wish to appoint a proxy or proxies for the Court Meeting by using the CREST electronic proxy appointment service, you may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed any voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with the specifications of Euroclear and must contain the information required for such instructions as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instructions given to a previously appointed proxy), must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) no later than 6:30 p.m. (BST) on 29 April 2025 (or, if in either case a Meeting is adjourned, no later than 48 hours (excluding any day which is not a working day) before the time fixed for the adjourned Meeting).

For the purpose of the above, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which Computershare is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers, should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed any voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Serinus may treat as invalid a CREST Proxy Instruction in the circumstances set out in the CREST Regulations.

(d) *Shareholder Helpline*

If Serinus Shareholders have any questions about the Meetings or the completion and return of the Forms of Proxy, please contact Computershare (in Jersey) between 8.30 a.m. and 5.30 p.m. (BST) on Monday to Friday (except public holidays in Jersey) on 0370 707 4040 (from within the UK) or +44 370 707 4040 (from outside the UK). Please note that Computershare cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes. If requested, copies of the Forms of Proxy will be provided free of charge.

Part B Certain further terms of the Acquisition

1. Subject to the requirements of the Panel and the Takeover Code, Xtellus reserves the right in its sole discretion to waive in whole or in part, all or any of the Conditions set out in Part A above, except Condition 1 and 2, which cannot be waived. The deadlines set out in Conditions 1 and 2 may be extended to such later date as may be agreed: (a) in writing by Xtellus and Serinus; or (b) (in a competitive situation) specified by Xtellus with the consent of the Panel, and in either case with the approval of the Court, if such approval is required. If any such deadline is not met, Xtellus shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked the relevant Condition, waived the relevant deadlines or agreed with Serinus (or, as the case may be, the Panel) to extend the relevant deadline in relation to the relevant Condition. Conditions 2.1, 2.2, 3 and 4 must be fulfilled, be determined by Xtellus to be or remain satisfied or (if capable of waiver) be waived by Xtellus by 11.59 p.m. on the date immediately preceding the Court Sanction Hearing.
2. Xtellus shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions in Part A above that are capable of waiver by a date earlier than the latest date for the fulfilment of that Condition notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
3. Under Rule 13.5(a) of the Takeover Code and subject to paragraph 4 below, Xtellus may not invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Xtellus in the context of the Acquisition with the consent of the Panel. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.
4. Conditions 1 and 2 in Part A above, and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Takeover Code. Xtellus may only invoke a Condition that is subject to Rule 13.5(a) with the consent of the Panel and any Condition that is subject to Rule 13.5(a) may be waived by Xtellus.
5. If the Panel requires Xtellus to make an offer or offers for Serinus Shares under the provisions of Rule 9 of the Takeover Code, Xtellus may make such alterations to the Conditions as are necessary to comply with the provisions of that Rule.
6. Xtellus reserves the right to elect to implement the Acquisition by way of a Takeover Offer (as defined in Article 116 of the Jersey Companies Law) as an alternative to the Scheme, subject to the Panel's consent (where necessary) and the terms of the Cooperation Agreement. In such event, the Takeover Offer will (subject to mandatory provisions of applicable law) be implemented on the same terms and conditions so far as is applicable (and subject to the terms of the Cooperation Agreement), as those which would apply to the Scheme (subject to appropriate amendments), including (without limitation) an acceptance condition set at 75% of the Serinus Shares on a fully diluted basis (or such other percentage as Xtellus and Serinus may agree in accordance with the terms of the Cooperation Agreement) and, to the extent necessary with the consent of the Panel, being in any case more than 50% of the voting rights attaching to the Serinus Shares (or any amendments required by, or deemed appropriate by, Xtellus under applicable law or any amendments necessary to reflect the Takeover Offer) as those that would apply to the Scheme. If the Acquisition is effected by way of a Takeover Offer, and such Takeover Offer becomes

or is declared unconditional and sufficient acceptances are received in respect of the Takeover Offer, Xtellus intends to exercise its rights to apply the provisions of Part 18 of the Jersey Companies Law so as to acquire compulsorily the remaining Serinus Shares in respect of which the Takeover Offer has not been accepted.

7. Serinus Shares which will be acquired pursuant to the Acquisition will be acquired by Xtellus fully paid and free from all liens, charges, encumbrances and other third party rights of any nature whatsoever and together with all rights now or hereafter attaching or accruing to them as at the Effective Date, including voting rights and the right to receive and retain all dividends and distributions (if any) declared, made or paid or any other return of capital or value after the Acquisition becomes Effective.
8. If, on or after the date of the Announcement and prior to the Acquisition becoming Effective, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid by Serinus or becomes payable by Serinus in respect of the Serinus Shares, Xtellus reserves the right to reduce the consideration payable under the terms of the Acquisition for the Serinus Shares by an amount up to the aggregate amount of such dividend and/or distribution and/or other return of capital or value, in which case any reference in the Announcement to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. Any exercise by Xtellus of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme or the Acquisition. In such circumstances, Serinus Shareholders would be entitled to receive and retain any such dividend, distribution and/or other return of capital or value to which they are entitled.
9. The availability of the Acquisition to persons not resident in the United Kingdom or Jersey may be affected by the laws or regulatory requirements of the relevant jurisdictions. Persons who are not resident in the United Kingdom or Jersey should inform themselves about and observe any applicable requirements.
10. The Cooperation Agreement is governed by the laws of England and Wales and is subject to the jurisdiction of the English Courts and to the Conditions set out above. The Acquisition will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the FCA, the AIM Rules and the Jersey Companies Law. The Scheme will be governed by Jersey law and will be subject to the jurisdiction of the Court.
11. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
12. 7. Directors' service contracts and letters of appointment of Serinus Directors

7.1 Serinus Executive Director

Serinus has one Executive Director, Jeffrey Auld. Jeffrey Auld entered into an employment agreement dated 1 September 2016.

In 2024, Mr. Auld's salary was £350,000 and his total compensation was £458,121, which includes estimated payments under Serinus' annual incentive plan (being an annual cash bonus benefit), pensions and all other compensation. Mr. Auld holds 2,230,000 Options and 959,505 LTIP Awards as at the Disclosure Date.

Under the terms of his employment agreement, Mr. Auld has made commitments in favour of Serinus including non-disclosure covenants (which survive the termination of his employment).

Mr. Auld may terminate his employment with 60 days' notice. Serinus may terminate the employment for cause or without cause immediately, effective upon receipt by Mr. Auld of that notice.

Under his employment agreement, Mr. Auld and Serinus have agreed that damages alone would be an insufficient remedy for breach of the covenants contained in the agreement, including those described above, and that Serinus, in addition to all other remedies, shall be entitled as a matter of right to equitable relief, including temporary or permanent injunction, to restrain any such breach.

Serinus maintains directors' and officers' insurance for the benefit of Mr. Auld.

Termination fees

(i) Termination by Serinus without cause

Serinus may terminate Mr. Auld's employment without cause (as defined under his employment agreement) by providing written notice to Mr. Auld and paying Mr. Auld an aggregate amount equal to Mr. Auld's pro-rata base salary through to and including his last day of employment, all accrued vacation pay and reimbursable expenses through to and including Mr. Auld's last day of employment

and a retiring allowance equal to the sum of 12 months' base salary plus the average of the two most recent annual bonuses paid to Mr. Auld. Such payments shall be subject to required withholdings and a full and final release provided by Mr. Auld in favour of Serinus.

Under the terms of his employment agreement, upon Mr. Auld's termination of employment, Mr. Auld may, subject to certain restrictions, exercise his Options within 90 days of cessation of his employment, but only to the extent that such Options have vested. Any unvested Options will lapse.

Under the terms of his employment agreement, upon Mr. Auld's termination of employment, Mr. Auld may, subject to certain restrictions, retain any LTIP Awards that have not yet vested and exercise them no later than 6 months after the date of vesting. The Remuneration Committee has the discretion to accelerate the timing and to allow the LTIP Awards to be exercisable during a period determined by the Remuneration Committee following cessation, to the extent that performance conditions (if any) have been satisfied at the date of cessation of employment. The number of shares in respect of which the LTIP Award may be exercised will be subject to time pro-rating (i.e. reduced to reflect the period during the vesting period which the employee has worked) unless decided otherwise by the Remuneration Committee.

(ii) Termination by Serinus for just cause or by Mr. Auld

In the event that (a) Serinus terminates Mr. Auld's employment agreement for just cause (as defined under his employment agreement) by providing written notice to Mr. Auld; or (b) Mr. Auld terminates his employment agreement, Serinus shall pay Mr. Auld an aggregate amount equal to Mr. Auld's pro-rata base salary through to and including his last day of employment and any accrued vacation pay and reimbursable expenses through to and including Mr. Auld's last day of employment.

Under the terms of his employment agreement, upon Mr. Auld's termination of employment, Mr. Auld may, subject to certain restrictions, exercise his Options within 90 days of cessation of his employment, but only to the extent that such Options have vested. Any unvested Options will lapse following termination.

Under the terms of his employment agreement, upon Mr. Auld's termination of employment, any unvested LTIP Awards held by Mr. Auld will lapse unless decided otherwise by the Remuneration Committee.

Following such termination, Serinus shall pay Mr. Auld an aggregate amount equal to Mr. Auld's pro-rata base salary through to and including his last day of employment, all accrued vacation pay and reimbursable expenses through to and including Mr. Auld's last day of employment and a retiring allowance equal to the sum of 12 months' base salary plus the average of the two most recent annual bonuses paid to Mr. Auld.

Each non-executive director holds office until the next annual general meeting of Serinus, or until their respective successors are elected or appointed in accordance with applicable law and the Articles. The letters of appointment are effective until the last day of the director's current term and the letters automatically renew if such director is re-elected. If required by Serinus' majority voting policy or in the

PART VIII NOTICE OF COURT MEETING

IN THE ROYAL COURT OF JERSEY
SAMEDI DIVISION

File No. 2025/067

IN THE MATTER OF SERINUS ENERGY PLC.

and

IN THE MATTER OF ARTICLE 125 OF THE COMPANIES (JERSEY) LAW 1991

NOTICE IS HEREBY GIVEN that, by an order dated 3 April 2025 made in the above matter, the Court has given permission for a meeting (the “**Court Meeting**”) to be convened of the Serinus Shareholders (as defined in the Scheme referred to below) for the purpose of considering and, if thought fit, approving scheme of arrangement (the “**Scheme**”) proposed to be made pursuant to Article 125 of the Companies (Jersey) Law 1991 (as amended) (the “**Jersey Companies Law**”) between Serinus Energy plc. (the “**Company**”) and the holders of Scheme Shares (as defined in the Scheme) and that such meeting will be held at Serinus’ registered office, 2nd Floor, The Le Gallais Building, 54 Bath Street, St Helier, Jersey, JE1 1FW on 1 May 2025 at 12:30 p.m. (BST), at which time and place all such holders of Scheme Shares are encouraged to attend either in person or by proxy.

Unless defined in this notice, capitalised terms used in this notice shall have the meaning given to them in Part VII (*Definitions*) of the Document which this notice forms part.

A copy of the said Scheme and a copy of the explanatory statement required to be published pursuant to Article 126 of the Jersey Companies Law are incorporated in the Document of which this notice forms part.

It is important that, for the Court Meeting in particular, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of opinion of Serinus Shareholders.

Each member present or by proxy will be entitled to one vote for each Scheme Share held at the Scheme Voting Record Time.

Votes to be taken by a poll and results

At the Court Meeting voting on the Scheme Resolution will be by poll rather than a show of hands. This is a more transparent method of voting as member votes are to be counted according to the number of shares held.

You must vote either for or against the Scheme. It is not possible to withhold your vote. The results of the voting at the Court Meeting will be announced as soon as practicable through Serinus’ website at <https://serinusenergy.com/xtellus-rule-2-7-offer/> and by announcement through a Regulatory Information Service.

Scheme Voting Record Time

Serinus Shareholders are strongly encouraged to submit proxy appointments and instructions for the Court Meeting as soon as possible, using any of the methods set out in the notes below. Serinus Shareholders are also strongly encouraged to appoint the Chair of the Court Meeting as their proxy.

Entitlement to attend, speak and vote at the Court Meeting or any adjournment thereof, and the number of votes which may be cast at the Court Meeting, will be determined by reference to the register of members of the Company at 6:30 p.m. (BST) on 29 April 2025 or, if the Court Meeting is adjourned, 48 hours (excluding any part of a day that is not a Business Day) before the date fixed for the adjourned meeting. Changes to the register of members after the relevant time shall be disregarded in determining the rights of any person to attend, speak and vote at the Court Meeting.

Joint Holders

In the case of joint holders of Scheme Shares the vote of the senior who tenders a vote by proxy will be accepted to the exclusion of the votes of the other joint holder(s) and for this purpose seniority will be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.

Corporate Representatives

As an alternative to appointing a proxy, any Serinus Shareholder which is a corporation may appoint one or more corporate representatives who may exercise on its behalf, all its powers as a member, provided that if two or more corporate representatives purport to vote in respect of the same shares, if they purport to exercise the power in the same way as each other, the power is treated as exercised in that way, and in other cases the power is treated as not exercised.

In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of such company or an attorney for such company.

By the said order, the Court has appointed Jeffrey Auld or, failing him, any other Serinus Director of the Company to act as Chair of the Court Meeting and has directed the Chair to report the result of the meeting to the Court.

The said Scheme will be subject to the subsequent sanction of the Court.

Notes:

The following notes explain your general rights as a Serinus Shareholder and your right to attend and vote at the Court Meeting or to appoint someone else to vote on your behalf.

1. Right to appoint a proxy; procedure for appointment

Serinus has designated the Chair as the person whom Serinus Shareholders may appoint as their proxy. Serinus Shareholders are strongly encouraged to appoint the Chair of the Court Meeting as their proxy. If a Serinus Shareholder wishes to appoint an individual other than the Chair to represent such Serinus Shareholder at the Court Meeting, such Serinus Shareholder may do so by crossing out the Chair on the Form of Proxy and inserting the name of that other individual in the blank space provided on the Form of Proxy. A proxyholder need not be a shareholder of Serinus.

Serinus Shareholders are strongly encouraged to submit proxy appointments and instructions for the Court Meeting as soon as possible, using any of the methods set out below.

Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Serinus Shareholders are entitled to appoint a proxy in respect of some or all of their Scheme Shares, respectively, and may also appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by such holder. Serinus Shareholders who wish to appoint more than one proxy in respect of their holding of Scheme Shares should contact Computershare for further Forms of Proxy. A space has been included in the BLUE Form of Proxy to allow Serinus Shareholders to specify the number of shares in respect of which that proxy is appointed. Serinus Shareholders who return the BLUE Form of Proxy duly executed but leave this space blank will be deemed to have appointed the proxy in respect of all of their Scheme Shares.

As set out above, Serinus Shareholders are also strongly encouraged to appoint the Chair of the Court Meeting as their proxy.

If you receive more than one Form of Proxy because you own Scheme Shares registered in different names or addresses, the relevant Form of Proxy should be completed and returned in respect of each name and address.

Sending Forms of Proxy by post

Serinus Shareholders are requested to complete and sign the BLUE Form of Proxy in accordance with the instructions printed thereon and return them by post, in the pre-paid envelope provided, to Computershare at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, so as to be received as soon as possible and in any event not later than 6:30 p.m. (BST) on 29 April 2025, or, if adjourned, not later than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the adjourned Court Meeting.

If the BLUE Form of Proxy relating to the Court Meeting is not returned by Serinus Shareholders so as to be received by the time mentioned above for return of the BLUE Form of Proxy, it may be handed to the Chair of the Court Meeting before the start of the Court Meeting and will still be valid.

Online appointment of proxies

As an alternative to completing and returning the printed BLUE Form of Proxy, you may register the appointment of your proxy or proxies or voting directions electronically via the Investor Centre service at www.investorcentre.co.uk/eproxy, where full details of the procedure are given. Members are advised to read the terms and conditions of use carefully and will need their Shareholder Reference Number (SRN), Control Number and Personal Identification Number (PIN) set out on the Forms of Proxy. Electronic communication facilities are available to all members and those who use them will not be disadvantaged. The Company will not accept any communication that is found to contain a computer virus. For an electronic proxy appointment to be valid, the appointment must be received by Computershare no later than 6:30 p.m. (BST) on 29 April 2025 for the Court Meeting (or, if in case the Court Meeting is adjourned, no later than 48 hours (excluding any day which is not a working day) before the time fixed for the adjourned Court Meeting). Full details of the procedure to be followed to appoint a proxy electronically are given on the website.

Electronic Appointment of Proxies through CREST

If you hold Serinus Shares in uncertificated form through CREST and wish to appoint a proxy or proxies for the Court Meeting by using the CREST electronic proxy appointment service, you may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed any voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with the specifications of Euroclear and must contain the information required for such instructions as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instructions given to a previously appointed proxy), must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) no later than 6:30 p.m. (BST) on 29 April 2025 for the Court Meeting (or, if in either case the Court Meeting is adjourned, no later than 48 hours (excluding any day which is not a working day) before the time fixed for the adjourned Court Meeting).

For the purpose of the above, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which Computershare is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers, should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed any voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Serinus may treat as invalid a CREST Proxy Instruction in the circumstances set out in the CREST Regulations.

2. Further questions and communication

If Serinus Shareholders have any questions about the Court Meeting or the completion and return of the BLUE Form of Proxy, please contact Computershare (in Jersey) between 8.30 a.m. and 5.30 p.m. (BST) on Monday to Friday (except public holidays in Jersey) on 0370 707 4040 (from within the UK) or +44 370 707 4040 (from outside the UK). Please note that Computershare cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes. If requested, copies of the BLUE Form of Proxy will be provided free of charge.

A copy of this notice is available for review at <https://serinusenergy.com/xtellus-rule-2-7-offer/>.

You may not use any electronic address provided in either this Notice of Court Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purpose other than those expressly stated.

PART IX NOTICE OF GENERAL MEETING

Serinus Energy plc.

NOTICE IS HEREBY GIVEN that an extraordinary general meeting of Serinus Energy plc. (the “**Company**”) will be held at Serinus’ registered office, 2nd Floor, The Le Gallais Building, 54 Bath Street, St Helier, Jersey, JE1 1FW on 1 May 2025 at 12:45 p.m. (BST) (or as soon thereafter as the Court Meeting (as defined in Part VII (*Definitions*) of the document which this notice forms part (the “**Document**”)) is concluded or adjourned) for the purpose of considering and, if thought fit, passing the following resolution, which will be proposed as a special resolution of the shareholders of the Company. Unless defined in this notice, capitalised terms used in this notice shall have the meaning given to them in Part VII (*Definitions*) of the Document.

SPECIAL RESOLUTION

THAT:

- (A) for the purpose of giving effect to the Scheme between the Company and the holders of the Scheme Shares, the terms of which are set out in full in Part IV (*The Scheme of Arrangement*) of the Document, in its original form or with or subject to any modification, addition, or condition agreed by the Company and Xtellus and approved or imposed by the Court, the directors of the Company (or a duly authorised committee thereof) be authorised to take all such action as they may consider necessary or appropriate for carrying the Scheme into effect; and
- (B) with effect from the passing of this resolution, the articles of association of the Company be and are hereby amended by the adoption and inclusion of the following new article 143:

“143. Scheme of Arrangement

143.1 In this Article 143, the **Scheme** means the scheme of arrangement dated 7 April 2025 (as amended or supplemented), between the Company and the holders of its Scheme Shares (as defined in the Scheme) under Article 125 of the Companies Law and as approved by the holders of the Scheme Shares at the meeting convened by the Court (as defined in the Scheme) and as may be modified or amended in accordance with its terms, and (save as defined in this Article), expressions defined in the Scheme shall have the same meanings in this Article.

143.2 Notwithstanding any other provision of these Articles or the terms of any resolution, whether ordinary or special passed by the Company, if the Company issues any shares (other than to Xtellus Capital Partners, Inc. (**Xtellus**) or any subsidiary of Xtellus, any parent undertaking of Xtellus or any subsidiary of such parent undertaking, or any nominee of Xtellus (each a **Xtellus Company**)) on or after the date of adoption of this Article and before the Scheme Record Time (as defined in the Scheme), such shares shall be issued subject to the terms of the Scheme and shall be Scheme Shares for the purposes thereof and the new member, and any subsequent holder of such shares (other than Xtellus, a Xtellus Company and/or its nominee or nominees), shall be bound by the Scheme accordingly. For the purposes of this Article 143.2, the terms **subsidiary** and **parent undertaking** have the meaning given in the Act.

143.3 Notwithstanding any other provision of these Articles, subject to the Scheme becoming Effective (as defined in the Scheme), if any shares are issued to any person (other than a Xtellus Company) (a **New Member**) on or after the Scheme Record Time (as defined in the Scheme) (the **Post-Scheme Shares**), such Post-Scheme Shares shall, subject to the Scheme becoming Effective, be immediately transferred to Xtellus (or such person as Xtellus may direct) (the **Purchaser**) in consideration of the payment to the New Member of an amount in cash for each Post-Scheme Share equal to the cash consideration which such New Member would have been entitled to receive for each Post-Scheme Share pursuant to the Scheme had such Post-Scheme Share been a Scheme Share (as applicable, after deduction of any tax and social security contributions their employer or any other company is required to withhold or account for in respect of either that consideration or the issue or transfer of the shares to the New Member).

143.4 On any reorganisation of, or material alteration to, the share capital of the Company (including, without limitation, any subdivision and/or consolidation) effected after the Effective Date, the value of the consideration per Post-Scheme Share to be paid under Article 143.3 above

shall be adjusted by the Board in such manner as the auditors of the Company may determine to be fair and reasonable to reflect such reorganisation or alteration. References in this Article to shares shall, following such adjustment, be construed accordingly.

143.5 To give effect to any transfer of Post-Scheme Shares required by this Article, the Company may appoint any person as attorney (under the Powers of Attorney (Jersey) Law 1995, and on the basis that any such appointment shall be irrevocable for a period of one year from the date upon which such New Member is issued the Post-Scheme Shares for that New Member) and/or agent for the New Member (or any subsequent holder or any nominee of such New Member or any such subsequent holder) to execute and deliver as transferor a form or forms of transfer or other instrument(s) or instruction(s) of transfer on behalf of the New Member to transfer the Post-Scheme Shares to the Purchaser or its nominee(s) and do all such other things and execute and deliver all such documents as may in the opinion of such attorney or agent be necessary or desirable to vest the Post-Scheme Shares in the Purchaser or its nominee(s) and pending such vesting to exercise all such rights attaching to the Post-Scheme Shares as the Purchaser may direct. If an attorney or agent is so appointed, the New Member (or any subsequent holder or any nominee of such New Member or any such subsequent holder) shall not thereafter (except to the extent that such attorney or agent fails to act in accordance with the directions of the Purchaser) be entitled to exercise any rights attaching to the Post-Scheme Shares unless so agreed in writing by the Purchaser. The attorney or agent shall be empowered to execute and deliver as transferor a form or forms of transfer or other instrument(s) or instruction(s) of transfer on behalf of the New Member (or any subsequent holder or any nominee of such New Member or any such subsequent holder) in favour of the Purchaser or its nominee(s) and the Company may give a good receipt for the purchase price of the Post-Scheme Shares and may register the Purchaser or its nominee(s) as holder thereof and issue to it certificates for the same. The Company shall not be obliged to issue a certificate to the New Member (or any subsequent holder or any nominee of such New Member or any such subsequent holder) for the Post-Scheme Shares. The Purchaser shall send a cheque drawn on a UK clearing bank (or shall procure that such a cheque is sent) in favour of the New Member (or the relevant transferee or nominee) for the purchase price of each Post-Scheme Share within 14 days of the time on which such Post-Scheme Shares are issued to the New Member.

143.6 If the Scheme shall not have become Effective by the applicable date referred to in (or otherwise set in accordance with) clause 8(b) of the Scheme (or such later date, if any, as Xtellus and the Company may agree and the Court and the Panel on Takeovers and Mergers may allow, if such consent is required), this Article 143 shall be of no effect.

143.7 Notwithstanding any other provision of these Articles, neither the Company nor the Board shall register the transfer of any Scheme Shares effected between the Scheme Record Time and the Effective Date other than to the Purchaser and/or its nominee(s) pursuant to the Scheme.”

Notes:

The following notes explain your general rights as a Serinus Shareholder and your right to attend and vote at the General Meeting or to appoint someone else to vote on your behalf.

1. Right to appoint a proxy; procedure for appointment

Serinus has designated the Chair as the person whom Serinus Shareholders may appoint as their proxy. Serinus Shareholders are strongly encouraged to appoint the Chair of the General Meeting as their proxy. If a Serinus Shareholder wishes to appoint an individual other than the Chair to represent such Serinus Shareholder at the General Meeting, such Serinus Shareholder may do so by crossing out the Chair on the Form of Proxy and inserting the name of that other individual in the blank space provided on the Form of Proxy. A proxyholder need not be a shareholder of Serinus.

Serinus Shareholders are strongly encouraged to submit proxy appointments and instructions for the General Meeting as soon as possible, using any of the methods set out below.

Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Serinus Shareholders are entitled to appoint a proxy in respect of some or all of their Scheme Shares, respectively, and may also appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by such holder. Serinus Shareholders who wish to appoint more than one proxy in respect of their holding of Scheme Shares should contact Computershare for further Forms of Proxy. A space has been included in the WHITE Form of Proxy to allow Serinus Shareholders to specify the number of shares in respect of which that proxy is appointed. Serinus Shareholders who return the WHITE Form of Proxy duly executed but leave this space blank will be deemed to have appointed the proxy in respect of all of their Scheme Shares.

As set out above, Serinus Shareholders are also strongly encouraged to appoint the Chair of the General Meeting as their proxy.

If you receive more than one Form of Proxy because you own Scheme Shares registered in different names or addresses, the relevant Form of Proxy should be completed and returned in respect of each name and address.

Sending Forms of Proxy by post

Serinus Shareholders are requested to complete and sign the WHITE Form of Proxy in accordance with the instructions printed thereon and return them by post, in the pre-paid envelope provided, to Computershare at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, so as to be received as soon as possible and in any event not later than 6:30 p.m. (BST) on 29 April 2025, or, if adjourned, not later than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the adjourned General Meeting.

If the WHITE Form of Proxy relating to the General Meeting is not returned by Serinus Shareholders so as to be received by the time mentioned above for return of the WHITE Form of Proxy, it may be handed to the Chair of the General Meeting before the start of the General Meeting and will still be valid.

Online appointment of proxies

As an alternative to completing and returning the printed WHITE Form of Proxy, you may register the appointment of your proxy or proxies or voting directions electronically via the Investor Centre service at www.investorcentre.co.uk/eproxy, where full details of the procedure are given. Members are advised to read the terms and conditions of use carefully and will need their Shareholder Reference Number (SRN), Control Number and Personal Identification Number (PIN) set out on the Forms of Proxy. Electronic communication facilities are available to all members and those who use them will not be disadvantaged. The Company will not accept any communication that is found to contain a computer virus. For an electronic proxy appointment to be valid, the appointment must be received by Computershare no later than 6:30 p.m. (BST) on 29 April 2025 for the General Meeting (or, if in case the General Meeting is adjourned, no later than 48 hours (excluding any day which is not a working day) before the time fixed for the adjourned General Meeting). Full details of the procedure to be followed to appoint a proxy electronically are given on the website.

Electronic Appointment of Proxies through CREST

If you hold Serinus Shares in uncertificated form through CREST and wish to appoint a proxy or proxies for the General Meeting by using the CREST electronic proxy appointment service, you may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed any voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with the specifications of Euroclear and must contain the information required for such instructions as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instructions given to a previously appointed proxy), must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) no later than 6:30 p.m. (BST) on 29 April 2025 for the General Meeting (or, if in either case the General Meeting is adjourned, no later than 48 hours (excluding any day which is not a working day) before the time fixed for the adjourned General Meeting).

For the purpose of the above, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which Computershare is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers, should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed any voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Serinus may treat as invalid a CREST Proxy Instruction in the circumstances set out in the CREST Regulations.

2. Appointment of a proxy by joint holders

In the case of joint holders of shares the vote of the senior who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the other joint holder(s) and for this purpose seniority will be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding (the first-named being the most senior).

3. Corporate representatives

As an alternative to appointing a proxy, any corporation which is a member may appoint one or more corporate representatives who may exercise on its behalf all its powers as a member, provided that if two or more corporate representatives purport to vote in respect of the same shares, if they purport to exercise the power in the same way as each other, the power is treated as exercised in that way, and in other cases the power is treated as not exercised.

In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of such company or an attorney for such company.

4. Votes to be taken by a poll and results

At the General Meeting voting on the Resolution will be by poll rather than a show of hands. This is a more transparent method of voting as member votes are to be counted according to the number of shares held.

A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the General Meeting.

The results of the voting at the General Meeting will be announced as soon as practicable through Serinus' website at <https://serinusenergy.com/xtellus-rule-2-7-offer/> and by announcement through a Regulatory Information Service.

5. Issued share capital and total voting rights

As at 3 April 2025, being the Latest Practicable Date, the Company's issued share capital consists of 151,099,460 Serinus Shares (or 106,791,136 Serinus Shares less 44,308,324 Serinus Shares owned or controlled by Xtellus). Each Serinus Share carries the right to one vote at the General Meeting convened by this notice and therefore the total voting rights in the Company as at 3 April 2025 are 151,099,460 (or 106,791,136 Serinus Shares less 44,308,324 Serinus Shares owned or controlled by Xtellus).

6. Inspection of this notice and the articles of association

Copies of this notice and the Company's existing articles of association are available for review at <https://serinusenergy.com/xtellus-rule-2-7-offer/>.
